Requiem Pour Lest:

Messe Brève pour les Morts. A Requiem Charles Gounod, 1873

Requiem for a Lost Empire Andreï

Makine, 2011-11-07 In this remarkable novel which spans eighty years of the twentieth century Andre Makine describes beautifully but unsparingly the almost uninterrupted succession of violence misery and horror that has been visited on the Russian people since the October Revolution of 1917 For those quick to forget or too young to remember he paints a graphic portrait of those years in a three generational novel that is as moving as it is revealing A young Russian army doctor is sent to distant shores to bind the wounds of those in Africa the Near East and South America that are pawns in the global political chess game during the Cold War Recruited by an intelligence agent he experiences the bloody reality of revolution on the ground The book casts its eye back toward his grandfather Nikolai a Red cavalry soldier fighting the Whites in 1920 and his father whose story of World War II is invoked with a passion and force that bear comparison to the best writing on the subject From the battlefields of the 1920s to the harsh African heat and dust of the desert in the 1980s from the orphanage where the narrator spent his youth to the art galleries and chic salons of the glittering new West *Requiem for a Lost Empire* has all the sweep and depth all the beauty and insight of the great Russian novels It is as the eminent French critic Edmonde Charles Roux noted an astonishing novel one that will surely stand the test of time

Requiem pour l'Est Andreï

Makine, 2001 Je me savais pr sent incapable de dire la v rit de notre temps Je n tais ni un t moin objectif ni un historien ni surtout un sage moraliste Je pouvais tout simplement reprendre ce r cit interrompu alors par la nuit par les routes qui nous attendaient par les nouvelles guerres Un m decin militaire engag par les services de renseignements sovi tiques retrace l hallucinant destin de son grand p re Nikola et de son p re Pavel les oppressions des ann es 20 les purges les violences nazies et la Seconde Guerre mondiale Un chant pour les morts d hier et aujourd hui une trag die jalonn e de crimes de viols et d illusions perdues

Requiem's Justice Richard Parry, 2021-01-25 The gods have turned away The demons have not Geneve and Meriwether are cast across the sea by a relic of the ancients torn from their allies and flung into lands on the brink of ruin Geneve finds herself in a city ruled by a devil king where every deal has a cost Meriwether awakens in a cursed temple where echoes of the last great war refuse to stay buried The gate between worlds stands open Demons pour through hungering for conquest If Geneve and Meriwether cannot reunite the world will fall not just in battle but in blood and fire swallowed by an army from another plane The gods may have abandoned them but Geneve will not This is Requiem s justice
