Vietnam Bulletin ,1971 **Reporting Vietnam** William M. Bates, Lawrence Lichty, Paul Miles,1998-10 Includes indexes Part 2 American journalism 1969 1975 **The Vietnam Run** Michael Gillen,2023-03-17 On the same day the Japanese surrender ended World War II Vietnamese nationalists declared independence from France Within weeks France sought to reestablish colonial rule American merchant seamen arriving in French ports to ship GIs back to the U S were dismayed when French troops bound for Vietnam came aboard instead Many of these seamen objected because American veterans awaited transport home and because they flew in the face of Allied war aims of national self determination Later with the Vietnam War effort dependent on Merchant Marine logistical support seamen were among the first to protest U S involvement With firsthand recollections this book tells the story from deadly encounters with mines rockets and gunfire to evacuations of refugees and to rescues of boat people in the South China Sea [President's Kill List](#) Luca Trenta,2024-05-31 From Fidel Castro to Qassem Soleimani the US government has been involved in an array of assassinations and assassination attempts against foreign leaders and officials The President's Kill List reveals how the US government has relied on a variety of methods from the use of poison to the delivery of sniper rifles and from employing hitmen to simply laying the groundwork for local actors to do the deed themselves It shows not only how policymakers decided on assassination but also the level of Presidential control over these decisions Tracing the history of the US government's approach to assassination the book analyses the evolution of assassination policies and for the first time reveals how successive administrations through private justifications and public legitimations ensured assassination remained an available tool **Vietnam** Martin Gainsborough,2013-07-04 Vietnam Rethinking the State offers an exciting and up to date look at the politics of this fascinating country as it seeks to make the transition from war torn economic backwater to a dynamic and modern society The book argues for a move away from the commonly associated idea of reform arguing for a deeper understanding of the concept and questioning the idea of state retreat The result is a path breaking book which gets beneath the surface of Vietnam's politics in a way which few outsiders otherwise could **Behind the Bamboo Curtain** Priscilla Mary Roberts,2006 Based on new archival research in many countries this volume broadens the context of the U S intervention in Vietnam Its primary focus is on relations between China and Vietnam in the mid twentieth century but the book also deals with China's relations with Cambodia U S dealings with both China and Vietnam French attitudes toward Vietnam and China and Soviet views of Vietnam and China Contributors from seven countries range from senior scholars and officials with decades of experience to young academics just finishing their dissertations The general impact of this work is to internationalize the history of the Vietnam War going well beyond the long standing focus on the
