Forbidden Conversations Karen Brown, 2019-02-21

Forbidden Conversations is a book of themes crafted in poetic form to unveil the mysteries that lie deep within the human soul The journey through its pages are spiritual exposing invisible ties to the human heart It is the touch not taste not handle not unmasking of truths that affect us all Dare we venture inside ourselves to discover mistakes that have viciously stalked us guilt that has secretly imprisoned us and unforgiveness that has successfully robbed us Forbidden Conversations is the go to book to inspire conversations on topics that need to be addressed Its subjects will knock on the doors of the human heart to reveal secrets hidden within One only has to journey through its pages to discover a forbidden conversation needing to be given an opportunity to speak The heart knows and echoes a common phrase To thine own self be true Truth that manifests as an addiction dressed in persuasion leading us away from ourselves a decision that sounds great but just doesn't feel right or the rejection of not fitting innnever being chosen as a child to play and as an adult they still say We don't want you Let us consider those inside thoughts living in the world of our minds influencing the way we feel about others and ourselves Let's take the time to listen and beware of forbidden conversations that are taking place inside our heads all the time those subliminal voices telling us that we're not good enough and that we should give up and accept defeat Healthy thoughts are the key and if healthy thoughts how important are healthy words In essence our words are invisible matter birthed from the womb of our mouths with a purpose to become whatever we say

DeMint,2020-07-07 When Jim DeMint wrote Saving Freedom We Can Stop America s Slide into Socialism in 2009 he believed an energized and informed America could put the brakes on the progressive bus driven by big government backers What couldn t be foreseen was the devastating effect Barack Obama would have on our Constitutional Republic in eight years Since then an embedded force of anti Constitutionals in every branch of the federal government have worked virulently to crush any attempt to reorient the United States to its founding principles In Saving America from Socialism the facts about socialism are the same but after eight years of President Obama and high profile socialists leading the Democratic Party we now have a clearer picture of how socialism will impact our prosperity freedoms and rights America has never been more divided about what it means to be an American and this division is a key goal straight from the Socialist playbook We must have a new strategy for uniting and rescuing our nation from the inevitable decline from Socialist policies This book is your playbook to save America from socialism Thankfully Obama s replacement Donald Trump has provided a clear contrast between the results of socialism versus freedom
