So I Thought** Jerelene Sheronda Hiltonene Jackson,2010 At the age of seven Jerelene Jackson experienced an act of incest that opened the door to a demonic infestation that plagued her for nearly two decades After battling shame and rage attempting suicide stealing selling drugs and grappling with teenage pregnancy while in an abusive relationship she experienced a healing she never thought possible a healing that the blood of Jesus Christ has made available for all people Using the Word of God and her own stories she reveals the real consequences of sin and the only true means of freedom *Marriage, It'S Not Physical ...It'S ... S P I R I T U a L!!! ...(Holy)* Evangelist Alicia F.

Rooks,2015-02-05 I was inspired to write the book titled Marriage Its Not PhysicalIts Spiritual Holy about 12 years ago After experiencing two unsuccessful marriages and still having the desire to marry again one day when the Lord allow me to connect with the right person for real this time then I will be relieved I pray that this time I will take my own advice do my homework and realize that it is not a physical thing it is Spiritual I am no marriage counselor and definitely do not claim to have all of the answers however experience isI would say a great teacher You see some people they never learn I pray that this time I could reminisce on what I have gone through realizing that it was not just for me but on purpose and for others You see when God has a plan and has a willing vessel that will answer the call then He will allow His will work to be done through whomever is willing The key word is willing because a lot of people are not willing Instead of complaining I have learned to say ok Lord what lesson do You want me to learn from this Who would you like me to minister to through my experience of going about marriage that You have designed the wrong way As others read this book I know that it would be a life changing awakening I believe that hearts marriages relationships would be mended and healed I know that this is not just another book to pick up and read at your own leisure but if I must say so myself it is a book that once you pick it up you will not want to put it down until it has ministered to you completely **Lords of Libra** Shaun M. Shelton,Robert D. Greco

Jr,2014-05-21 There is a Great Library hidden deep within the mountains of the Hindu Kush which is said to house the knowledge of all things both known and still unknown both past and of the future Revealed only to a secret society this library has come to exist over many millennia because of the accumulative efforts of thousands of dedicated seekers sages philosophers and prophets alike whose purpose during earthly life is the collection and preservation of universal truth This is the story of four unusual characters an Englishman an Irishman a Scot and an American who in the early twentieth century chart a journey to find the lost antiquities of the world Finding much more than the treasures of forgotten kings they discover the wonders of the very meaning of life itself This book is not only an adventure into strange faraway lands but a journey into the human mind that will leave you questioning the very foundation of what you have believed all of your life to be true

*Created for Purpose* Guillermo Maldonado, 2019-09-24 You are no accident Your presence on this earth is not a mistake Neither is it insignificant On the contrary you are wanted here and needed You are a creation of God with a unique purpose Many people do things to try to gain acceptance by others so that they can be someone They become slaves to public opinion and never really know who they were meant to be When we know that we are God's beloved children chosen from the foundation of the world and discover who He designed us to be we will think and act from that perspective Everything else will develop from our identity and existence in Him That identity goes beyond even our personal purpose to God's eternal plans for the world and our exciting role in them God created all human beings to have dominion over the earth And He has assigned each of us a portion of territory where we can exercise the measure of our dominion on earth This dominion is based on the faith anointing and gifts He has given us Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom This territorial power is not merely symbolic It is a reality in which we must live The territory in which we are to be fruitful is not random or general but specific In *Created for Purpose* you will discover God's plan for your life as a loved and valuable member of His creation what it means to be called by God and how to know and live in your purpose throughout your life You are not an accident You are present on this earth for a significant reason Find out who you were meant to be

**Letters From the Wilderness** Enuma Chigbo, 2019-11-07 I smiled as I walked down memory lane writing this page It all started with an Uber ride in Cumming Georgia sometime in February 2017 There I was a tad bit agitated about banking and financial matters hoping I concealed my feelings as I rode in Pastor Denburk Gregory's car He invited me to his church The Full Truth Church of God Deliverance Center and based on our very first conversation which you will get to read inside the letter writing began Having gotten good responses from the church after the first letter my work was done or so I thought until the Lord put more words in my heart So there was a second letter and a third and this went on and on Where am I going with this I wondered The Lord says to tell you that you are writing a book said his wife Minister Veronica Gregory That totally astounded me Many a time I hear over and over The things we do are not ordinary That Uber ride was clearly not an ordinary one It was a prelude to the birth of *Letters from the Wilderness* and to me this was a clear confirmation of His Word Be not forgetful to entertain strangers for thereby some have entertained angels unawares Heb 13:2 I do hope you enjoy reading this book even more than I have enjoyed writing it My

Brooklyn . . . Your Brooklyn Kevin J. Leddy, 2017-07-11 Let me just say that if you took two people who grew up in different neighborhoods in Brooklyn and sat them down in a room together they could talk for hours on end and basically share the same stories as if they grew up right next door to each other You see that is why I am writing this book The stories that I will share with you as you turn each page do not belong to me exclusively They are YOUR stories just as much as they are mine All you really have to do is change the names and faces and use your own neighborhood as their back drop and believe me they are yours I have included after each story an empty page for you to put your story on it so it will become Your Brooklyn
