**(Re)Interpretations** Lisa Dresdner, Laurel S. Peterson, 2009-01-14 Patriarchal institutions govern all aspects of women's lives their minds their bodies and their souls Additionally they govern the ways in which women are perceived by others and the ways in which women perceive themselves *Re Interpretations The Shapes of Justice in Women's Experience* is a collection of essays on language religion war sex trafficking and medicine the patriarchal structures that form the basis of western society and thus are in many ways inherently unjust The essays illustrate the multitude of ways that women have found to work within and without these structures to create justice Traditional theories of justice cast it as a cardinal virtue unbiased and impartial The essays in this book however remove justice from the abstract and return it to the specific most of the essays use personal narratives to highlight the connections all people share The women discussed here are challenging the authority of existing patriarchal narratives by telling their versions and thus
