Rescue Chopper:

Rescue Chopper Ruth Hallman, 1980 Eleven episodes featuring a Coast Guard search and rescue team which despite a certain amount of internal rivalry manages to effect some dangerous helicopter rescues *The Longest Rescue* Glenn Robins, 2013-08-28 On 20 September 1965 Airman First Class Bill Robinson a helicopter mechanic was shot down in North Vietnam He spent more than seven years in multiple North Vietnamese prison camps For his actions in Vietnam Robinson received the Air Cross one of only twenty three enlisted men ever to earn that honour and no enlisted man in American military history has been held longer as a prisoner of war The book presents a detailed account of Robinson s early years and devotes substantial coverage to his postrelease life *Airman* ,1969 **Tragic Mountains** Jane Hamilton-Merritt, 1993 Tragic Mountains tells the story of the Hmong s struggle for freedom and survival in Laos from 1942 through 1992 During those years most Hmong sided with the French against the Japanese and Ho Chi Minh s Viet Minh and then with the Americans against the North Vietnamese **Popular Science** ,1967-05 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Snake, Rolling in Hot Bud Jones, 2000 Snake Rolling in Hot is a historical novel about a squadron of Marine Corps helicopter pilots and their crews It is a true accounting about flying and fighting in Vietnam as well as the training of aircrews before they were sent to Southeast Asia The combat operations take place in I Corps in Vietnam and from the decks of navy carriers in the South China Sea The story also takes a look at some of the wild R R escapades Marines experienced in Hong Kong Bangkok the Philippines and other hot spots around the world There is also a provocative look at the political scene in the U S during the war in Vietnam and how it affected several of the characters in the book in a ways they never thought possible when the war began With dialog that snaps with electricity and realism Snake Rolling in Hot takes the reader into the cockpits of Marine choppers during action packed missions flown against the Viet Cong and North Vietnamese Army After reading this book no one will ever feel the same about helicopters and their crews again Moon Shadow Reggie Ridgway, 2016-07-14 When a new and potentially planet killing contagion is discovered Moon Shadow an isolated resort town located in Alaska s primitive and rugged interior becomes the focus of a military style incursion Major Pepper who is in charge of the operation has the local residents rounded up into a razor wire inclosed quarantine Because of the danger of a potential pandemic they are to be transferred to a more prison like underground quarantine Two of the residents Trevor a young physician and Jodie an Earth Project environmentalist are not having any of this obvious violation of human rights They escape and are hunted down like fugitives with the full arsenal of the US Army at the Major s disposal The two have to use a zip line to escape a three story burning lodge When they seek refuge in an abandoned gold mine the entrance is caved in by a missile strike The two fugitives do manage to find a way out of the mine and try to make their way back to civilization and safety by floating down

river on a rubber raft While fighting for their lives against nature and the deranged Major Pepper the two begin to fall in love with each other They discover they have more to live for than exposing the Major for his treachery and his murder of innocent civilians for the greater good

Genesis Joseph Youngblood,2009-03 Two lovers from different races in pre history India meet in a time of danger and fall in love They share a life of adventure but eventually die Though separated by death their spirits live again at various times throughout history though never together When they are finally reunited it is a time of disaster for humankind Humanity has advanced far enough to destroy itself and it does A nuclear accident triggers a global conflict between superpowers that destroys humanity along with almost all life on Earth The lovers reincarnated in the twenty first century are selected to be placed into suspended animation and sent on a journey through space and time Their task is to return to Earth in a distant future and reestablish life on the planet They accomplish this with the help of a converted Space Shuttle a Space Station and microcomputers implanted in their bodies to enhance their physical and mental abilities and prolong their lives To succeed in their mission they must find ways to overcome loneliness hardship and danger from radiation mutated decedents of humankind who are now the dominate species on Earth
