Academy Notes Buffalo Fine Arts Academy, 1907 **ArtCurious** Jennifer Dasal, 2020-09-15 A wildly entertaining and surprisingly educational dive into art history as you've never seen it before from the host of the beloved ArtCurious podcast. We're all familiar with the works of Claude Monet thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas handbags scarves and dorm room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? ArtCurious is a colorful look at the world of art history revealing some of the strangest funniest and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible weird and wonderful tales ArtCurious presents an engaging look at why art history is and continues to be a riveting and relevant world to explore.
