**Through Europe** Erastus Cornelius Benedict, 1860 Run to the Battle Roberts Liardon, 2014-07-01 This volume combines three best selling books The Invading Force A Call to Action and Run to the Battle in their original form but updated for today s reader The prophetic message they bring is just as powerful and relevant today as it was when author Roberts Liardon first spoke it When you invade do not have second thoughts and retreat just invade You are in it to the death not your death but the devil s death Your attitude needs to be I am going to win or I am going to die fighting The Holy Spirit is bringing revival to the church and the church is rising up in a fresh anointing a holy faith and a Spirit led zeal to win the lost as never before If you are a believer who is serious about fulfilling God s call on your life and taking this world for Jesus Christ the truths in this new edition will transform you into a powerful soldier in God s army These three books in one provide the vital

information and wisdom you need to hear God s voice and Run to the Battle **Run** Heather Baxter, 2015-06-30 Winning the spiritual Race does not depend upon how fast you Run it is determined by how you Run There is a right way and wrong way to Run Having an organized Training plan is your only chance to make it to the Finish Line This book study will become a personal Training manual Run will give you instructions and resources that will equip you to win the Race The Christian life is often described as a Race one designed by God In it we are called to fulfill His purposes for us We need to be in spiritual shape Trying to run a marathon is very different from Training to run a marathon Lets get fit we cant quit when the going gets rough We can go through all the religious stunts but unless there is a desire to Train to be like Jesus few make it and many fall to defeat A great factor in success is consistency We may start out in front leading but if we do not stay consistent we become entangled in the affairs of this life God has called you to Run the Race set before you Fall on your knees through this study and embrace your Race Its possible to Run the entire Race and even cross the Finish Line only to realize you have been disqualified because you did not Run in such a way Life is not a game with no lasting consequences The way we Run has eternal consequences Lace up friend you have a Race to win **There's No Middle Ground, You Will Either Run to, or**
