Cheryl Saunders, Adrienne Stone

Republican Australia:

Australia - Republic Or Us Colony? Klaas Woldring,2006-02-07 This is a book which deals with the current movement towards a Republic in Australia Apart from sketching the contemporary political background in Australia it presents comparative material on Republics and their Presidents as well as about political systems which differ from the Westminster tradition

A Federal Republic Brian Galligan,1995-09-14 A provocative reassessment of the Australian constitution from the perspective of a political scientist

New Developments in Australian Politics Brian Galligan,Ian McAllister,John Ravenhill,1997 An overview of contemporary issues in Australian politics Part I examines the operation of the political system and political culture Part II looks at issues such as republicanism and citizenship Part III examines Australia s recent attempts to reshape defence and foreign policy in response to the post Cold War international environment and Australia s response to the impact of globalisation on the economy Includes references and index Also available in paperback The 14 contributors include Clive Bean Graeme Cheeseman and Glyn Davis

The Oxford Handbook of the Australian Constitution Cheryl Saunders,Adrienne Stone,2018-02-22 Constitutional law provides the legal framework for the Australian political and legal systems and thus touches almost every aspect of Australian life The Handbook offers a critical analysis of some of the most significant aspects of Australian constitutional arrangements setting them against the historical legal political and social contexts in which Australia s constitutional system has developed It takes care to highlight the distinctive features of the Australian constitutional system by placing the Australian system where possible in global perspective The chapters of the Handbook are arranged in seven thematically grouped parts The first Foundations deals with aspects of Australian history which have influenced constitutional arrangements The second Constitutional Domain addresses the interaction between the constitution and other relevant legal systems and orders including the common law international law and state constitutions The third Themes identifies themes of special constitutional significance including the legitimacy of the constitution citizenship and republicanism The fourth Practice and Process deals with practical issues relevant to constitutional litigation including the processes techniques and authority of the High Court of Australia The final three parts deal with the structural building blocks of the Australian Constitutional system Separation of Powers Federalism and the Protection of Rights Written by a team of experts drawn from academia and practice the Handbook provides Australian and international readers alike with a reliable source of knowledge understanding and insight into the Australian Constitution

Our First Republicans David John Headon,Elizabeth M. Perkins,1998 Lang Harpur and Deniehy were three of the most outspoken proponents of the Australian Republic in the mid 19th century Their arguments concise powerful and balanced are as relevant today in current Republican debate as they were then This edited selection of their prose brings together for the first time articles speeches and letters which show the political and cultural currents in NSW over three decades of important political change

APAIS 1994: Australian public affairs information service , **The Cane Toad Republic** David

Flint,1999 Today we don't have a problem with our constitution It is the envy of the world Yet we are told we must make the biggest structural change to our constitution since federation one which many republicans warn has the potential to subvert our democracy

Ireland's Farthest Shores Malcolm Campbell,2022-01-20 Irish people have had a long and complex engagement with the lands and waters encompassing the Pacific world As the European presence in the Pacific intensified from the late eighteenth century the Irish entered this oceanic space as beachcombers missionaries traders and colonizers During the nineteenth century economic distress in Ireland and rapid population growth on the Pacific Ocean's eastern and western shores set in motion large scale migration that exerted a deep political social and economic impact across the Pacific Malcolm Campbell examines the rich history of Irish experiences on land and at sea offering new perspectives on migration and mobility in the Pacific world and of the Irish role in the establishment and maintenance of the British Empire This volume investigates the extensive transnational connections that developed among Irish immigrants and their descendants across this vast and unique oceanic space ties that illuminate how the Irish participated in the making of the Pacific world and how the Pacific world made them

Constitutional Politics John Warhurst,Malcolm Mackerras,2002 No Marketing Blurb **The Australian People** James Jupp,2001-10 Australia is one of the most ethnically diverse societies in the world today From its ancient indigenous origins to British colonisation followed by waves of European then international migration in the twentieth century the island continent is home to people from all over the globe Each new wave of settlers has had a profound impact on Australian society and culture The Australian People documents the dramatic history of Australian settlement and describes the rich ethnic and cultural inheritance of the nation through the contributions of its people It is one of the largest reference works of its kind with approximately 250 expert contributors and almost one million words Illustrated in colour and black and white the book is both a comprehensive encyclopedia and a survey of the controversial debates about citizenship and multiculturalism now that Australia has attained the centenary of its federation

Australia's Constitution after Whitlam Brendan Lim,2017-04-06 An original account of the 1975 constitutional crisis and its continuing relevance for informal constitutional change in contemporary Australian law Deliberative Democracy in Australia John Uhr,1998-04-13 Parliament is central to the democratic claims of our system of governance This book evaluates the role and performance of this centrepiece of Australian government It explores the institutional design of the parliament and its principles and practices presenting a compelling case for reform Uhr discusses parliament's representative and legislative roles and the issue of accountability He looks at the place of representative assemblies in liberal political theory and assesses current institutional performance He argues that republicanism can be seen as a form of deliberative democracy examining ways in which such democracy might be made more effective and meaningful in Australia Combining an authoritative knowledge of political theory with a familiarity with the inner workings of the Australian parliament the author makes an important contribution to debates in Australia and internationally Constitutional

Conventions Nicholas Barry, Narelle Miragliotta, Zim Nwokora, Haig Patapan, 2025-02-18 This book analyses constitutional conventions as a powerful but largely neglected framework for studying the law and politics of constitutions Constitutional conventions are the unwritten rules that inform and circumscribe the political behaviour of individuals organisations and a political system They are as important as the formal legal rules that define written constitutions and shape modern states yet unlike formal written rules conventions have received only limited scholarly attention This book considers conventions as a lens to theorise and to analyse the institutional dynamics of contemporary constitutions Interrogating constitutional conventions in a wide variety of contexts including in Westminster parliamentary systems in presidential systems and in non democratic regimes the book offers new perspectives for understanding diverse aspects of constitutional politics such as the capacity of conventions to constrain populists how conventions influence constitutional transformation how they reflect and reshape core democratic values such as citizenship and constitutional identity and what they reveal about the character of authoritarian regimes The book thus demonstrates how the dynamics of conventions shape the very character of constitutions The book will be of interest to legal theorists constitutional lawyers and political scientists

Choosing the Republic Glenn Patmore, 2010-09 Exploring how the people in a constitutional monarchy may choose to institute a republic this chronicle delves into republican philosophy the history and practicalities of constitutional change and the politics of popular debate Featuring excerpts from interviews with key Australian leaders the text examines the republican question from the

Voices of Challenge in Australia's Migrant and Minority Press Catherine Dewhirst, Richard Scully, 2021-12-03 This book brings together long obscured histories to discuss Australia s cultural social and political diversity in depth The history of Australia s migrant and minority print media reveals extensive evidence for the

nation's global connectedness from the colonial era to today. A fascinating and complex picture of Australia's long-term transnational ties emerges from the smaller enterprises of individuals and communities in the distant and more recent past. This book explores the authentic voices of minority groups which challenged the dominant experiences, patterns and debates that have shaped Australia. **Just Passing Through and why We Lost the Referendum for a Republic** Richard Warren Strong, 2006. Peace, Order, and Good Government Clement Macintyre, John Matthew Williams, John Williams, 2003. Fundamental reform of State Constitutions is needed now more than ever. Indeed the process is under way in all States and Territories. Across Australia there is a growing belief that public institutions must be made more relevant to the needs of an increasingly restless electorate. **The Republican Advocate**, 1913. **Excel Preliminary Legal Studies** Belinda Brassil, 2003.
