Gibson,2013-09-13 The study of sport tourism is on the cusp of moving from a descriptive phase of research into an analytical phase Consequently many academics and graduate students are searching for theories upon which to ground their work This book draws upon theories and concepts from sociology and anthropology the socio cultural perspective sport and tourism studies and business studies One of the dangers of a new area of study is that the body of knowledge is built on a range of seemingly unrelated studies By grounding work in a theoretical perspective future work can be linked to and contribute to building a cohesive understanding of various aspects of sport tourism This book is an edited collection written by some of the top scholars working in a particular domain throughout the world providing a compendium of theories and concepts that can be used to frame research on various aspects of sport tourism This volume was previously published as a special issue of the journal Sport in Society **An SPSS Guide for Tourism, Hospitality and Events Researchers** Rahul Pratap Singh

Kaurav,Dogan Gursoy,Nimit Chowdhary,2020-12-14 This is the first book to provide the student of tourism hospitality and events with all that they need to undertake statistical analysis using SPSS for research in their industry Employing examples directly from the tourism hospitality and events sector it provides a comprehensive explanation on how appropriate statistical tools and methods can be identified for this research context and provides a step by step demonstration on how to carry out the chosen statistical operations Each chapter opens with a sector specific case study reflecting current research trends and issues from a range of different countries that are affecting the industry today It is followed by an examination of the SPSS procedures relating to the case study and various solutions are offered The implementation of clear step by step demonstrations on how to carry out statistical operations using a combination of screenshots diagrams and tables aids the reader s understanding Chapters close with thorough guidance on how to appropriately write up interpretations of the research in a report Research implications and recommendations for tourism and hospitality businesses are also provided to enable them to successfully create and manage research strategies in action Adopting an interdisciplinary perspective and

written by a range of industry experts from all over the globe this book will be essential for all students and researchers in the field of tourism hospitality and events as well as all those in related fields with an interest in statistical data analysis

Leisure, Sport and Tourism, Politics, Policy and Planning, 4th Edition A J Veal, 2017-05-05 The gap between theory and practice in the leisure sport and tourism studies areas seems to have widened as scholars have become more specialized Nevertheless it is imperative that students be as familiar as possible with a wide range of social and political theory and also be able to reconcile that knowledge with their own current and future roles as practicing professionals As well as extensive updating of sources this new edition examines such topics as libertarianism theocracy anti establishment politics and the concept of generations A new chapter presents discussions of a number of issues and challenges facing the leisure sport and tourism sector Introducing the subject for undergraduate and postgraduate students of leisure sport and tourism this book is also a useful addition to the shelf of any policy maker or practitioner within the industries Understanding Sport

Organizations Trevor Slack, Terri Byers, Alex Thurston, 2021 Textbook for graduate and upper undergraduate courses in organizational theory and organizational behavior as it relates to sport and sport recreation management degree programs reference for practicing sport managers around the world **The Oxford Handbook of Sport and Society** Lawrence A. Wenner, 2022 The Oxford Handbook of Sport and Society is the premier comprehensive and interdisciplinary work for readers looking to understand key areas of inquiry about the role and impacts of sport in contemporary culture Through fifty seven chapter treatments from leading international scholars on sport s impact on key aspects of our lives the Handbook is essential reading for any reader trying to understand the outsized ways in which sport has become more than a game

Rural Tourism Katherine Dashper, 2015-01-12 Rural regions are experiencing fundamental challenges to their ways of life and social fabric as traditional land based occupations are in decline and younger and better educated rural residents migrate to cities for greater work social and cultural opportunities Rural tourism offers a possible solution to the problems associated with lost economic opportunities and population decline that accompany the waning of agriculture Many governments and regional authorities have embraced rural tourism as an opportunity to bring new money into rural regions stimulating growth providing employment opportunities and thus beginning to halt rural decline However the possibilities of rural tourism to promote rural regeneration have been criticised for being over stated and unrealistic Rural tourism has frequently been found to under deliver in terms of expected economic benefits and job creation and may sometimes exacerbate local hierarchies and inequalities This edited collection questions the contribution tourism can and does make to rural regions Drawing on a range of geographically diverse research driven case studies the book is thematically organised to explore a variety of issues relevant to rural tourism from the perspectives of local communities businesses government policy makers and the tourists themselves

Contemporary Sport Management 6th Edition Pedersen, Paul M., Thibault, Lucie, 2019 Thoroughly updated Contemporary Sport Management Sixth Edition offers a complete and contemporary overview of the field It addresses the professional component topical areas that must be mastered for COSMA accreditation and it comes with an array of ancillaries that make instruction organized and easy

Sport Management Karen Bill, 2009-04-27 This is a core text for all those on Sport Management and Sports Studies courses It examines both traditional business elements and the new functional areas of management in sport Key chapters on marketing finance entrepreneurship and event management are included and the book as a whole provides a critical understanding of the complex and dynamic relationship

between sport business and management The reader is supported through accessible theoretical explanation real life examples and case studies learning activities and guidance on further study **Active Sport Tourism** Heather J. Gibson,Matthew Lamont,Millicent Kennelly,Richard J. Buning,2020-05-21 This volume serves to expand theory driven understandings of active sport tourism by showcasing five empirical studies examining a variety of active sport tourism contexts These include table tennis at the World Veteran s Championships ultramarathon running cycling triathlon skiing snowboarding and a range of issues such as active ageing and travel related carbon footprints The volume also seeks to explore possibilities for future directions in active sport tourism and act as a catalyst for ongoing scholarly inquiry Travelling to take part in active sporting pursuits is growing in popularity around the world Active sport tourism encompasses travel to participate in a myriad sports as well as in competitive participatory sport events Much of the recent growth in active sport tourism is associated with travel to compete in participatory sport events notably the big city international marathon events amateur running triathlon and cycling events Masters Games and team sport tournaments While the broader sport tourism research literature has tended to focus on spectator oriented sports events particularly the mega events such as the Olympic Games it is only recently that a concerted research agenda in active sport tourism has emerged making this volume innovative and relevant This book was originally published as a special issue of the Journal of Sport Tourism
