The entire script has been taken from actual recordings from the year 2000 to 2012. This book only covers a time span from 2001 to 2002. Edward brought in a company of friends and the readings are a mixture of chit chat and philosophy often funny and sometimes sad. To be continued. Metrical Psalmody in Print and Practice Timothy Duguid,2016-04-22 During the Reformation the Book of Psalms became one of the most well known books of the Bible. This was particularly true in Britain where people of all ages, social classes and educational abilities memorized and sang poetic versifications of the psalms. Those written by Thomas Sternhold and John Hopkins became the most popular and the simple tunes developed and used by English and Scottish churches to accompany these texts were carried by soldiers, sailors and colonists throughout the English speaking world. Among these tunes were a number that are still used today including Old Hundredth, Martyrs and French. This book is the first to consider both English and Scottish metrical psalmody comparing the two traditions in print and practice. It combines theological, literary and musical analysis to reveal new and ground breaking connections between the psalm texts and their tunes which it traces in the English and Scottish psalters printed through 1640. Using this new analysis in combination with a more thorough evaluation of extant church records, Duguid contends that Britain developed and maintained two distinct psalm cultures: one in England and the other in Scotland. **Na to Hoa Aroha, from Your Dear Friend, Volume 1** Sir Peter Buck, Sir Apirana Ngata,2013-11-01 The leading historian Keith Sorrenson has collected in three volumes the complete correspondence: 174 letters in all between two distinguished twentieth century Māori scholars and statesmen Sir Apirana Ngata and Sir Peter Buck.
