Hispanics in the Workplace Stephen B. Knouse, Paul Rosenfeld, Amy L. Culbertson, 1992 Hispanics are the fastest growing minority in the United States and are filling an increasingly significant portion of the work force However despite these facts little or no research has been conducted to date to address this issue Until now The first in its field Hispanics in the Workplace presents a comprehensive exploration of Hispanic employment factors problems at work and work in the government and private sectors Contributors include notable researchers who uncover such specific topics as entry into employment work force characteristics recruiting and selection training and development special problems of women job satisfaction stress management the work ethic stereotyping and language barriers They address various opportunities and problems of Hispanics as they relate to the military civilians in the military the private sector and entrepreneurs If you are a professional academic or student of management organizational studies sociology human resources and or ethnic studies who wants to stay on the cutting edge of the field then this pathbreaker is for you **Department of Labor's Proposed Rule on Overtime Pay** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Departments of Labor, Health and Human Services, Education, and Related Agencies, 2004 **Monthly Labor Review**, 2001 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Indian and Pakistan Year Book and Who's who Sir Stanley Reed, 1928 Issues for 1919 47 include Who's who in India 1948 Who's who in India and Pakistan **The Punjabis in British Columbia** Kamala Elizabeth Nayar, 2012 Contrasting immigrant experiences in remote regions and metropolitan centres of Canada **The American People** Reynolds Farley, John Haaga, 2005-09-08 For more than 200 years America has turned to the decennial census to answer questions about itself More than a mere head count the census is the authoritative source of information on where people live the types of families they establish how they identify themselves the jobs they hold and much more The latest census taken at the cusp of the new millennium gathered more information than ever before about Americans and their lifestyles The American People edited by respected demographers Reynolds Farley and John Haaga provides a snapshot of those findings that is at once analytically rich and accessible to readers at all levels The American People addresses important questions about national life that census data are uniquely able to answer Mary Elizabeth Hughes and Angela O Rand compare the educational attainment economic achievement and family arrangements of the baby boom cohort with those of preceding generations David Cotter Joan Hermsen and Reeve Vanneman find that unlike progress made in previous decades the 1990s were a time of stability and possibly even retrenchment with regard to gender equality Sonya Tafoya Hans Johnson and Laura Hill examine a new development for the census in 2000 the decision to allow people to identify themselves by more than one race They discuss how people form multiracial identities and dissect the racial and ethnic composition of the roughly seven million Americans who chose more than one racial classification Former Census Bureau director Kenneth Prewitt discusses the importance of

the census to democratic fairness and government efficiency and notes how the high stakes accompanying the census count especially the allocation of Congressional seats and federal funds have made the census a lightning rod for criticism from politicians The census has come a long way since 1790 when U S Marshals set out on horseback to count the population Today it holds a wealth of information about who we are where we live what we do and how much we have changed The American People provides a rich detailed examination of the trends that shape our lives and paints a comprehensive portrait of the country we live in today A Volume in the Russell Sage Foundation Census Series The World's Work ,1920
