Reporters Report Reporters:

In Other News Stephanie Forshee, Rosellen Downey, 2016-03-01 You've read an incredible article. You're thinking how did the reporter do that? In *Other News: Reporters on Reporting* digs into the stories of 12 journalists who have worked for leading news outlets including The Washington Post, BuzzFeed, NPR, TIME, ABC, the Los Angeles Times, and more. Finally, the reporter is the subject of the story.

Dennis, Arnold H. Ismach, 1981 **The Shorthand Reporter**, 1907 *Environment Reporters in the 21st Century* James Simon, JoAnn Myer Valenti, David B. Sachsman, 2011-12-31 *Environment Reporters in the 21st Century* is the story of a relatively new journalistic beat: environmental reporting. This book explores the development of the environmental beat as a specialty during the last thirty years. It also discusses broader trends within American journalism resulting from technological changes that challenge traditional mediums, especially newspapers and magazines. The book is divided into three parts. The first reviews the literature and explains the methodology. The second describes the results of the authors' research. The third provides in-depth accounts of environment reporters at work. A final chapter puts the research in historical perspective, viewing it in terms of the economic decline of the newspaper business and of local television news. Journalists mediate a constant struggle among thousands of environmental activists, corporate public relations people, government officials, and scientists to shape environmental reporting. This volume tells the story of environmental reporting imaginatively and innovatively. Kurt Piehler, Ingo Trauschweizer, 2023-04-25 This set of essays offers new insights into the journalistic process and the pressures American front-line reporters experienced covering World War II. Transmitting stories through cable or couriers remained expensive and often required the cooperation of foreign governments and the American armed forces. Initially, reporters from a neutral America documented the early victories by Nazi Germany and the Soviet invasion of Finland. Not all journalists strove for objectivity. During her time reporting from Ireland, Helen Kirkpatrick remained a fierce critic of that country's neutrality. Once the United States joined the fight after the Japanese attack on Pearl Harbor, American journalists supported the struggle against the Axis powers, but this volume will show that reporters, even when members of the army-sponsored newspaper *Stars and Stripes*, were not mere
