Ego shaves the vibrancy edges off of life dulling life's inherent wonder dampening one's love of humanity while concurrently dimming the beauty of the world Self reinstates life's vibrant glory as Self consciousness recognizes its love for its own creation and in doing so falls deeper and deeper back in love with itSelf ever more enhancing the vibrancy of the mystery of life Knowing the difference between who you are and what you have mistaken yourself to be eliminates the ever fluctuating life fragmenting ego leaving only a permanent aware presence that re illuminates the vibrant wholeness of life that has always been all to re establish the eternal wondrous awe that has not been witnessed since childhood Love Outpouring is a gracious invitation from yourSelf to yourSelf to expose the ever present happiness that is already inherent within You so that you may experience directly again the perplexing awe of life You have written yourSelf this book for the purpose of giving yourSelf the permission to fall back in love with yourSelf and allow yourSelf to unavoidably shine your love light upon the world as brightly as possible the greatest gift you or anyone can share with humanity Teaching Buddhism Todd Lewis, Gary Delaney DeAngelis, 2017 Buddhist studies is a rapidly changing field of research constantly transforming and
