**Connected Histories** Eva Pfanzerter, Dirk Rupnow, Éva Kovács, Marianne Windsperger, 2024-09-23 The World Wide Web WWW and digitisation have become important sites and tools for the history of the Holocaust and its commemoration Today some memory institutions use the Internet at a high professional level as a venue for self presentation and as a forum for the discussion of Holocaust related topics for potentially international transcultural and interdisciplinary user groups At the same time it is not always the established institutions that utilise the technical possibilities and potential of the Internet to the maximum Creative and sometimes controversial new forms of storytelling of the Holocaust or more traditional ways of remembering the genocide presented in a new way with digital media often come from people or groups who are not in the realm of influence of the large memorial sites museums and archives Such private stagings have experienced a particular upswing since the boom of social media This democratisation of Holocaust memory and history is crucial though it is as yet undecided how much it will ultimately reinforce old structures and cultural regional or other inequalities or reinvent them The Digital space as an arbitrary and limitless archive for the mediation of the Holocaust spanning from Russia to Brazil is at the centre of the essays collected in this volume This space is also considered as a forum for negotiation a meeting place and a battleground for generations and stories and as such offers the opportunity to reconsider the transgenerational transmission of trauma family histories and communication Here it becomes evident there are new societal intentions and decision making structures that exceed the capabilities of traditional mass media and thrive on the participation of a broad public

Jewish Youth and Identity in Postwar France Daniella Doron, 2015-09-28 Highlights the debates surrounding family and identity as French Jewish communities slowly recovered and reestablished their place in the French nation Choice At the end of World War II French Jews faced a devastating demographic reality thousands of orphaned children large numbers of single parent households and families in emotional and financial distress Daniella Doron suggests that after years of occupation and collaboration French Jews and non Jews held contrary opinions about the future of the nation and the institution of the family At the center of the disagreement was what was to become of the children Doron traces emerging notions about the postwar family and its role in strengthening Jewish ethnicity and French republicanism in the shadow of Vichy and the Holocaust Doron s book appears at a key moment Its emphasis on children emerging from hunger displacement and war should render it standard reading for policymakers NGOs and others interested in shaping the destinies of today s abandoned children French History Raises fundamental questions for the understanding of not only Jewish reconstruction in post World War II France but also Holocaust memory postwar French society and culture and the history of postwar European families and children French Politics Culture and Society Doron s deftly argued and well researched book is an important intervention into a growing body of scholarship on the postwar decade She convincingly documents the central role that the rehabilitation of Jewish children and the reconstruction of Jewish families played in post war French Jewish reconstruction and underscores the importance of the decade following

Bartrop, Samantha J. Lakin, 2019-05-10 This book tells the largely unknown story behind the rescue activities of several remarkable young Jewish women in Vichy France during World War II and their role in the resistance against Nazi and Vichy

France deportation policies Few studies of Vichy France and the Holocaust have looked at the rescue of Jews by those prepared to risk everything to escort them to safety in the border regions and even fewer have considered Jewish rescue of Jews specifically of Jewish children by women This work will be arguably the first book in which the experiences and efforts of a number of female rescuers all of whom knew or knew of each other have been brought together in a single volume with the object of honoring their memory and showing how the value of human life was sustained through the Holocaust Focusing on a number of young Jewish women who defied the Nazis this narrative highlights their courage and sacrifice in their efforts to rescue Jews in France during World War II Additionally it shows how these French women responded to Nazi and Vichy France policies of deportation through resistance activities This is a story that will captivate anyone with an interest in the innate goodness of human beings that can shine even when confronted with the darkest expressions of depravity that occurred during the Holocaust

A "Jewish Marshall Plan" Laura Hobson Faure,2022-02-01 While the role the United States played in France s liberation from Nazi Germany is widely celebrated it is less well known that American Jewish individuals and organizations mobilized to reconstruct Jewish life in France after the Holocaust In *A Jewish Marshall Plan* Laura Hobson Faure explores how American Jews committed themselves and hundreds of millions of dollars to bring much needed aid to their French coreligionists Hobson Faure sheds light on American Jewish chaplains members of the Armed Forces and those involved with Jewish philanthropic organizations who sought out Jewish survivors and became deeply entangled with the communities they helped to rebuild While well intentioned their actions did not always meet the needs and desires of the French Jews *A Jewish Marshall Plan* examines the complex interactions exchanges and solidarities created between American and French Jews following the Holocaust Challenging the assumption that French Jews were passive recipients of aid this work reveals their work as active partners who negotiated their own role in the reconstruction process

*From Day to Day* Odd Nansen,2021-04-30 This new hardcover edition of Odd Nansen s diary the first in over sixty five years contains extensive annotations and other material not found in any other hardcover or paperback versions Nansen a Norwegian was arrested in 1942 by the Nazis and spent the remainder of World War II in concentration camps Grini in Oslo Veidal above the Arctic Circle and Sachsenhausen in Germany For three and a half years Nansen kept a secret diary on tissue paper thin pages later smuggled out by various means including inside the prisoners hollowed out breadboards Unlike writers of retrospective Holocaust memoirs Nansen recorded the mundane and horrific details of camp life as they happened from day to day With an unsparing eye Nansen described the casual brutality and random terror that was the fate of a camp prisoner His entries reveal his constantly frustrated hopes for an early end to the war his longing for his wife and children his horror at the especially barbaric treatment reserved for Jews and his disgust at the anti-Semitism of some of his fellow Norwegians Nansen often confronted his German jailors with unusual outspokenness and sometimes with a sense of humor and absurdity that was not appreciated by his captors After the Putnam s edition received rave reviews in 1949 the book fell

into obscurity In 1956 in response to a poll about the most undeservedly neglected book of the preceding quarter century Carl Sandburg singled out *From Day to Day* calling it an epic narrative which took its place among the great affirmations of the power of the human spirit to rise above terror torture and death Indeed Nansen witnessed all the horrors of the camps yet still saw hope for the future He sought reconciliation with the German people even donating the proceeds of the German edition of his book to German refugee relief work Nansen was following in the footsteps of his father Fridtjof an Arctic explorer and humanitarian who was awarded the Nobel Peace Prize in 1922 for his work on behalf of World War I refugees Fridtjof also created the Nansen passport for stateless persons Forty sketches of camp life and death by Nansen an architect and talented draftsman provide a sense of immediacy and acute observation matched by the diary entries The preface is written by Thomas Buergenthal who was Tommy the ten year old survivor of the Auschwitz Death March whom Nansen met at Sachsenhausen and saved using his extra food rations Buergenthal author of *A Lucky Child* formerly served as a judge on the International Court of Justice at The Hague and is a recipient of the 2015 Elie Wiesel Award from the US Holocaust Memorial Museum

**Les Parisiennes** Anne

Sebba,2016-10-18 What did it feel like to be a woman living in Paris from 1939 to 1949 These were years of fear power aggression courage deprivation and secrets until finally renewal and retribution Even at the darkest moments of Occupation with the Swastika flying from the Eiffel Tower and pet dogs abandoned howling on the streets glamour was ever present French women wore lipstick Why It was women more than men who came face to face with the German conquerors on a daily basis perhaps selling them their clothes or travelling alongside them on the Metro where a German soldier had priority over seats By looking at a wide range of individuals from collaborators to resisters actresses and prostitutes to teachers and writers Anne Sebba shows that women made life and death decisions every day and often did whatever they needed to survive Her fascinating cast of characters includes both native Parisian women and those living in Paris temporarily American women and Nazi wives spies mothers mistresses and fashion and jewellery designers Some women like the heiress B atrice de Camondo or novelist Ir ne N mirovsky converted to Catholicism others like lesbian racing driver Violette Morris embraced the Nazi philosophy only a handful like Coco Chanel retreated to the Ritz with a German lover A young medical student Anne Spoerry gave lethal injections to camp inmates one minute but was also known to have saved the lives of Jews But this is not just a book about wartime In enthralling detail Sebba explores the aftershock of the Second World War and the choices demanded How did the women who survived to see the Liberation of Paris come to terms with their actions and those of others Although politics lies at its heart Les Parisiennes is a fascinating account of the lives of people of the city and specifically in this most feminine of cities its women and young girls From publisher s website The Survival of the Jews in France, 1940-44 Jacques Semelin,2018-12-01 Between the French defeat in 1940 and liberation in 1944 the Nazis killed almost 80 000 of France s Jews both French and foreign Since that time this tragedy has been well documented But there are other stories hidden within it ones neglected by historians In fact 75% of France s Jews escaped the extermination while 45% of the Jews of Belgium perished and in the Netherlands only 20% survived The Nazis were determined to destroy the Jews across Europe and the Vichy regime collaborated in their deportation from France So what is the meaning of this French exception Jacques Semelin sheds light on this French enigma painting a radically unfamiliar view of occupied France His is a rich even handed portrait of a complex and changing society one where helping and informing on one s neighbours went hand in hand and where small gestures of solidarity sat comfortably with anti Semitism Without shying away from the horror of the Holocaust s crimes this seminal work adds a fresh perspective to our history of the Second World War Who Will Rescue Us? Laura Hobson Faure,2025-02-25 The first account of Jewish children s flight from Nazi Germany to France and their subsequent escape to America from the Vichy regime At the eve of the Second World War an estimated 1 6 million Jewish children lived in Nazi occupied Europe While 10 000 of them escaped to Britain in the Kindertransport only some 500 found a new home in France Here they attempted to begin again but their refuge would all too soon become a trap For the first time Laura Hobson Faure brings to life the experiences of these children and the Jewish and non Jewish organizations

who helped them Drawing on survivors testimonies as well as children s diaries letters drawings songs and poems Who Will Rescue Us re creates their complex journeys including how some of them eventually found safety in America Hobson Faure paints a moving portrait of these children and their escape uncovering their agency in the flight from Nazism and knits together the network of the many who aided them along the way
