how the power game of success can be played to your advantage Drawing on the lore of gangsters hustlers and hip hop artists as well as 50 Cent s business and artistic dealings the authors present the Laws of 50 revealing how to become a master strategist and supreme realist Success comes from seeking an advantage in each and every encounter and The 50th Law offers indispensable advice on how to win in business and in life      *Women In Korean Politics* Chunghee Sarah Soh,2021-12-24 A study of women in South Korean politics Through life histories elicited by interviews and supplemented by published materials Soh studies 29 women who were elected or appointed to the South Korean legislature She asks who these chosen women are how they attained their positions and what motivated them In doing so she attempts to illuminate the systematic limits to female life in Korean culture      *The Pentecostal World* Michael Wilkinson,Jörg Haustein,2023-04-01 The Pentecostal World provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement s inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research The Pentecostal World is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies and gender studies      **A Myth of Innocence** Burton L. Mack,1991 This imaginative book is not just a study of the Gospel of Mark but of primitive Christianity in all its variegated forms for which it represents a new paradigm It deserves serious reflection and discussion at several levels in a variety of contexts by quite diversified discussion partners James M Robinson Professor Emeritus Claremont Graduate University This is an epic making work because it turns scholarship on its head Mack asks questions not about origins but about social meaning The entire conception of what we want to know why we want to know it and how we shall find it out is new and compelling Jacob Neusner Bard College A Myth of Innocence is the most penetrating historical work on the origins of Christianity written by an American scholar in this century Its strikingly innovative feature is the recombination of literary and social histories and the placement of diverse Jesus movements into their respective social contexts Werner H Kelber The Catholic Biblical Quarterly      **Learning by Heart** Tony Wagner,2021-04-06 A page turner With candor and clarity Tony Wagner tells the story of his

remarkable life and in so doing tells the story of our education system Angela Duckworth Founder and CEO Character Lab and New York Times bestselling author of Grit One of the world's top experts on education delivers an uplifting memoir on his own personal failures and successes as he sought to become a good learner and teacher Tony Wagner is an eminent education specialist he has taught at every grade level from high school through graduate school worked at Harvard done significant work for the Bill and speaks across the country and all over the world But before he found his success Wagner was kicked out of middle school expelled from high school and dropped out of two colleges Learning by Heart is his powerful account of his years as a student and teacher After struggling in both roles he learned to create meaningful learning experiences despite the constraints of conventional schooling initially for himself and then for his students based on understanding each student's real interests and strengthening his or her intrinsic motivations Wagner's story sheds light on critical issues facing parents and educators today and reminds us that trial and error resilience and respect for the individual are at the very heart of all teaching and learning      *The Christian Union* Henry Ward Beecher, 1890
