**Iraq** M. El-Shibiny, 2010-06-07 Iraq A Lost War deals with the impact of September 11th on the occupation of Iraq and the U S declaration of war on international terrorism It investigates whether war in Iraq was morally justified and whether coalition forces capturing and hanging its president were morally and legally acceptable internationally **The Treatment of Prisoners** Ralph D. McPhee, 2006 The United States has long adhered to the rules regarding the treatment of prisoners as set forth by the Geneva Convention Following the terrorist attacks of 9 11 however special prisons such as Guantanamo Bay Abu Ghraib and other prisons located around the world that are referred to as dark sites were opened for the confinement and interrogation of suspected enemy combatants Media outlets and books have partially exposed occurrences of various degrees of torture taking place in these facilities These reports have generated a vigorous debate in the U S and the United Nations about the legality and morality of such treatments This book presents recent analyses of these developments

**Republican Treason** Joseph Burrell, 2008 This book is a polemic directed against the Republican Party and the conservative movement in mostly their own words It alleges that the Republican Party is fascist and treasonous defines those terms and offers quoted testimony in support of that claim It describes the US policy of political warfare across the world that was originated by the Eisenhower administration and is still continuing Democratic movements have been attacked then on the false claim that they were communistic and on the false claim now that they are terroristic and a threat to US security Highlighting similarities **Reluctant Engagement: U.S. Policy and the International Criminal Court** Mark D. Kielsgard, 2010-09-24 Why has the United States taken such a firm stance against the International Criminal Court ICC and expended such diplomatic goodwill in an attempt to dismantle a tribunal that poses no serious risk to its citizens This book critiques causal ideologies such as American exceptionalism state sovereignty and laissez faire capitalism to show how U S opposition is driven by pervasive political legal historic military and economic conditioning factors It shows how U S attitudes transcend partisan politics and predicts how the U S ICC relationship will be affected by the economic crisis shifting international geopolitical power structures the crisis in the U S military unfolding international human rights law and the politics of change promised by the nascent Obama administration The United States has been at the centre of international criminal justice initiatives from Nuremberg to the more recent ad hoc tribunals for the former Yugoslavia Rwanda Sierra Leone and Lebanon But its position has been lukewarm and sometimes in the darkest days of the Bush administration outright hostile to the International Criminal Court Filling a gap in the literature Dr Mark Kielsgard reviews the history of

American policy analysing the factors that have driven it making useful and practical suggestions aimed at greater engagement of the United States with the International Criminal Court Professor William A Schabas      **Trials of Abu Ghraib** S. G. Mestrovic, 2016-01-08 Offers a front row seat at the courts martial of those accused in America's notorious prison abuse scandal Adam Zagorin senior correspondent Time Magazine A must read for all those committed to restoring a sense of honor to our country and the Armed Forces of the United States following the national embarrassment of Abu Ghraib The unlawful directives and policies issued by the senior civilian leaders in the Department of Defense and their flawed strategy that took our nation to war set the conditions for abuse that would have disastrous consequences on the war in Iraq and the future of the Middle East Amazingly as of this writing senior leaders have yet to be held accountable Read this book become better informed and energize your elected officials to do the right thing Major General John Batiste U S Army Retired S G Mestrovic's story of three principal trials those of convicted soldiers Lynndie England Javal Davis and Sabrina Harman stands among the most poignant trial narratives ever told During the trials Mestrovic an expert witness on behalf of the three soldiers had access to documents and records unavailable to the press and the public He reveals the evidence some suppressed from testimony that the abuse at Abu Ghraib is part of a widespread pattern of abuse imported from Guantanamo that made its way to Afghanistan and Iraq      *Middle East Conflicts from Ancient Egypt to the 21st Century* Spencer C. *Media Spectacle and the Crisis of Democracy* Douglas Kellner, 2015-12-03 Douglas Kellner's *Media Spectacle and the Crisis of Democracy* 9 11 the War on Iraq and Election 2004 investigates the role of the media in the momentous political events of the past four years Beginning with the role of the media in contested election of 2000 Kellner examines how corporate media ownership and concentration linked with a rightward shift of establishment media have disadvantaged the Democrats and benefited George W Bush and the Republicans Exploring the role of media spectacle in the 9 11 attacks and subsequent Terror War in Afghanistan and Iraq Kellner documents the centrality of media politics in advancing foreign policy agendas and militarism Building on his analysis in *Media Spectacle* Routledge 2003 Kellner demonstrates in detail how conflicting political forces ranging from Al Qaeda to the Bush administration construct media spectacles to advance their politics Two chapters critically engage the role of the media in the buildup to the Iraq war and the media centric nature of Bush's Iraq invasion and occupation Final chapters delineate the role of the media in the highly contested and significant 2004 election campaign that many believe to be one of the key political struggles of the contemporary era Criticizing Bush's

unilateralism Kellner argues for a multilateral and cosmopolitan globalization and the need for democratic media to help overcome the current crisis of democracy in the United States *Naval Law Review*, 2005

**US Counterterrorism and the Human Rights of Foreigners Abroad** Monika Heupel, Caiden Heaphy, Janina Heaphy, 2022-02-22 This book examines why the United States has introduced safeguards that are designed to prevent their counterterrorism policies from causing harm to non US citizens beyond US territory It investigates what made US policymakers take steps to put the gloves back on through five case studies on the emergence of such safeguards related to the right not to be tortured the right not to be arbitrarily detained the right to life in connection with targeted killing operations the right to seek asylum in connection with refugee resettlement and the right to privacy in connection with foreign mass surveillance The book exposes two mechanisms coercion and strategic learning which explain why the United States has introduced what the authors refer to as extraterritorial human rights safeguards thus demonstrating that the emerging norm that states have human rights obligations towards foreigners beyond their borders constrains policy choices This book will be of key interest to scholars and students of human rights counterterrorism US foreign policy human rights law and more broadly to political science and international relations The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

*Securitization and the Iraq War* Faye Donnelly, 2013-08-15 This book critiques the conceptualization of security found in mainstream and critical theoretical debates and applies this to the empirical case of the 2003 Iraq War The Iraq War represents one of the most puzzling complex and controversial events in the post Cold War era The manner in which the Bush administration finally decided to hold Saddam Hussein accountable through military intervention provoked a worldwide outcry due to the narratives they constructed to justify the pre emptive use of force and enhanced interrogation techniques Responding to constructivist and post structuralist scholars calls for a turn to discourse and aligning its argument with critical security studies particularly the Copenhagen School CS this book conceptualizes language as a pivotal mechanism of power Adopting a Wittgensteinian approach it moves away from thinking about the nexus between security and language from a single action or speech act to a series of actions or interactions To illustrate this new approach the author examines two cases in particular the UN inspectors finding that there was no credible evidence that Iraq possessed weapons of mass destruction WMD in early 2003 and the Abu Ghraib scandal in 2004 Both events show that the boundaries and relations between securitized rules and environments are not pre given but produced in a particular language game This book will be of much interest to students of critical security studies US foreign policy and IR in general

**Mass Media, Mass Propaganda** Anthony DiMaggio, 2008-04-28 Mass Media Mass Propaganda analyzes a wide range of issues domestic and international concerning American and global news coverage of the U S War on Terror Topics reviewed include media coverage of the invasion and occupation of Iraq the proliferation of weapons of mass destruction Iraqi civil war and resistance to occupation September

11th and Operation Enduring Freedom in Afghanistan human rights violations in Iraq domestic anti war dissent and censorship and potential future targets in the War on Terror This work approaches the study of media through a political economy analysis examining the ways in which the American corporate media works to reinforce official views and propaganda and the ways in which it challenges official pro war platforms A comparative approach is taken in contrasting the American mass media with other media institutions from the Progressive Left American press the British and Australian press and Arab electronic media Major models analyzed and evaluated throughout this work include the Propaganda Model developed by Noam Chomsky and Edward Herman and the Indexing Model elaborated upon by scholars such as W Lance Bennett Steven Livingston and Jonathan Mermin **Pentagon Rules on Media Access to the Persian Gulf War** United States.
