Rude Jokes For Rude Men:

Rude Jokes for Rude Men Randy Hooker, 1999-10-01 Suitable for men who are not easily shocked this book is something their mothers wouldn't want them read but it makes a suitable self purchase or gift **In the Company of Men** James Gruber, Phoebe Morgan, 2005 Despite over twenty years of discussion and study sexual harassment remains a significant problem in the workplace Current research focusing on organizational policy and women's career development often ignores the reality of male dominance prevalent in areas such as the military the police and firefighting occupations that see not only more frequent but also more severe harassment even sexual assault Meanwhile new evidence points to the fact that men are largely responsible not only for the harassment of women but for most harassment of other men as well This landmark collection of original essays investigates the links between male dominance and sexual harassment in light of new research and more complex understandings of masculinity Treated not merely as a matter of worker sex ratios but as an inherent element of workplace culture male dominance is observed from a variety of quantitative and qualitative approaches ranging from criminology and sociology to psychology and gender studies Integrating both men's and women's viewpoints research across occupational groups and studies from both the United States and Europe the chapters provide an invaluable international perspective into two inextricably intertwined problems rooted in cultural constructions of gender and institutional roles and processes Rationale of the Dirty Joke G. Legman, 2007-11-01 Why do people tell dirty jokes And what is it about a joke's dirtiness that makes it funny G Legman was perhaps the foremost scholar of the dirty joke and as legions of humor writers and comedians know his Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject More than two thousand jokes and folktales are presented covering such topics as The Female Fool The Fortunate Fart Mutual Mismatching and The Sex Machine These folk texts are authentically transcribed in their innocent and sometimes violent entirety Legman studies each for its historical and socioanalytic significance revealing what these jokes mean to the people who tell them and to the people who listen and laugh Here back in print is the definitive text for comedians and humor writers Freudian scholars and late night television enthusiasts Rationale of the Dirty Joke will amuse you offend you challenge you and disgust you all while demonstrating the intelligence and hilarity of the dirty joke *Rude Astronauts* Allen Steele, 2013-09-03 Short stories and science writing from a Robert A Heinlein Award winner Allen Steele is among the best St Louis Post Dispatch In *Rude Astronauts* Allen Steele presents some of his finest stories including the Diamondback Jack Trilogy and his first published story Live from the Mars Hotel along with excerpts of the nonfiction science writing with which he made his name In Steele's universe the stars are cold space is big and it's the normal people who make things interesting *Jewish Humor* Avner Ziv, 2017-09-08 The thirteen chapters in this book are derived from the First International Conference on Jewish Humor held at Tel Aviv University The authors are scientists from the areas of literature linguistics sociology psychology history communications the theater and Jewish studies They all try to understand different

aspects of Jewish humor and they evoke associations of a local logical nature with Jewish tradition This compilation reflects the first interdisciplinary approach to Jewish humor The chapters are arranged in four parts The first section relates to humor as a way of coping with Jewish identity Joseph Dorinson s chapter underscores the dilemma facing Jewish comedians in the United States These comics try to assimilate into American culture but without giving up their Jewish identity The second section of the book deals with a central function of humor aggression Christie Davies makes a clear distinction between jokes that present the Jew as a victim of anti Semitic attacks and those in which the approach is not aggressive The third part focuses on humor in the Jewish tradition Lawrence E Mintz writes about jokes involving Jewish and Christian clergymen The last part of the book deals with humor in Israel David Alexander talks about the development of satire in Israel Other chapters and contributors include Psycho Social Aspects of Jewish Humor in Israel and in the Diaspora by Avner Ziv Humor and Sexism The Case of the Jewish Joke by Esther Fuchs Halachic Issues as Satirical Elements in Nineteenth Century Hebrew Literature by Yehuda Friedlander Do Jews in Israel still laugh at themselves by O Nevo and Political Caricature as a Reflection of Israel s Development by Kariel Gardosh Each chapter in this volume paves the way for understanding the many facets of Jewish humor This book will be immensely enjoyable and informative for sociologists psychologists and scholars of Judaic studies
