The Bass Player Stephen Travers,2025-09-18 Stephen Travers has lived two lives His first was as a young bass player immersed in music friendship and the thrill of gigs on the road with The Miami Showband But on July 31 1975 that life shattered on the A1 road at Buskill in County Down when a Loyalist gang ambushed the band murdering three of his friends in an attack that would become one of the darkest moments of The Troubles In the quiet aftermath in a nearby field Stephen awoke to his second life as a survivor This second life led him down unexpected paths as an author composer producer and international speaker on peace and reconciliation Over decades he worked to support other survivors challenge suspected state collusion and seek justice in a landmark case against the British Ministry of Defence Yet despite these achievements Stephen found himself drawn back to that field revisiting the young man he had been moments before the massacre searching for closure a reunion with his former self Now fifty years later he has written *The Bass Player* a love letter and eulogy for that first life This book is both a deeply personal reckoning and a song for all those silenced by conflict offering a path toward healing and finally peace Princeton Alumni Weekly ,1943 **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1877 **The Moving Picture World** ,1916 Moving Picture World and View Photographer ,1916 **The Illustrated London News** ,1849 **The Century Dictionary: The Century encyclopedia of names ... ed. by Benjamin E.
