## **Rule Of Democracy 1905 1914 1 2nd Edition:**

**Modern England, 1901-1984** Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England      *Modern England 1901-1970* Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth      **The Hague Conferences and International Politics, 1898-1915** Maartje Abbenhuis, 2018-10-18 Beginning with the extraordinary rescript by Tsar Nicholas II in August 1898 calling the world's governments to a disarmament conference this book charts the history of the two Hague peace conferences of 1899 and 1907 and the third conference of 1915 that was never held using diplomatic correspondence newspaper reports contemporary publications and the papers of internationalist organizations and peace activists Focusing on the international media frenzy that developed around them Maartje Abbenhuis provides a new angle on the conferences Highlighting the conventions that they brought about she demonstrates how The Hague set the tone for international politics in the years leading up to the First World War permeating media reports and shaping the views and activities of key organizations such as the inter parliamentary union the international council of women and the Institut de droit international Institute of International Law Based on extensive archival research in the Netherlands Great Britain Switzerland and the United States alongside contemporary publications in a range of languages this book considers the history of the Hague conferences in a new way and presents a powerful case for the importance of The Hague conferences in shaping twentieth century international politics      *Balfour* Sydney H. Zebel, 1973-05-10 This biography analyses the long political career of Arthur James Balfour 1848 1930 the Conservative politician who became the first Earl of Balfour Professor Zebel stresses the extraordinary nature of Balfour's career divided as it was into two specific periods The first dating from his entry into Parliament in 1874 and his rapid advancement as a result of family connections comprised his period as Chief Secretary for Ireland in which he distinguished himself with his policy of killing Home Rule with kindness his leadership of the Unionists in the House of Commons and his premiership from 1902 to 1905 in succession to his uncle Lord Salisbury The second beginning in 1914 followed the period of political retirement which resulted from his party's defeat in the 1906 elections and his own loss of the party leadership in 1911 It was the more constructive      *Waging War and Making Peace* Matthew D'Auria, Rolf Petri, Jan Vermeiren, 2024-12-02 The history of Europe is marked not only by violence and division but also by efforts to reduce the destructiveness of war In this volume the authors explore the meaning of Europe within war and peace discourses from the eighteenth to the twentieth centuries They examine imagined wars the post 1815 security order the portrayal of Russian and Muslim Others double standards in international law pacifist rhetoric and the role of Europe in war propaganda and resistance movements The authors demonstrate how both war and peace practices have shaped the

concept of Europe over time      *Robert Frost and the Politics of Poetry* Tyler Hoffman, 2001 A powerful and persuasive new reading of Frost as a poet deeply engaged with both the literary and public politics of his day      **The Greenian Moment** Denys P. Leighton, 2015-11-30 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green s Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green s thought is acknowledged it is argued that indigenous qualities of Green s teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green s beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green s influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green s teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought      *The Greenian Moment* Denys Leighton, 2004 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green s Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green s thought is acknowledged it is argued that indigenous qualities of Green s teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green s beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green s influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green s teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought      **Corporate Policing, Yellow Unionism, and Strikebreaking, 1890-1930** Matteo Millan, Alessandro Saluppo, 2020-12-28 This book provides a comparative and transnational examination of the complex and multifaceted experiences of anti labour mobilisation from the bitter social conflicts of the pre war period through the epochal tremors of

war and revolution and the violent spasms of the 1920s and 1930s It retraces the formation of an extensive market for corporate policing privately contracted security and yellow unionism as well as processes of professionalisation in strikebreaking activities labour espionage and surveillance It reconstructs the diverse spectrum of right wing patriotic leagues and vigilante corps which in support or in competition with law enforcement agencies sought to counter the dual dangers of industrial militancy and revolutionary situations Although considerable research has been done on the rise of socialist parties and trade unions the repressive policies of their opponents have been generally left unexamined This book fills this gap by reconstructing the methods and strategies used by state authorities and employers to counter outbreaks of labour militancy on a global scale It adopts a long term chronology that sheds light on the shocks and strains that marked industrial societies during their turbulent transition into mass politics from the bitter social conflicts of the pre war period through the epochal tremors of war and revolution and the violent spasms of the 1920s and 1930s Offering a new angle of vision to examine the violent transition to mass politics in industrial societies this is of great interest to scholars of policing unionism and striking in the modern era

A Social History of England 1851-1990 Francois Bedarida, 2013-06-17 In this the second edition of A Social History of England Francois B darida has added a new final chapter on the last fifteen years The book now traces the evolution of English society from the height of the British Empire to the dawn of the single European market Making full use of the Annales school of French historiography B darida takes his inquiry beyond conventional views to penetrate the attitudes behaviour and psychology of the British people

**Grand Pursuit** Sylvia Nasar, 2011-09-13 In a sweeping narrative the author of the megabestseller A Beautiful Mind takes us on a journey through modern history with the men and women who changed the lives of every single person on the planet It s the epic story of the making of modern economics and of how economics rescued mankind from squalor and deprivation by placing its material fate in its own hands rather than in Fate Nasar s account begins with Charles Dickens and Henry Mayhew observing and publishing the condition of the poor majority in mid nineteenth century London the richest and most glittering place in the world This was a new pursuit She describes the often heroic efforts of Marx Engels Alfred Marshall Beatrice and Sydney Webb and the American Irving Fisher to put those insights into action with revolutionary consequences for the world From the great John Maynard Keynes to Schumpeter Hayek Keynes s disciple Joan Robinson the influential American economists Paul Samuelson and Milton Freedman and India s Nobel Prize winner Amartya Sen she shows how the insights of these activist thinkers transformed the world from one city London to the developed nations in Europe and America and now to the entire planet In Nasar s dramatic narrative of these discoverers we witness men and women responding to personal crises world wars revolutions economic upheavals and each other s ideas to turn back Malthus and transform the dismal science into a triumph over mankind s hitherto age old destiny of misery and early death This idea unimaginable less than 200 years ago is a story of trial and error but ultimately transcendent as it is rendered here in a stunning and moving narrative

**The Thirty-nine**

**Steps** John Buchan,1999 The original and best adventure story ever told with spies thrilling chase scenes and explosions With an Introduction by Stella Rimington May 1914 Britain is on the eve of war with Germany Richard Hannay is living a quiet life in London but after a chance encounter with a mysterious stranger he stumbles into a hair raising adventure a desperate hunt across the country and against the clock pursued by the police and a cunning ruthless enemy Hannay s life and the security of Britain are in grave peril and everything rests on the solution to a baffling enigma what are the thirty nine steps

*Class Society at War* Bernard Waites,2014-03-04 Research into the impact of the First World War on European societies has recently begun on a major scale and Dr Waites has been one of the pioneers in this field in Britain His book considers the War s effects on such major issues as popular images of class the distribution of income and wealth in society social relations within the working class class consciousness and the educational experiences of children from different backgrounds This study is noteworthy not only for its wide range of hitherto unpublished sources but also for its attempt to bring social theory to bear upon the study of class relations in England during the first of this century s total wars

**The Life of George Ranken Askwith, 1861-1942** Alison Heath,2015-10-06 George Ranken Askwith was a key figure in the development of British industrial relations This new biography is based on a wide range of archival sources including government records newspaper articles Askwith s personal correspondence and his wife s private diaries

**Bonar Law** Andrew Taylor,2006-10-01 Part of the Prime Ministers Series Law was a Conservative who opposed Home rule for Ireland

*Liberalism and Naval Strategy* Bernard Semmel,2023-05-26 Liberalism and Naval Strategy 1986 examines the role that liberalism played in shaping the naval strategy of the Pax Britannia Liberalism was linked to commercial interest and the devotion of the middle classes to peaceful commerce and their suspicion of force as government policy helped to inform critical choices The traditional British naval strategy of the mercantilist era persisted into the early

nineteenth century when the Royal Navy's policing of the seas against piracy and the slave trade antagonized trade rivals particularly America. By the 1850s Britain granted immunity to neutral shipping after much debate with some of the century's leading thinkers including Mill and Marx taking prominent parts in the naval controversies. This book examines these events as well as the writings of contemporary naval strategists including the Colomb brothers. It also discusses the strategic posture of the Admiralty and its opponents before and during the war against Germany in 1914. *the cambridge history* Glenn K. Horridge, 1987

**A Treatise on Northern Ireland, Volume I** Brendan O'Leary, 2019-04-11 This brilliantly innovative synthesis of narrative and analysis illuminates how British colonialism shaped the formation and political cultures of what became Northern Ireland and the Irish Free State. A Treatise on Northern Ireland Volume I provides a somber and compelling comparative audit of the scale of recent conflict in Northern Ireland and explains its historical origins. Contrasting colonial and sectarianized accounts of modern Irish history, Brendan O'Leary shows that a judicious meld of these perspectives provides a properly political account of direct and indirect rule and of administrative and settler colonialism. The British state incorporated Ulster and Ireland into a deeply unequal Union after four reconquests over two centuries had successively defeated the Ulster Gaels, the Catholic Confederates, the Jacobites, and the United Irishmen and their respective European allies. Founded as a union of Protestants in Great Britain and Ireland rather than of the British and the Irish nations, the colonial and sectarian Union was infamously punctured in the catastrophe of the Great Famine. The subsequent mobilization of Irish nationalists and Ulster unionists and two republican insurrections amid the cataclysm and aftermath of World War I brought the now partly democratized Union to an unexpected end, aside from a shrunken rump of British authority baptized as Northern Ireland. Home rule would be granted to those who had claimed not to want it after having been refused to those who had ardently sought it. The failure of possible federal reconstructions of the Union and the fateful partition of the island are explained and systematically compared with other British colonial partitions. Northern Ireland was invented in accordance with British interests to resolve the hereditary animosities between the descendants of Irish natives and British settlers in Ireland. In the long run, the invention proved unfit for purpose. Indispensable for explaining contemporary institutions and mentalities, this volume clears the path for the intelligent reader determined to understand contemporary Northern Ireland. *The Bookseller*, 1952-07
