

The Democratic-Republican Party

Republicans A History Of Their Party

**William E. Gienapp Professor of
History Harvard University**

Republicans A History Of Their Party:

The Origins of the Republican Party, 1852-1856 William E. Gienapp, 1987 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation's two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America Publisher description

The Republicans Lewis L. Gould, 2014-08-29 Lewis L Gould's 2003 history of the Republican Party was a fast paced account of Republican fortunes The Republicans won praise for its even handed incisive analysis of Republican history drawing on Gould's deep knowledge of the evolution of national political history and acute feel for the interplay of personalities and ideology In this revised and updated edition Gould extends this history adding a new chapter on the George W Bush presidency the election of 2008 and the response of the Grand Old Party to Barack Obama His narrative covers such contemporary figures as Newt Gingrich Sarah Palin and John McCain as well as forgotten Republican leaders including James G Blaine Mark Hanna Wendell Willkie and Robert A Taft Contending that the historic Republican skepticism about the legitimacy of the Democratic Party has shaped American politics since the Civil War Gould argues that the persistent flaw in the relations between the two parties has led the nation to the current crisis of stalemate and partisan bitterness No other account of Republican history is as up to date crammed with fascinating information and ready to serve as an informed guide to today's partisan warfare Lay readers and political junkies alike seeking the best book on Republican history will find what they are looking for in Gould's comprehensive volume

The Republicans Malcolm Moos, 1956 A lifelong Republican covers the first century of the G O P from its humble origins to its revived modern status under the Presidency of Dwight D Eisenhower Origins growth ideology character this lively history examines them all and much more besides from book cover

The Republican Party and American Politics from Hoover to Reagan Robert Mason, 2011-11-21 During a long period of the twentieth century stretching from the Great Depression until the Reagan years defeat generally characterized the electoral record of the Republican party Although Republicans sometimes secured victory in presidential contests a majority of Americans identified with the Democratic party not the GOP This book investigates how Republicans tackled the problem of their party's minority status and why their efforts to boost GOP fortunes usually ended in

failure At the heart of the Republicans minority puzzle was the profound and persistent popularity of New Deal liberalism This puzzle was stubbornly resistant to solution Efforts to develop a Republican version of government activism met little success Only the Democratic party s decline eventually created opportunities for Republican resurgence This book is the first to offer a wide ranging analysis of the topic which is of central importance to any understanding of modern US political history

The Birth of the Grand Old Party Robert F. Engs, Randall M. Miller, 2002-07 This collection of six original essays by some of America s most distinguished historians of the Civil War era examines the origins and evolution of the Republican party over the course of its first generation

To Make Men Free Heather Cox Richardson, 2014-09-23 From the New York Times bestselling author of *Democracy Awakening* the most comprehensive account of the GOP and its competing impulses Los Angeles Times When Abraham Lincoln helped create the Republican Party on the eve of the Civil War his goal was to promote economic opportunity for all Americans not just the slaveholding Southern planters who steered national politics Yet despite the egalitarian dream at the heart of its founding the Republican Party quickly became mired in a fundamental identity crisis Would it be the party of democratic ideals Or would it be the party of moneyed interests In the century and a half since Republicans have vacillated between these two poles with dire economic political and moral repercussions for the entire nation In *To Make Men Free* celebrated historian Heather Cox Richardson traces the shifting ideology of the Grand Old Party from the antebellum era to the Great Recession revealing the insidious cycle of boom and bust that has characterized the Party since its inception While in office progressive Republicans like Teddy Roosevelt and Dwight Eisenhower revived Lincoln s vision of economic freedom and expanded the government attacking the concentration of wealth and nurturing upward mobility But they and others like them have been continually thwarted by powerful business interests in the Party Their opponents appealed to Americans latent racism and xenophobia to regain political power linking taxation and regulation to redistribution and socialism The results of the Party s wholesale embrace of big business are all too familiar financial collapses like the Panic of 1893 the Great Depression in 1929 and the Great Recession in 2008 With each passing decade with each missed opportunity and political misstep the schism within the Republican Party has grown wider pulling the GOP ever further from its founding principles Expansive and authoritative *To Make Men Free* is a sweeping history of the Party that was once America s greatest political hope and time and time again has proved its greatest disappointment

Grand Old Party Lewis L. Gould, 2012-08-15 From Abraham Lincoln and the Civil War through the disputed election of George W Bush and beyond the Republican Party has been at the dramatic center of American politics for 150 years In *Grand Old Party* the first comprehensive history of the Republicans in 40 years Lewis L Gould traces the evolution of the Grand Old Party from its emergence as an antislavery coalition in the 1850s to its current role as the champion of political and social conservatism Here Gould brings to life the major figures of Republican history Lincoln Theodore Roosevelt Dwight D Eisenhower Richard Nixon Ronald Reagan and George W Bush and uncovers a wealth of

fascinating anecdotes about Republicans from the Plumed Knight James G Blaine in the 1880s to Barry Goldwater in the 1960s to Newt Gingrich in the 1990s Gould also uncovers the historical forces and issues that have made the Republicans what they are the crusade against slavery the rise of big business the Cold War and opposition to the power of the federal government Based on Gould s research in the papers of leading Republicans and his wide reading in the party s history Grand Old Party is a book that will outlast the noisy tumult of today s partisan debates and endure as a definitive treatment of how the Republicans have shaped the way Americans live together in a democracy Written with balance and keen insight Grand Old Party is required reading for anyone interested in American politics especially as Americans gear up for the 2012 presidential election Republicans Democrats and independents alike will find their understanding of national politics deepened and enriched by this invaluable guide to the unfolding saga of American politics **The Republican Party**

Ronald Laone,Ronald Laone Db,Jay Laone,2012-03 When Ronald Laone s son was eleven he asked his father What does it mean to be a conservative From that simple question came a journey of political enlightenment for father and son one that culminated in The Republican Party a history of the Republican Party leaders and beliefs Beginning with a comprehensive overview of the origins of the Republican Party Laone examines the various political battles of the nineteenth century and how they shaped the party s establishment in 1854 and its core ideologies He then profiles each Republican president from Abraham Lincoln to George W Bush offering a short biography and major highlights of each one s presidency Laone also reveals the major political firsts of the Republican Party including the first African American US senator the first Hispanic US congressman and the first female US congresswoman recording their significant contributions to the conservative movement A comprehensive bibliography offers titles for further reading Thoroughly researched and educational The Republican Party offers information for those seeking to understand the origins of conservative thinking values and beliefs within the American political system *The Grand Old Party* Charles River Editors,2017-02-23 Includes pictures Includes quotes by Republican leaders over the years Includes online resources and a bibliography for further reading Includes a table of contents 2016 has been one of the most unusual election years and nothing represents the unprecedented nature more than the race for the Republican Party s presidential nomination which featured over 15 candidates As with most years several candidates with various political experience from former and current governors to Congressmen and Senators ran but the race also featured a number of political novices one of whom is poised to be the party s nominee In a sense all of that is fitting given the winding nature of the Republican Party s history Now dominant in the American South the party was anathema in the South for more than a century Likewise if someone asked a man on the street in the early 1900s to describe the Republican Party he might point to Teddy Roosevelt s efforts on behalf of progressive politics and conservation whereas a few years later the Party was known as a protector of big business and later law and order During the Reagan Era the words small government came to characterize the party even as its leaders took one hit after another for wanting to limit social spending Republicans

were in office at the start of the Depression and the end of the Vietnam War Ultimately the direction that the Republican Party has taken at any given time has been determined for the most part by the party leadership which has traditionally made its voice most heard at the Republican National Convention which convenes once every 4 years to nominate candidates for the presidency and vice presidency During its more than 150 years of existence it has nominated saints and scoundrels seen some men make it to the White House and others not Its first successful candidate was assassinated as was one of his successors a few decades later It has survived through war and economic downturns as well as the just as dangerous prosperity that seems to have been created by someone else It remains one half of the two party system that has almost always dominated American politics even as many question its future Of course given the party s history those who wonder how it will survive and move forward should probably take a look at what the party has already endured The Grand Old Party The History of the Republican Party examines the formation of the GOP and the twists and turns the party has taken during its history Along with pictures of important people places and events you will learn about the GOP like never before **The Grand Old Party** Charles River Editors,2016-06-15 Includes pictures Includes quotes by Republican leaders over the years Includes online resources and a bibliography for further reading Includes a table of contents 2016 has been one of the most unusual election years and nothing represents the unprecedented nature more than the race for the Republican Party s presidential nomination which featured over 15 candidates As with most years several candidates with various political experience from former and current governors to Congressmen and Senators ran but the race also featured a number of political novices one of whom is poised to be the party s nominee In a sense all of that is fitting given the winding nature of the Republican Party s history Now dominant in the American South the party was anathema in the South for more than a century Likewise if someone asked a man on the street in the early 1900s to describe the Republican Party he might point to Teddy Roosevelt s efforts on behalf of progressive politics and conservation whereas a few years later the Party was known as a protector of big business and later law and order During the Reagan Era the words small government came to characterize the party even as its leaders took one hit after another for wanting to limit social spending Republicans were in office at the start of the Depression and the end of the Vietnam War Ultimately the direction that the Republican Party has taken at any given time has been determined for the most part by the party leadership which has traditionally made its voice most heard at the Republican National Convention which convenes once every 4 years to nominate candidates for the presidency and vice presidency During its more than 150 years of existence it has nominated saints and scoundrels seen some men make it to the White House and others not Its first successful candidate was assassinated as was one of his successors a few decades later It has survived through war and economic downturns as well as the just as dangerous prosperity that seems to have been created by someone else It remains one half of the two party system that has almost always dominated American politics even as many question its future Of course given the party s history those who wonder

how it will survive and move forward should probably take a look at what the party has already endured

The Grand Old Party

The History of the Republican Party examines the formation of the GOP and the twists and turns the party has taken during its history Along with pictures of important people places and events you will learn about the GOP like never before The Origins of the Republican Party, 1852-1856 William E. Gienapp Professor of History Harvard University, 1987-06-04

The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation s two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America

Livingstone's History of the Republican Party William Livingstone, 1900

Reader's Guide to American History Peter J. Parish, 2013-06-17

There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

The Civil War Income Tax and the Republican Party, 1861-1872 Christopher Michael Shepard, 2010

A flat tax Tax cuts Complete elimination of the income tax These ideas have most certainly been advocated by members of the Republican Party during the past few decades Party leaders such as George W Bush Ronald Reagan and Newt Gingrich expressed disdain for the income tax and utilized their power to remove it as a revenue source At the time of the Civil War many Republicans mainly in the Northeast were opposed to the new Federal Income Tax Initially used to finance that war the Federal income tax became a hotly debated issue at a time when America was trying to put back together a fractured nation The issue split the party with Midwestern and Southern Republicans wanting to continue the income tax and Northern and Western Republicans championing its demise In the end the anti income tax wing took control of the Republican Party and shaped its economic principles for the future The book is an in depth look into how the

Republicans in Congress dealt with the creation of the United States first income tax and how it affected the party for the future. The author argues that the anti income tax faction of the Republican Party won the debate and took over the party and to this day the Republican Party typically promotes either cutting taxes or eliminating them altogether. The author gives a brief history of the formation of the Republican Party and how they developed their economic views in distinction from the declining Whig Party who mostly sought to fund the federal budget through tariffs and not by taxing the people directly. The second half of the book looks at the different income tax legislations and how Republicans in Congress responded to them. Each chapter begins with a brief historical context at the time when an income tax bill was being discussed in Congress. The views of Republicans on the income tax were altered throughout the war and its aftermath. In the beginning Republicans enthusiastically supported the income tax as a measure needed to sustain the fighting. As the war came to a close however many Republicans began to change their view. They originally backed progressive rates then they wanted just one flat tax rate and by 1870 many wanted the tax to be ended. There was a divide in the Republican Party though Western Republicans wanted to keep the income tax intact while Northern Republicans called for its repeal. The last chapter of the book looks at the Republican Party and the income tax since 1872. Many of the arguments made by current and past Republicans e.g. George W. Bush, Eisenhower, Elihu Root and even Earl Warren against the income tax are shown to be the same ones made by many Republicans in the debate over the Civil War income tax. Apparently the Northern anti income tax wing won the debate and took over the party 140 years ago.

The Republican Party Douglas B. Harris, Lonce H. Bailey, 2014-10-20. Will the modern Republican Party be able to convince the American people that its policies and positions are the right ones to guide the United States? This book examines the status of the Republican Party in the early 21st century, considers where it came from and predicts where it's heading. An ideal research tool for advanced high school students in government and history classes as well as undergraduate students enrolled in political science and history courses. *The Republican Party Documents Decoded* presents documents, transcripts of speeches, photographs, political cartoons and campaign materials to define the status of the Republican Party in the early 21st century. Focusing on its leaders, key principles, organization and the basis of its political support, the book provides readers with the knowledge and understanding to answer the key questions: For what does the party actually stand? What must Republicans do to move past recent negative perceptions of their party? And can it reclaim the White House in 2016? The source documents and commentary by expert scholars will help students and readers to analyze and evaluate the content themselves in order to reach their own conclusions of where today's Republican party stands on the key issues such as health care reform, relations between church and state, foreign policy, education, reproductive rights, gun control and immigration.

A History of the Republican Party Amie Jane Leavitt, 2012-05-30. Since it was formed in 1854, the Republican Party has had a tremendous impact on American history and politics. Over the years, Republicans have supported voting rights and civil rights. They have been concerned about health care and the environment. They have tried to

break up big businesses and lower taxes In this book you ll find some of the party s memorable moments You ll read about successes and failures heroes and scoundrels and decisions that changed the history of the world *Proceedings at the ... Annual Dinner of the Republican Club of the City of New York* Republican Club of the City of New York,1895 **The Republican Party of Texas** Wayne Thorburn,2021-06-01 The former executive director of the Texas GOP offers a granular blow by blow account of his party from Reconstruction to the 21st century Publishers Weekly On July 4 1867 a group of men assembled in Houston to establish the Republican Party of Texas Combatting entrenched statewide support for the Democratic Party and their own internal divisions Republicans struggled to gain a foothold in the Lone Star State which had sided with the Confederacy and aligned with the Democratic platform In *The Republican Party of Texas* Wayne Thorburn chronicles more than 150 years of the defeats and victories of the party that became the dominant political force in Texas in the modern era Thorburn documents the organizational structure of the Texas GOP drawing attention to prominent names such as Harry Wurzbach and George W Bush alongside lesser known community leaders who bolstered local support The 1960s and 1970s proved a watershed era for Texas Republicans as they elected the first Republican governor and more state senators and congressional representatives than ever before From decisions about candidates and shifting allegiances and political stances to race based divisions and strategic cooperation with leaders in the Democratic Party Thorburn unearths the development of the GOP in Texas to understand the unique Texan conservatism that prevails today **Semi-centennial of the Republican Party** Republican Party (N.Y.). Convention, 1904,William Barnes,1904 *The Republican Party* Dale Anderson,2007 Traces the origins of the Republican Party discussing key figures conventions platforms and its organization

Republicans A History Of Their Party Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Republicans A History Of Their Party PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Republicans A History Of Their Party PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Republicans A History Of Their Party free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Republicans A History Of Their Party Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Republicans A History Of Their Party is one of the best book in our library for free trial. We provide copy of Republicans A History Of Their Party in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Republicans A History Of Their Party. Where to download Republicans A History Of Their Party online for free? Are you looking for Republicans A History Of Their Party PDF? This is definitely going to save you time and cash in something you should think about. If you

trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Republicans A History Of Their Party. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Republicans A History Of Their Party are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Republicans A History Of Their Party. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Republicans A History Of Their Party To get started finding Republicans A History Of Their Party, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Republicans A History Of Their Party So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Republicans A History Of Their Party. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Republicans A History Of Their Party, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Republicans A History Of Their Party is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Republicans A History Of Their Party is universally compatible with any devices to read.
