Rereading Women In Latin America And The Caribbean The Political Economy Of Gender:

Rereading Women in Latin America and the Caribbean Jennifer Abbassi, Sheryl Lutjens, 2002 This indispensable text reader provides a broad ranging and thoughtfully organized feminist introduction to the ongoing controversies of development in Latin America and the Caribbean Designed for use in a variety of college courses the volume collects an influential group of essays first published in *Latin American Perspectives* a theoretical and scholarly journal focused on the political economy of capitalism imperialism and socialism in the Americas The reader is organized into thematic sections that focus on work politics and culture and each section includes substantive introductions that identify key issues trends and debates in the scholarly literature on women and gender in the region Demonstrating the rich and multidisciplinary nature of Latin American studies this collection of timely empirical studies promotes critical thinking about women's place and power about theory and research strategies and about contemporary economic political and social conditions in Latin America and the Caribbean Valuable as both a supplementary or primary text *Rereading Women* makes a convincing claim for a materialist feminist analysis It convincingly shows why women have become an increasingly important subject of research acknowledges their gains and struggles over time and explores the contributions that feminist theory has made toward the recognition of gender as a relevant indeed essential category for analyzing the political economy of development

Women's Roles in Latin America and the Caribbean Kathryn A. Sloan, 2011-08-03 This book surveys Latin American and Caribbean women's contributions throughout history from conquest through the 20th century From the colonial period to the present day women across the Caribbean and Latin America were an intrinsic part of the advancement of society and helped determine the course of history *Women's Roles in Latin America and the Caribbean* highlights their varied and important roles over five centuries of time providing geographical breadth and ethnic diversity to the *Women's Roles through History* series *Women's roles* are the focus of all six chapters covering themes that include religion family law politics culture and labor Each section provides specific examples of real life women throughout history providing readers with an overview of Latin American women's history that pays special attention to continuity across regions and variances over time and geography

Gender Inequality in Latin America, 2020-11-30 This volume critically examines gender inequality its origins and its social and economic implications in Latin America with a particular focus on Ecuador For that purpose Pablo Qui onez and Claudia Maldonado Erazo bring together a collection of articles that provide insights from different disciplines including political economy history development studies political science microeconomics and macroeconomics In Ecuador as in Latin America as a whole women dedicate more time than men to unpaid activities while being discriminated against in multiple areas including labor markets politics and access to high ranking positions Furthermore these problems are even greater for women from rural areas and ethnic minorities Contributors include Rafael Alvarado Mar a Anchundia Places Esteban Ar valo Diana Cabrera Montec Edwin Espinoza Piguave Gabriela Gallardo Danny Granda Claudia Maldonado Erazo

Wendy Mora Diana Mor n Chiquito Sayonara Morej n Carlos Moreno Hurtado Mar a Moreno Zea Ana O a Mac as Pablo Ponce Pablo Qui onez Valeria Recalde Josefina Rosales Ximena Songor Jaramillo and Daniel Zea Women's Work in Special Period Cuba Daliany Jerónimo Kersh, 2019-02-14 The abrupt loss of Soviet financial support in 1989 resulted in the near collapse of the Cuban economy ushering in the almost two decades of austerity measures and severe shortages of food and basic consumer goods referred to as the Special Period Through the innovative framework of individual and collective memory Daliany Jerónimo Kersh brings together analysis of press sources and oral histories to offer a compelling portrait of how Cuban women cleverly combined various forms of paid work to make ends meet Disproportionately impacted by the economic crisis given their role as primary caregivers and household managers and unable to survive on devalued state salaries alone women often employed informal and illegal earning strategies As she argues this regression into gendered work such as cooking sewing cleaning reselling and providing sexual services precipitated by the post Soviet crisis to a large extent marked a return to pre revolutionary gendered divisions of labor Mothers Making Latin America Erin E. O'Connor, 2014-03-10 Mothers Making Latin America utilizes a combination of gender scholarship and source material to dispel the belief that women were separated from or unimportant to central developments in Latin American history since independence Presents nuanced issues in gender historiography for Latin America in a readable narrative for undergraduate students Offers brief primary source document excerpts at the end of each chapter that instructors can use to stimulate class discussion Adheres to a focus on motherhood which allows for a coherent narrative that touches upon important themes without falling into a list of facts textbook style **The Cost of Globalization** Julian E. Kunnie, 2015-04-23 The issues arising from rapid global integration have generally been treated in isolation by most academic works This volume examines the many pitfalls of globalization from the perspective of impoverished and indigenous peoples including the widening wealth gap the struggle for restoration of dispossessed lands and cultural rights global warming and ecological annihilation and the experiences of women in underdeveloped regions The United States growing prison industrial complex is discussed The author concludes with a call for reassessing current ways of living and proposes recreating cultures of conservation and sustainable economies Instructors considering this book for use in a course may request an examination copy here

Women of Chiapas Christine Eber, Christine Kovic, 2013-10-18 This book presents the concerns visions and struggles of women in Chiapas Mexico in the context of the uprising of the Zapatista Army of National Liberation EZLN The book is organized around three issues that have taken center state in women s recent struggles structural violence and armed conflict religion and empowerment and women s organizing Also includes maps **Inclusive Communities** Andrew Azzopardi, Shaun Grech, 2012-09-11 The term Inclusive Communities has increasingly featured in recent years at policy practice and theoretical levels drawing from different disciplinary standpoints Much of this has been spurred by efforts at understanding the exclusions confronted by certain populations to develop the notion of and mechanisms by which

communities can include those who are marginalised and or oppressed and in some contexts to bring back community as something real or imagined In spite of this this deceptive term remains shrouded in epistemological darkness conveniently endorsed but often little theorised and less understood This text provides an exciting introductory textbook drawing academics policy makers and activists from various fields to theorise create new and innovative conceptual platforms and develop further the hybrid idea of inclusive communities

Negras in Brazil Kia Caldwell, 2007-01-05 For most of the twentieth century Brazil was widely regarded as a racial democracy a country untainted by the scourge of racism and prejudice In recent decades however this image has been severely critiqued with a growing number of studies highlighting persistent and deep seated patterns of racial discrimination and inequality Yet recent work on race and racism has rarely considered gender as part of its analysis In *Negras in Brazil* Kia Lilly Caldwell examines the life experiences of Afro Brazilian women whose stories have until now been largely untold This pathbreaking study analyzes the links between race and gender and broader processes of social economic and political exclusion Drawing on ethnographic research with social movement organizations and thirty five life history interviews Caldwell explores the everyday struggles Afro Brazilian women face in their efforts to achieve equal rights and full citizenship She also shows how the black women s movement which has emerged in recent decades has sought to challenge racial and gender discrimination in Brazil While proposing a broader view of citizenship that includes domains such as popular culture and the body *Negras in Brazil* highlights the continuing relevance of identity politics for members of racially marginalized communities Providing new insights into black women s social activism and a gendered perspective on Brazilian racial dynamics this book will be of interest to students and scholars of Latin American Studies African diaspora studies women s studies politics and cultural anthropology

Lives of Dust and Water María Luz Cruz-Torres, 2022-03-29 Along the coast of northwestern Mexico pink gold may mean wealth for some but the new global economy has imposed terrible burdens on many sectors of the population State and regional economic development policies have supported the use of natural resources for commercial export resulting in the rapid growth of agriculture and shrimp aquaculture Environmental pressures have contributed to the degradation of marine ecosystems and once self reliant rural populations have been driven to wage and subsistence labor in order to survive This book eloquently explains how contemporary rural communities in southern Sinaloa have responded to economic and ecological changes affecting the entire nation A political ecology of human survival in one of the most important ecological regions of Mexico it describes how these communities contest environmental degradation and economic impoverishment arising from political and economic forces beyond their control Mar a Luz Cruz Torres evokes the rich and varied experiences of the people who live in the villages of Celaya and El Cerro showing how they invent and utilize their own social capital to emerge as whole persons in the face of globalization She traces the histories of the two villages to illustrate the complex variation involved in community formation and to show how people respond to and utilize Mexican law and reform Surrounded by limited

resources poverty illness sudden death and daily oppression these men and women create innovative social and cultural forms that mitigate these impacts Cruz Torres reveals not only how they manage to survive in the midst of horrendous circumstances but also how they transcend those impediments with dignity She details the participation of household members in the subsistence formal and informal sectors of the economy and how women use a variety of resources to guarantee their families survival A sometimes tragic but ultimately vibrant story of human resistance *Lives of Dust and Water* offers an important look at a little studied but dynamically developing region of Mexico It contributes to a more precise understanding of how rural coastal communities in Mexico emerged and continue to develop and adjust to the uncertainties of the globalizing world

Latin America's Radical Left Steve Ellner, 2014-03-24 This timely book explores the unique challenges facing the left in Latin America today The contributors offer clear and comprehensive assessments of the difficult conditions and conflicting forces that have brought to power the current leftist regimes in Latin American and the Caribbean and are shaping their development Avoiding the widely accepted but simplistic dichotomy of good and bad left or democratic and antidemocratic left the book first sets the theoretical and historical context for understanding the rise of the left in the region It then provides case studies of the radical left in power in Venezuela Bolivia and Ecuador and its influence in Nicaragua El Salvador and Cuba Thematic chapters consider social and labor movements and debates over problems arising from the democratic transition to socialism The book points to concrete circumstances in which theoretical issues related to reform and change have played out in nations where the left is in power These include prioritization of social over economic objectives the role of the state in the democratic road to socialism and ecological as opposed to developmentalist strategies Finally the book examines the opposition to radical governments in power coming not only from the right but also from movements to their left With its balanced and thorough assessment this study will provide readers with a deep and nuanced understanding of the complexity of the political economic and sociocultural reality of contemporary Latin America and the Caribbean

The Labor of Extraction in Latin America Kristin Ciupa, Jeffery R. Webber, 2024-01-04 Natural resource extraction and primary commodity export remain persistent features of the Latin American economy This edited volume traces the power of labor in extractive sectors in Latin America starting in the 1980s and shows how labor shapes national export sectors economies politics and societies more broadly Kristin Ciupa and Jeffery R Webber bring together a team of international experts who look at labor in several extractive sectors including oil and gas mining and agriculture and migrant labor They present a variety of viewpoints and case studies exploring themes of the strategic organizing potential of extractive workers the rise of informal labor and its impact on organizing and worker solidarity and migrant labor power as extraction The book analyzes relationships between workers extractive companies states political parties national social sectors and global commodity markets The Labor of Extraction in Latin America puts the question of labor organizing to the forefront of discussions on Latin America s ongoing history of extractive capitalism its effects on nature and resistance against it Contributions by Fernando Caz n Kristin Ciupa Aleida Hernández Cervantes Phillip A Hough Christopher Little Omar Manky Andrea Marston Viviana Patroni Guido Starosta Jeffery R Webber Anna Zalik Debating U.S.-Cuban Relations Jorge I. Domínguez, Rafael M. Hernández, Lorena G. Barbería, 2017-01-20 The boundary between Cuba and the United States has become more and more porous as have those with Latin America and the Caribbean Never in the past half century has Cuba s leadership or its social and political fabric been so exposed to the influence of the outside world In this book an all star cast of experts critically address the recent past and present in U S Cuban relations in their full complexity and subtlety to develop a perspective on the evolution of the conflict and an inventory of forms of cooperation This much needed approach provides a way to answer the questions what has been and what is while also thinking seriously about what if To illustrate the most significant areas of U S Cuban relations in the contemporary era this newly updated edition of *Debating U S Cuban Relations* adds six more themes to the study of this complex relation political security economic and cultural academic issues the triangular relations of the United States Cuba and Europe and the politics of Cuban migration emigration Each topic is represented by perspectives from both Cuban and non Cuban scholars leading to a resource rich in insight and a model of transnational dialogue The future course of U S Cuban relations will likely be more complex than in the past not only because of the matrix of factors involved but also because of the number of actors Such a multiplicity of domestic regional and global factors is unique it includes the rise to power of new administrations in both countries since 2008 Ra l Castro became president of Cuba in February 2008 and Barack Obama was inaugurated president of the United States in January 2009 And it will feature the inauguration of a new president of the United States in January 2017 and a new president of Cuba likely in February 2018 *Women and Wars* Carol Cohn, 2013-04-03 Where are the women In traditional historical and scholarly accounts of the making and fighting of wars women are often nowhere to be seen With few exceptions war stories are told as if men were the only ones who plan fight are injured by and negotiate ends to wars As the pages of this book tell though

those accounts are far from complete Women can be found at every turn in the gendered phenomena of war Women have participated in the making fighting and concluding of wars throughout history and their participation is only increasing at the turn of the 21st century Women experience war in multiple ways as soldiers as fighters as civilians as caregivers as sex workers as sexual slaves refugees and internally displaced persons as anti war activists as community peace builders and more This book at once provides a glimpse into where women are in war and gives readers the tools to understand women's told and untold war experiences in the greater context of the gendered nature of global social and political life

Gender, Sexuality, and Power in Latin America Since Independence William E. French, Katherine Elaine Bliss, 2007 Integrates gender and sexuality into the main currents of historical interpretation concerning Latin America

Memory, Truth, and Justice in Contemporary Latin America Roberta Villalón, 2017-07-06 This powerful text provides the first systematic analysis of the second wave of memory and justice mobilization throughout Latin America Pairing clear explanations of concepts and debates with case studies the book offers a unique opportunity for students to interpret the history and politics of Latin American countries The contributors provide insight into human rights issues and grassroots movements that are essential for a broader understanding of struggles for justice memory and equality across the globe especially during our current unsettled times of political polarization violence repression and popular resistance worldwide

Gender, Generation and Poverty Sylvia H. Chant, 2007-01-01 The feminisation of poverty is viewed as a global trend and of particular concern in developing regions Yet although popularisation of the term may have raised women's visibility in development discourses and gone some way to engender policies for poverty reduction the construct is only weakly substantiated This work covers this topic

Women Writing Resistance Jennifer Browdy de Hernandez, 2003 Eighteen women including Jamaica Kincaid Rigoberta Menchú Cerrón Moraga Marjorie Agosin Margaret Randall Gloria Anzaldúa Michelle Cliff Edwidge Danticat and Julia Alvarez are featured in this powerful anthology on art feminism and activism in Latin America and the Caribbean Women Writing Resistance highlights Latin American and Caribbean women writers who with increasing urgency are writing in the service of social justice and against the entrenched patriarchal racist and exploitative regimes that have ruled their countries Many of the women in this collection have been thrust out into the Latino Caribbean diaspora by violent forces that make differences in language and culture seem less significant than connections based on resistance to inequality and oppression It is these connections that Women Writing Resistance highlights presenting conversations on the potential of writing to confront injustice This mixed genre anthology a resource for activists and readers of Latin American and Caribbean women's literature demonstrates and enacts how women can collaborate across class race and nationality and illustrates the value of this solidarity in the ongoing struggles for human rights and social justice in the Americas Jennifer Browdy de Hernandez earned her Ph.D. in comparative literature from New York University specializing in contemporary Caribbean Latin American and ethnic North American autobiographies by women She teaches literature and gender studies
