Rumi Fragments Ecstasies:

Rumi Jelaluddin Rumi, 1999-05 The fragments collected here include the essence of Rumi's teaching distilled from over 60 000 verses composed by the 13th century Sufi master Jelaluddin Rumi may be the greatest poet the world has known and is the most widely read poet today seven centuries after his death The secret of this mystery lies within these pages The poems of the Sufis of Persia and elsewhere such as Hafiz and Jami Rumi and Farid ud Din Attar are not only philosophical statements but they are written from beginning to end in admiration of beauty And if one were to dive deep into their every verse one would find that each one is equal to a hundred books full of philosophy Why Because their souls have been moved to dance at the sight of beauty What they have expressed in their words is living burning full of beauty It penetrates the one who can feel it who can admire it Jelaluddin Rumi gave a new life and a new form to the mystic current and it is from his time that the Sufi mystic culture spread throughout the world He is the first mystic who came forward in the world and said that the essence of spirituality is the quality of heart No mystic will ever say it as Rumi has Whether you love man or whether you love God at the end of your destiny you will be brought before the King of love The difference between Jelaluddin Rumi's work and the work of the great Hafiz of Persia is that Hafiz has pictured the outer life whereas Rumi has pictured the inner life And if I were to compare the three greatest poets of Persia I would call Sa di the body of the poet Hafiz the heart of the poet and Rumi the soul of the poet

Within the Heart of Hearts Llewellyn Vaughan-Lee, 2015-05-01 Within the Heart of Hearts is a journey into the mystical secrets of the heart Designed to be read like a medieval book of hours it uses prose poetry and images as a series of meditations on the stages of love's mystical journey from the initial experience of searching and the heart's longing to the ecstatic union with God the lover united with the Beloved This simple but powerful description of the Sufi journey reminds us of this living tradition of divine love Beautiful images speak directly to the soul as do the poems that touch the heart Here is the poetry of Rumi Hafiz

Ibn Arabi and other Sufi masters placed within the context of the stages of the heart's opening to God. Speaking the universal language of love, they allow each of us to feel the mystery, wonder, and bliss that belongs to the heart of hearts, the mystical secret that is hidden within us. They draw us deep within our own heart where this intoxicating relationship of lover and Beloved takes place. The popularity of Rumi has shown a thirst in the West for mystical love. This small book is a way to drink deeply of this wine of love, this tradition of lovers of God. Written by a contemporary Sufi, *Within the Heart of Hearts* is based upon a lived experience of the Sufi path and the inner experiences of the heart, a gentle and uplifting introduction to the mystical ground of being, weaving the voices of legendary Sufi poets such as Rumi, Hafiz, Rabi'a, Ghalib, Abu Sa'id, and Nizami. Reading this book is like sitting in a circle of ancient pilgrims as they share their inner journeys on a mountain at sunrise.

He dives into the deep ocean of classical Sufi teachings and comes up again and again with pearls of beauty that speak to our hearts today. This is more than merely translating; it is that rare ability to re-present teachings here and now. Recommended for spiritual seekers who are drawn to the path of Divine love.

The poems Llewellyn Vaughan Lee has gathered here, activated by his own distilled reflections and illumined by Anat.

Vaughan Lee's luminous images have the power to awaken the heart's deepest longing and simultaneously meet the heart's highest hopes for union with the Beloved. I wept my way through this encounter and I am not the same.

Gillian Rose 1947-1995 was a highly original, enigmatic, and pugnacious thinker whose work draws together Continental philosophy, sociology, modern/post-modern Jewish and Christian reflection on ethics. She was also famously a convert to Christianity, baptised into the Church of England on her deathbed from Judaism. She has been a major influence on many contemporary thinkers, not least on the thought of the Archbishop Rowan Williams. Her writings are teasingly poetic, often forbiddingly difficult, and yet at the same time vividly accessible, at any rate through her widely praised memoir *Love's Work*. Here a Church of England priest writes about Rose's thought as it relates to the future of the Church; she eventually joined. A significant philosopher of this century, they believe her thinking implicitly points towards a new form of Christian self-understanding. This captivatingly well-written book is the first major study of Gillian Rose's thought from a theological point of view. It aims to make the work of this highly complex thinker accessible to a wider readership.
