## **Run Out My Dismissal And The Inside Story Of Cricket:**

**Professionalism and Commercialism in Australian Cricket** Malcolm Abbott, 2023-12-21 This book focuses on the development of cricket in Australia with a focus on the commercial and professional aspects of the game It takes a historical approach and analyses the reasons behind the ebbs and flows of commercialisation in the game It also applies economic analysis to help provide it with some original insights into the way in which the game is structured and has developed in Australia The book would be of interest to a range of people both in Australia and abroad who are interested in the manner in which sport in the modern world has become a commercialised pursuit

**An Island's Eleven** Nicholas Brookes, 2022-12-12 From Sathasivam to Sangakkara Murali to Malinga Sri Lanka can lay claim to some of the world's most remarkable cricketers larger than life characters who thumbed convention and played the game their own way More so than anywhere else in the world Sri Lankan cricket has an identity This is the land of pint sized swashbuckling batsman on the fly innovators and contorted cryptic spinners On the field of play Victorian ideals of the past collide with madcap tropical hedonism to create something dizzying Cricket is Sri Lanka and Sri Lanka is cricket We all know the story of the 96 World Cup how a team of unfancied amateurs rose from obscurity to the top the world doing so with such swagger that they changed the way the game was played Yet the lore of Sri Lankan cricket stretches back much further In the early days matches between colonists and locals imbued cricket with a nationalistic drive Ashes bound ships stopping over in Colombo brought the world's biggest stars from Bligh and Bradman to Grace and Grimmet More recently Sri Lanka has had to face the triumphs and tragedies that come when cash flows freely into the gentleman's game An Island's Eleven tells this story for the first time focusing on the characters and moments that have shaped the game forever

**Remapping the Future** Deb N. Bandyopadhyay, Paul Brown, 2014-03-17 The first decade of the twenty first century has seen an increasing trend in the field of Australian Studies for scholars to situate their research within a broader international context and conversation In some cases this involves exploring how concepts developed in other national contexts can be employed to illuminate aspects of the Australian experience in others the focus is on the transnational movement of people and ideas between Australia and the rest of the world This collection of essays represents a selection of this recent scholarship particularly in relation to conversations between scholars in Australia and India and was initiated under the auspices of the Indian Association for the Study of Australia Eastern Region The essays are drawn from a variety of disciplinary and interdisciplinary perspectives history literature film education sociology and politics cultural studies and environmental studies The papers collected in the volume are selections from the conference proceedings of an international conference on Re mapping the Future History Culture and Environment in Australia and India This volume particularly explores various intersections of history culture and environment in the discourse of cross cultural linkages between Australia and India It builds on the commonality of cultural networks the intercolonial history of encounter and exchange and the Indian diasporic presence in Australia and looks
