

# Rudolf Hilferding

**Eugen von Böhm-Bawerk**

## **Rudolf Hilferding:**

*Rudolf Hilferding* William Smaldone, 1998 Until his death in a Gestapo prison cell Rudolf Hilferding was one of Europe's most prominent socialist theorists and politicians. A leading economic thinker in the European socialist movement and an important politician in the German Social Democratic Party, he served as Weimar finance minister at the height of the inflation of 1923 and again at the onset of the depression in 1928. At a time when Germany faced one economic and political crisis after another, he led social democracy's efforts to strengthen the republic and to achieve its socialist objectives. This finely crafted intellectual biography illustrates how Hilferding's personal and intellectual journey reflected the failures of social democracy in its confrontation with nazism and communism. After Hitler came to power in 1933, Hilferding went into exile and continued the struggle against the Nazis. Caught in the maelstrom of the French defeat in 1940, he was arrested by Vichy authorities and treacherously handed over to the Gestapo. Throughout his eventful life, Hilferding analyzed the central issues facing modern socialism, including the development of finance capitalism, the nature of imperialism, the path to socialism, and the organization of socialist parties. For Hilferding, democratic freedom was at the heart of the socialist project, and in rejecting the tyranny of both communism and fascism, he made important contributions to the debate on the nature of totalitarianism. His insights into Marxist theory and practice are still vital for understanding the development of socialism in the twentieth century.

*Rudolf Hilferding* Judith Dellheim, Frieder Otto Wolf, 2022-12-07 This revised and expanded book focuses on Hilferding's major work *Finance Capital*. In revisiting this influential book from a methodological point of view, both historical and intellectual, the authors affirm Hilferding's place in the Marxist tradition. Hilferding's ideas are used to criticise incumbent approaches in economics and enrich existing discussions and debates about the nature of modern capitalism. In doing so, this book highlights the importance of Hilferding's work in analysing and understanding modern capitalism and corporate developments. New material looking at Hilferding's economic journalism, debates around his work in Poland, and Eugene Varga's perspective on his work is also included. The book aims to explore Hilferding's central ideas on the political economy as well as its historical context and relation to Marx. It will be relevant to students and researchers interested in the political economy, the history of economic thought, and European politics.

*Karl Marx and the Close of His System* Eugen von Böhm-Bawerk, 1949

***Rudolf Hilferding*** Judith Dellheim, Frieder O. Wolf, 2020 This edited volume is focused on Hilferding's major work *Finance Capital*. In revisiting this influential book from a methodological point of view, both historical and intellectual, this book affirms Hilferding's place in the Marxist tradition. Hilferding's ideas are used to criticise incumbent approaches in economics and enrich existing discussions and debates about the nature of modern capitalism. In doing so, this book highlights the importance of Hilferding's work in analysing and understanding modern capitalism and corporate developments. The volume has contributions from a range of expert scholars addressing various aspects of Hilferding's arguments. It elaborates on Hilferding's central idea on the political economy as well as its historical

context and its relation to Marx Contributors move on to criticize Hilferding's views on the political economy and politics in general This book is relevant to those interested in the political economy the history of economic thought and European politics

Between Reform and Revolution David E. Barclay, Eric D. Weitz, 2002-09-01 The powerful impact of Socialism and Communism on modern German history is the theme which is explored by the contributors to this volume Whereas previous investigations have tended to focus on political intellectual and biographical aspects this book captures for the first time the methodological and thematic diversity and richness of current work on the history of the German working class and the political movements that emerged from it Based on original contributions from U S British and German scholars this collection address a wide range of themes and problems

**Marxian Economics** John Eatwell, Murray Milgate, Peter Newman, 1990 Each volume in this series includes a collection of authoritative essays from The New Palgrave A Dictionary of Economics selected by the Editors to illustrate the range and diversity of economics thought on a particular topic

**The First Socialization Debate (1918) and Early Efforts Towards Socialization** Jürgen Backhaus, Günther Chaloupek, Hans A. Frambach, 2019-05-30 This book discusses the 1918 European socialization debate its consequences and its relevance a century later Following the end of the First World War the disastrous social and economic situation facing Europe led to calls for socialization of central economic sectors as well as measures for the improvement of work conditions and social security This book rekindles the debate presenting the basic issues of socialization from different European countries and taking into account current developments The chapters track the socialism debate in Europe from its initial inception in 1918 and examine the ways in which it has shaped the public discourse in the years following drawing theoretical connections between the conditions that created the environment for the debate to begin and contemporary social and political trends This book will be of particular interest to graduate students and researchers of socioeconomics ethics the history of economic thought history and political science

Confronting Hitler William Smaldone, 2010-02-03 The stories of the individual men and women who led German Social Democracy's failed efforts to fend off the Nazi onslaught in 1933 have largely been lost in the wake of the cataclysmic war the Holocaust and the division of Europe that followed Hitler's victory Confronting Hitler recovers their stories and places them at center stage In a series of biographical essays focusing on the experiences of ten leading Social Democratic activists Smaldone examines their defeat in 1933 from the perspective of individuals enmeshed in political struggle This study reveals what aspects of these activists' lives were most important in shaping their political outlook during the republic's final crisis and it illustrates the key factors that guided their actions in the effort to keep the republic alive In addition the biographies raise the important issue of the degree to which the defeat of German Social Democracy in 1933 is comparable to the experiences of other democratic socialist movements in the twentieth century

*German Social Democracy and the Rise of Nazism* Donna Harsch, 1993 German Social Democracy and the Rise of Nazism

**Research in the History of Economic Thought and Methodology** Luca Fiorito, Scott Scheall, Carlos Eduardo

Suprinyak,2021-03-01 Volume 39A features a selection of essays presented at the 2019 Conference of the Latin American Society for the History of Economic Thought edited by Felipe Almeida and Carlos Eduardo Suprinyak as well as a new general research essay by Daniel Kuehn an archival discovery by Katia Caldari and Luca Fiorito and a book review by John Hall

**Reflections on the Future of Capitalism** Ramesh Chandra,2024-06-04 This book explores the ideas of nine renowned economists to present the evolution of economic thought on the development and trajectory of capitalism as a system The author shows how this diverse group of thinkers are linked by their thinking on the future role of capitalism in society and fleshes out the influences informing each economist s work With chapters dedicated to Karl Marx Joseph Schumpeter Thorstein Veblen Henry George Gunnar Myrdal Alfred Marshall Allyn Young J M Keynes and Amartya Sen the book aims to analyse contrasting views on the future of capitalism in historical perspective and make a critical assessment of their insights in contemporary contexts While considering the views of some thinkers such as Marx Schumpeter and Veblen who critiqued capitalism the book does not view capitalism beyond redemption nor is meant to be a critique of capitalism in its conclusions Rather it argues that thinkers like Marshall Myrdal Young and Keynes were more right in their optimism about the future prospects of capitalism than many others It argues that capitalism can be reformed through the democratic process in a more humane direction This can happen if democracy works for all and if discriminating privileges and crony capitalism are eschewed This book is valuable reading for scholars and students of economic history and the history of economic thought

**Multiculturalism and the Politics of Guilt** Paul Edward Gottfried,2004-01-02 Multiculturalism and the Politics of Guilt extends Paul Gottfried s examination of Western managerial government s growth in the last third of the twentieth century Linking multiculturalism to a distinctive political and religious context the book argues that welfare state democracy unlike bourgeois liberalism has rejected the once conventional distinction between government and civil society Gottfried argues that the West s relentless celebrations of diversity have resulted in the downgrading of the once dominant Western culture The moral rationale of government has become the consciousness raising of a presumed majority population While welfare states continue to provide entitlements and fulfill the other material programs of older welfare regimes they have ceased to make qualitative leaps in the direction of social democracy For the new political elite nationalization and income redistributions have become less significant than controlling the speech and thought of democratic citizens An escalating hostility toward the bourgeois Christian past explicit or at least implicit in the policies undertaken by the West and urged by the media is characteristic of what Gottfried labels an emerging therapeutic state For Gottfried acceptance of an intrusive political correctness has transformed the religious consciousness of Western particularly Protestant society The casting of true Christianity as a religion of sensitivity only toward victims has created a precondition for extensive social engineering Gottfried examines late twentieth century liberal Christianity as the promoter of the politics of guilt Metaphysical guilt has been transformed into self abasement in relation to the suffering just identified with racial cultural

and lifestyle minorities Unlike earlier proponents of religious liberalism the therapeutic statistes oppose anything including empirical knowledge that impedes the expression of social and cultural guilt in an effort to raise the self esteem of designated victims Equally troubling to Gottfried is the growth of an American empire that is influencing European values and fashions Europeans have begun he says to embrace the multicultural movement that originated with American liberal Protestantism s emphasis on diversity as essential for democracy He sees Europeans bringing authoritarian zeal to enforcing ideas and behavior imported from the United States Multiculturalism and the Politics of Guilt extends the arguments of the author s earlier After Liberalism Whether one challenges or supports Gottfried s conclusions all will profit from a careful reading of this latest diagnosis of the American condition

**An Intellectual Biography of N.A. Rozhkov** John A. González,2016-09-19 An Intellectual Biography of N A Rozhkov is the first English language study to follow Russia s most gifted and important historian to emerge from the school of V O Kliuchevskii through the transformative decades that bridged the nineteenth and twentieth centuries Rozhkov s early philosophical influences are examined to explain his radicalisation from middle class intellectual academic to Leninist Bolshevik to Menshevik social democrat His Marxist socialist beliefs landed him in gaol several times and eventually he was exiled to Siberia for a decade where he was able to refine his political worldview and develop his theory of historical development Critical of Lenin and the 1917 revolution he spent the last decade of his life being persecuted by the Bolshevik regime

**Henryk Grossman Works, Volume 3** Henryk Grossman,2021-11-01 Long awaited the first full translation of Henryk Grossman s The Law of Accumulation and Breakdown of the Capitalist System Being also a Theory of Crisis has been published in English It was the most important influential and yet most denounced of Grossman s works and recovers not only Marx s primary explanation of capitalism s economic crises and breakdown tendency but also his method in Capital

**Who's Who in Nazi Germany** Robert S. Wistrich,2013-07-04 Who s Who in Nazi Germany looks at the individuals who influenced every aspect of life in Nazi Germany It covers a representative cross section of German society from 1933 1945 and includes Nazi Party leaders SS Wehrmacht and Gestapo personalities civil service and diplomatic personnel industrialists churchmen intellectuals artists entertainers and sports personalities resistance leaders political dissidents critics and victims of the regime extensive biographical information on each figure extending into the post war period analysis of their role and significance in Nazi Germany an accessible easy to use A Z layout a glossary and comprehensive bibliography

**Business Cycles and Depressions** David Glasner,2013-12-16 Experts define review and evaluate economic fluctuations Economic and business uncertainty dominate today s economic analyses This new Encyclopedia illuminates the subject by offering 323 original articles on every major aspect of business cycles fluctuations financial crises recessions and depressions The work of more than 200 experts including many of the leading researchers in the field the articles cover a broad range of subjects including capsule biographies of leading economists born before 1920 Individual entries explore banking panics the cobweb cycle consumer durables the depression

of 1937 1938 Otto Eckstein Friedrich Engels experimental price bubbles forced savings lass Steagall Act Friedrich hagen qualitative indicators use of macro econometric models monetary neutrality Phillips Curve Paul Samuelson Say s law supply side recessions James Tokin trend and random wages Thorstein Veblen worker job turnover and more      **Fascism without Borders** Arnd Bauerkämper,Grzegorz Rossoliński-Liebe,2017-05-01 It is one of the great ironies of the history of fascism that despite their fascination with ultra nationalism its adherents understood themselves as members of a transnational political movement While a true Fascist International has never been established European fascists shared common goals and sentiments as well as similar worldviews They also drew on each other for support and motivation even though relations among them were not free from misunderstandings and conflicts Through a series of fascinating case studies this expansive collection examines fascism s transnational dimension from the movements inspired by the early example of Fascist Italy to the international antifascist organizations that emerged in subsequent years      **Police and Politics in Marseille, 1936-1945** Simon Kitson,2014-05-01 Simon Kitson s Police and Politics in Marseille 1936 1945 offers a history from below analysis of the attitude of the Marseille Police between the Popular Front and the Liberation of France Kitson highlights the specificities of policing France s largest port clientelism corruption a floating population and high levels of criminality including organised crime But he also demonstrates why many of his conclusions about Police attitude can be generalised to other parts of France and in so doing challenges many of the assumptions of the existing historiography Although they zealously hunted down Jews and communists the Police were not as reliable for the Vichy government as is commonly assumed and were undoubtedly far more involved in Resistance than most sectors of society      *From the Other Shore* André Liebich,1997 This book is an inquiry into the possibilities of politics in exile Russian Mensheviks driven out of Soviet Russia and their party stripped of legal existence functioned abroad in the West in Berlin Paris and New York for an entire generation For several years they also continued to operate underground in Soviet Russia Bereft of the usual advantages of political actors the Mensheviks succeeded in impressing their views upon social democratic parties and Western thinking about the Soviet Union The Soviet experience through the eyes of its first socialist victims is recreated here for the first time from the vast storehouse of archival materials and eyewitness interviews The exiled Mensheviks were the best informed and most perceptive observers of the Soviet scene through the 1920s and 1930s From today s perspective the Mensheviks analyses and reflections strikingly illuminate the causes of the failure of the Soviet experiment This book also probes the fate of Marxism and democratic socialism as it tracks the activities and writings of a remarkable group of men and women including Raphael Abramovitch Fedor and Lidia Dan David Dallin Boris Nicolaevsky Solomon Schwarz and Vladimir Woytinsky entangled in the most momentous events of this century Their contribution to politics and ideas in the age of totalitarianism merits scrutiny and their story deserves to be told      *Profiting Without Producing* Costas Lapavitsas,2014-02-04 Financialization is one of the most innovative concepts to emerge in the field of political economy

during the last three decades although there is no agreement on what exactly it is Profiting Without Producing puts forth a distinctive view defining financialization in terms of the fundamental conduct of non financial enterprises banks and households Its most prominent feature is the rise of financial profit in part extracted from households through financial expropriation Financialized capitalism is also prone to crises none greater than the gigantic turmoil that began in 2007 Using abundant empirical data the book establishes the causes of the crisis and discusses the options broadly available for controlling finance

As recognized, adventure as competently as experience not quite lesson, amusement, as without difficulty as covenant can be gotten by just checking out a book **Rudolf Hilferding** after that it is not directly done, you could bow to even more regarding this life, as regards the world.

We come up with the money for you this proper as competently as simple habit to get those all. We pay for Rudolf Hilferding and numerous books collections from fictions to scientific research in any way. in the course of them is this Rudolf Hilferding that can be your partner.

### **Rudolf Hilferding Introduction**

Rudolf Hilferding Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rudolf Hilferding Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rudolf Hilferding : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Rudolf Hilferding : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rudolf Hilferding Offers a diverse range of free eBooks across various genres. Rudolf Hilferding Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rudolf Hilferding Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rudolf Hilferding, especially related to Rudolf Hilferding, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rudolf Hilferding, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rudolf Hilferding books or magazines might include. Look for these in online stores or libraries. Remember that while Rudolf Hilferding, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rudolf Hilferding eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rudolf Hilferding full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rudolf Hilferding eBooks, including some popular titles.

## FAQs About Rudolf Hilferding Books

**What is a Rudolf Hilferding PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a Rudolf Hilferding PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a Rudolf Hilferding PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

**How do I convert a Rudolf Hilferding PDF to another file format?** There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

**How do I password-protect a Rudolf Hilferding PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
