Reporter Finds God Through Spiritual Healing By Neal Emily G:

A Reporter Finds God Through Spiritual Healing Emily Gardiner Neal, 1956 *The Church of God* Mickey Crews, 1990

This book delves into the remarkable rise of the Church of God a Pentecostal denomination born in the rural mountains of Tennessee and North Carolina at the turn of the twentieth century Emerging alongside the Populist movement the church offered a distinct spiritual response to the anxieties of a rapidly changing society The author meticulously traces the church s evolution from its humble beginnings to its current global reach exploring its unique theology strict moral code and the development of its hierarchical structure This journey unveils the intricate interplay between religious fervor social class and cultural context Through vivid accounts of early members experiences the book illuminates the church s appeal as a close knit community offering spiritual empowerment and a sense of belonging It also sheds light on the challenges faced by the church including internal conflicts and external persecution Ultimately this book offers a nuanced understanding of how the Church of God navigated the tensions between tradition and modernity carving out a space for itself in the American religious landscape Its insights into the dynamics of religious communities and the enduring power of faith resonate even today

Called Out of Darkness Into Marvelous Light Jeremy Bonner, 2009-01-23 In the conflicted world that is today s Episcopal Church the diocese of Pittsburgh stands both as a symbol of dissent and schism to the liberal majority within the American Church and as a beacon of light and hope to conservative Anglicans across the United States Set in the unlikely surroundings of America s Rust Belt Pittsburgh s Episcopalians have over the past half century undergone a dramatic reordering of priorities to embrace a novel though hardly unprecedented vision of Anglican confessionalism Called out of Darkness into Marvelous Light traces the development of an Anglican presence in western Pennsylvania from the missionary activity of the late eighteenth century through the triumphs of post Civil War Anglo Catholicism and the first stirrings of the Social Gospel to the unprecedented religious revival of the 1950s Championed by such men as Bishop Austin Pardue and Samuel Moor Shoemaker the founder of the Pittsburgh Experiment a prayer centered spirituality developed in the Pittsburgh diocese and brought a generation of active evangelicals to the region during the 1960s and 1970s The founding of Trinity Episcopal School for Ministry in the mid 1970s consolidated the evangelical presence in the diocese and provoked a commitment to spiritual renewal that sat uneasily with many in the wider Episcopal Church Grounded in local research this study seeks to explore the process by which Pittsburgh acquired its present evangelical identity and to reveal the increasingly intricate web of relationships that it now enjoys beyond America s borders **Your Unique Consciousness**

Dr. Anthony J. Emmett, 2023-03-20 The story of consciousness describes the mystery we are where we come from before birth and where we go after death and the thinking both in our body mind and subconscious and beyond it It is the dimensions of rational awareness of mind and heart we use for our ego and creative life on earth and in other dimensions around us Imagine that you have an all pervading higher intelligence within in your many layered consciousness How we employ it for

this dynamic life with love and the ways it works make you the self you are Consciousness is an energy which comes into the brain of the embryo to activate the mind for this life it functions at many levels The level we call the heart is an influence emotionally with love and loving Consciousness radiates and the way it relates in us and beyond is the story of our lives We can use this to great effect with certain techniques We are alive in several levels of consciousness **God's Healing Community** Frank Bateman Stanger,1985-07 *Healing and Christianity* Morton T. Kelsey,1995-03-01 From biblical times to the present this is a comprehensive and reliable study on healing in the Christian church The author looks at medical and psychological phenomena over the past 2 000 years including the early church and the ministry of Jesus He also examines the connection between medicine and psychology in making the mind body and spirit whole again **The Living Church** ,1959 **Anglican and Episcopal History** ,2008 Includes section Book reviews **Books in Print** ,1982 Religious Books and Serials in Print, 1980-1981 ,1980 **Moving Right Along in the Spirit** Dennis J.
