

THE RESCUE OF DANISH JEWRY

Test of a Democracy

The rescue of Danish Jewry in October of 1943 from what would have been certain annihilation at the hands of the Germans became a legend even as it was being implemented. *This is the factual story of that rescue and of the valiant people who made it possible.*

Rescue Of Danish Jewry:

The Rescue of the Danish Jews Leo Goldberger, 1987 An immensely valuable contribution As the last generation of witnesses to the Holocaust testify to its horrors they must also testify to its heroes those who risked all to save lives These movingly told stories restore our faith in the human spirit William Shirer The mystery of the rescue phenomenon will probably always elude us As the rescuers narratives in this remarkable volume show the acts of saving Jews seemed spontaneous and natural and thus the mystery of the rescue act begins to unravel radiantly The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions or the possibilities of individual and collective courage Dennis B Klein author of Jewish Origins of the Psychoanalytic Movement A distinguished group of internationally known individuals Jews and non Jews rescuers and rescued offer their enriching first person accounts and reflections that explore the question Why did the Danes risk their lives to rescue the Jewish population **A**

soon issue the long feared order to round up the entire population of Jews for deportation to concentration camps the Danish people stood up in defiance and resisted The king politicians and ordinary civilians were united in their response these threatened people were not simply Jews but fellow Danes who happened to be Jewish and no one would help in rounding them up for confinement and deportation While diplomats used their limited but very real power to maneuver and impede matters in both Copenhagen and Berlin the warning that the crisis was at hand quickly spread through the Jewish community Over fourteen harrowing days as they were helped hidden and protected by ordinary people who spontaneously rushed to save their fellow citizens an incredible 7 742 out of 8 200 Jewish refugees were smuggled out all along the coast on ships schooners fishing boats anything that floated to Sweden While the bare facts of this exodus have been known for decades astonishingly no full history of it has been written Unfolding on a day to day basis Countrymen brings together accounts written by individuals and officials as events happened offering a comprehensive overview that underlines occupied Denmark's historical importance to Hitler as a prop for the model Nazi state and revealing the savage conflict among top Nazi brass for control of the country This is a story of ordinary glory of simple courage and moral fortitude that shines out in the midst of the terrible history of the twentieth century and demonstrates how it was possible for a small and fragile democracy to stand against the Third Reich

Rescuing the Danish Jews Ann Byers,2012-01-01 Examines the rescue of the Danish Jews during World War II including background on Denmark and the Holocaust firsthand accounts from the many people involved and how thousands of Jews were saved from the Nazis Provided by publisher **Rescuing the Danish Jews** Ann Byers,2012-01-01 Bent Melchior a fourteen year old Danish Jew was crammed into the hold of a fishing boat but this was not a normal fishing trip Surviving the crowded filthy conditions on this trip meant reaching freedom After many hours at sea Melchior had reached safety in Sweden The remarkable story of rescuing the Danish Jews has many heroic tales In the midst of World War II and the slaughter of millions in the Holocaust the Danes resisted Nazi brutality and saved thousands of people from death

Holocaust a History Deborah Dwork,Robert Jan Pelt,2003-08-26 Unrivaled in scope Holocaust is a story of all Europe of the vast sweep of events in which this great atrocity was rooted from the Middle Ages to the modern era Countrymen Bo Lidegaard,2014-03 The rescue of the Danish Jews from Nazi persecution in October 1943 is a unique exception to the tragic history of the Holocaust Within a few weeks some 7 000 people managed to escape What made this possible This book tells the story of how during WWII the people of Denmark rallied to save their Jewish population from the Nazis Boats in the Night Martha Loeffler,2000

The rescue of Danish Jewry [Haṣālat haj-jehūdīm bi-Denjā, engl.] **Test of a democracy** Leni Yahil,1969 *Resisters, Rescuers, and Refugees* John J. Michalczyk,1997-09 Fifty years after World War II critical issues of this international conflict still haunt our society today in business war crimes trials and international relations This text focuses on the historical issues of Christian rescue of Jews resistance to Nazi oppression and the plight of the refugee in light of current problems facing us The essays in this book from nationally and internationally

known scholars reveal that the Holocaust was not only a Jewish tragedy but an epic human tragedy as well one that has indelibly scarred the collective soul of twentieth century society As these scholars and witnesses provide insights into the historical context of World War II and the Holocaust they also assist us in regulating the future behavior of ourselves our country and our world *Nordic Traces in Israel* Orna Keren-Carmel,2024-11-28 For many years historians have not given due attention to the relations between the Nordic countries and Israel As a consequence the existing body of research on this topic is almost entirely conducted by scholars from the social sciences especially international relations and conflict resolution studies a fact that has led to an overemphasis on their occasional interstate political disputes This book offers a fresh and exciting historical analysis of their relations during the three decades following Israel s establishment in 1948 focusing on their connection points and mutual influences in various fields Furthermore it is mapping Israel geographically according to the traces of diverse Nordic Israeli initiatives throughout the years In recent years scholarship on Nordic studies has yielded new research areas regarding the influence of these countries on other parts of the world and vice versa Nordic policies attitudes and experience have been analyzed in the framework of knowledge circulation and this in turn sparked a renewed scholarly interest in the Nordic model s The book fits into this stream of research by arguing that close historical investigation helps to construct and sometimes also deconstruct the fluid definition of the Nordic model s By focusing on the intersection between Israel studies and Nordic studies it provides insights into the complex yet fascinating relations that developed between these countries since the mid twentieth century **The Jewish Holocaust** Marty Bloomberg,Buckley Barry Barrett,1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas reference materials European antisemitism background materials the Holocaust years Jewish resistance **Nonviolent Action** Ronald M. McCarthy,Gene Sharp,1997 This volume traces the modern critical and performance history of this play one of Shakespeare s most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory *The Rescue of the danish jews* ,1984

October 1943 Therkel Stræde,1993 *The Jewish Traveler* Alan M. Tigay,1994 What is there of Jewish interest to see in Bombay In Casablanca Where are the kosher restaurants in Seattle How did the Jewish community in Hong Kong originate The Jewish Traveler Hadassah Magazine s Guide to the World s Jewish Communities and Sights provides this information and much more **The Jews of Denmark in the Holocaust** Silvia Tarabini Fracapane,2020-12-29 Based on never previously explored personal accounts and archival documentation this book examines life and death in the Theresienstadt ghetto seen through the eyes of the Jewish victims from Denmark How was it in Theresienstadt Thus asked Johan Gr n rhetorically when he in July 1945 published a short text about his experiences The successful flight of the majority of Danish Jewry in October 1943 is a well known episode of the Holocaust but the experience of the 470 men women and children that were deported to the ghetto has seldom been the object of scholarly interest Providing an overview of the Judenaktion in Denmark and the

subsequent deportations the book sheds light on the fate of those who were arrested Through a micro historical analysis of everyday life it describes various aspects of social and daily life in proximity to death In doing so the volume illuminates the diversity of individual situations and conveys the deportees perceptions and striving for survival and normality Offering a multi perspective and international approach that places the case of Denmark into the broader Jewish experience during the Holocaust this book is invaluable for researchers of Jewish studies Holocaust and genocide studies and the history of modern Denmark
