true story of how Schindler's list really came to pass Pemper was born in 1920 into a lively and cultivated Jewish family for whom everything changed when the Germans invaded Poland Evicted from their home they were forced into the Krakow ghetto and later into the nearby camp of Płaszów where Pemper's knowledge of the German language was put to use by the sadistic camp commandant Amon Göth Forced to work as Göth's personal stenographer from March 1943 to September 1944 an exceptional job for a Jewish prisoner Pemper soon realized that he could use his position as the commandant's private secretary to familiarize himself with the inner workings of the Nazi bureaucracy and exploit the system to his fellow detainees advantage Once he gained access to classified documents Pemper was able to pass on secret information for Schindler to compile his famous lists After the war Pemper was the key witness of the prosecution in the 1946 trial against Göth and several other SS officers The Road to Rescue stands as a historically authentic testimony of one man's unparalleled courage wit defiance and bittersweet victory over the Nazi regime
