*His Runaway Bride* Elina Emerald, 2025-07-04 This is a Stand Alone Novella When Lileas MacDonald flees her wedding to hide in a remote Scottish abbey she thinks she's escaped her unwanted marriage forever She was wrong After months of humiliation and wounded pride Laird Ewan MacNeil vows to bring his runaway bride to heel once and for all But the woman he finds isn't the meek maiden he expected She's a brilliant inventor with a penchant for whiskey brewing Their forced marriage was supposed to be a simple political alliance Instead it's becoming a battle of wits between a woman who can turn dirt into an explosive and a man who's beginning to think he's her next experiment When enemy clans discover Lileas possesses knowledge worth killing for suddenly her biggest problem isn't avoiding marriage it's avoiding kidnapping Between dodging Highland raiders and clan warfare can a reluctant bride and her long suffering groom find something worth fighting for TROPES Arranged Marriage Runaway Bride Enemies to Lovers Marriage of Convenience Forced Proximity Alpha Hero Genius Heroine Opposites Attract Mature Content NO cheating NO cliffhangers HEA Preview Sample *His Runaway Bride* by Elina Emerald 2025 Prologue Lileas MacDonald sat in her tower chamber surrounded by the beautiful chaos of her mind's work Parchments lay open beside bubbling bottles filled with herbs and spices while half drawn sketches and calculations covered every available surface Notes in her careful script were strewn across her bed like fallen leaves A clever blind of her own design shielded the window from harsh sunlight yet could be lowered to welcome fresh air inside It had taken her a fortnight to perfect but like everything else in her domain it eventually worked Her entire room told the story of an inventive spirit bits and pieces of projects works in progress innovations half completed as she tinkered and tested Ink and charcoal stained her fingers from endless hours of drawing and sketching new designs In one corner stood her small workshop where she had been perfecting the art of spiritsmaking for the local abbey Her father knew nothing of this endeavor He had sent her away often enough to be tutored by the nuns and they had done their job well while also giving her sharp mind room to flourish It was there she discovered the good sisters brewing their own uisge beatha and creating recipes for all manner of tinctures Lileas had absorbed it all like a sponge eager to learn every secret they would share If she could just perfect the proportions she believed she could distill spirits for the clan saving them coin and providing valuable goods for trade and barter But alas time had come when suddenly her life's work seemed of no consequence Somewhere in the midst of her dreams and discoveries she had been betrothed against her will Father please dinnae do this Lileas rose from her chair Dinnae marry me off so soon I would perish if I cannae be allowed the freedom to learn and study Her father began pacing before the window his heavy boots echoing against the stone floor It is already done He gestured sharply with his hand cutting through the air Tis time you put away your strange ways and produce bairns for a laird worthy of your upbringing Lileas stepped forward her arms outstretched in appeal So I am to be just a brood mare But I can do so much more than birthing children Her voice rose with desperation I've heard the MacNeils are brutish boorish men Why even

Connor the laird's brother is rumored to be vicious and cruel Tsk tis just rumors Her father waved dismissively his face reddening Dinnae pay them any mind Connor married that Finnigan lass and by all accounts she seems well enough Besides Ewan MacNeil is spoken of favorably and he appears to be a reasonable sort of man Lileas clasped her hands before her chest her eyes wide with hope But will he allow me to create things to continue studying with the nuns Her father whirled around to face her his expression thunderous As if any husband would allow that This is all my fault After your mother's death I indulged your peculiar ways too long But now tis time to do your duty for the clan Perhaps there is another woman he could marry Lileas reached out toward him her voice trembling No Her father's voice boomed through the chamber as he resumed his agitated pacing Tis you and you alone We need this alliance Lileas He stopped abruptly and pointed at her Dinnae be so selfish as to deny the entire clan good fortune for once Lileas moved closer gesturing toward the window and the lands beyond But I can help the clan in other ways Who told the farmers to rotate their crops for better yield I did and now we have grain aplenty She swept her arm toward her inventions scattered about the room Who created a better system for bringing water to the fields That was me Father Her father's shoulders sagged slightly before he straightened again his jaw set Aye ye did well lass but only because there were men who could do the work He shook his head his voice growing stern Without them your ideas would be nothing Lileas's hands clenched into fists at her sides her face flushing with indignation Without me they would have no ideas and we would have starved last winter Och enough Her father slammed his hand down on her work table making the bottles rattle I will not be contradicted on this You've been allowed too much freedom His eyes blazed as he leaned forward Now tis time you submit The marriage will proceed and that's final He turned on his heel and strode toward the door his cloak billowing behind him Lileas was seething as she paced the length of her chamber after her father departed All she could see before her were years of despair living under a tyrant's rule for it was true that any man she married would never understand her Even her own clan thought her daft She had watched her dearest friends succumb to arranged marriages babies and the never ending monotony of creating comfortable lives for their husbands She had long ago concluded that men were the beneficiaries of marriage rarely women Lileas knew in her very bones that if she were stifled from her creativity her soul would wither and die The lord had made her this way Surely he would not have given her such a curious mind if he had not intended her to use it With that conviction burning in her heart she made a plan It was really the only option left to her Exactly one week before her wedding day Lady Lileas MacDonald ran away

## **Runaway Bride Introduction**

In today's digital age, the availability of Runaway Bride books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Runaway Bride books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Runaway Bride books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Runaway Bride versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Runaway Bride books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Runaway Bride books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Runaway Bride books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast

collection of digitized books and historical documents. In conclusion, Runaway Bride books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Runaway Bride books and manuals for download and embark on your journey of knowledge?
