Rules For Roommates The Ultimate Guide To Reclaiming Your Space And Your Sanity:

Rules for Roommates Mary Lou Podlasiak,2000-09 What could be more fun than having a roommate If you re living with a perpetrator of offensive behavior you can probably think of a hundred reasons why you d rather be flying solo Unfortunately something as trivial as an acid comment about your latest romantic interest can eventually lead to the need for a cease fire But still the benefits can outweigh the risks Cohabitation can lessen the burden of financial responsibilities enrich our social lives provide emotional support and even add a certain degree of physical safety If nothing else you ll have someone nearby when you feel the need to check under your bed at night Whether you re already there or not something can be learned from those who have prevailed as well as those who have chosen to jump ship Through their experiences you will be able to identify the counterproductive things we do that sabotage what could otherwise be a very rewarding relationship
