Runaway Plane:

Number One Chicken G C Soh, 2014-01-07 What if you are in your office minding your business and you receive news that a very dangerous man is in your midst And then what appears to be a world class dictator walks in There are things in life you cannot ignore For a bunch of motley characters the unexpected event ignited the strangest funniest manhunt on the Equator Then he barged straight in full of anticipation There was a small man slightly balding and in his late forties or early fifties looking into the very wide mirror on the wall He turned without saying anything to identify himself but his eyes gave him away They were so nervous they looked as if they were about to crack like glass Then the small man put his hand into his shirt pocket At that moment a man in his twenties walked into the washroom whistling a tune casually The small man froze and took his hand out of his pocket it was empty Then he turned to the mirror and pretended that there was something in his eye

Fancy's Way Walter A Turner, 2000-12-20 Lieutenant Dan Fancy is a top Navy pilot He has just been reassigned to Miramar Naval Air Station Fighter Town where he hopes to make a fresh start and jump start his career A failed marriage and a bout of heavy drinking have put him seriously off track Life at Miramar begins auspiciously as Fancy is reunited with old friends He begins to prove himself when plunged into rigorous training before Enterprise's six month deployment to the Western Pacific However when Fancy meets Cody Thorn and her daughter Amanda things take a turn he wasn't counting on The story gives readers a rare glimpse of life on an aircraft carrier illuminating the lives the men who fly the dangerous missions from the massive floating airfields Fancy must not only perform under the normal stresses of flying off a carrier but he must also do so under intense emotional stress when he learns that Cody has been seriously injured by her ex husband Unable to be at Cody's side the situation is a haunting reminder of the events that cost him his first marriage Fancy must continue to focus on his duties without allowing his personal anxieties to interfere with the demanding tasks before him

The New York Times Index, 1929 **Skyjacked** Paul Griffin, 2019-07-30 Have a nice flight Cassie Tim Emily Brandon and Jay are on their way back from a camping trip flying from Idaho to New York City on Cassie's family's private plane This might be a usual thing for the others but for Jay it's only his second time ever on a plane And what starts as a normal flight soon veers desperately out of control One of the regular pilots is sick so there's a replacement Cassie has suddenly fallen ill for no reason And Jay notices the plane is flying west instead of east As the military works feverishly on the ground to find out what's going on the friends are trapped thirty seven thousand feet in the air on a plane that's clearly been hijacked Only no one knows who's in control or why it's happening Their only chance to survive is by working together but when everyone is a suspect trusting the wrong person is a deadly mistake With each passing minute the gas gauge drops alliances shift and danger rises Will anyone make it off Flight 21 alive

The Privileged Few R. R. DeBenedictis,2014-11-22 This is a story of the class struggle between money politics and heart In 1973 the wealthiest one percent of Americans owned only 13% of the countrys assets Those assets included the equity in homes businesses stocks bonds and property Forty years three poorly conceived wars and two major financial disasters later that figure has risen to nearly 50% at the expense of the average American Where did this windfall of wealth come from and why did the real income and personal assets of the vast majority of working Americans decline during this same period Were they just smarter or did they just outsmart us Once thought of as the land of opportunity with a standard of living envied around the world America has become the land of political manipulations and unconscionable acts in favor of a select few This factbased fiction novel tells the story of a generation of men and women who sought the elusive American Dream during the decline of the middle class and the deliberate war against those in poverty who can only afford to dream Richard DeBenedictis story is told through the lives and adventures of four main characters whom although of diverse backgrounds ideologies and social status are influenced by the self serving acts of those who want it all Is this trend reversable or is America as feared by the authors of our Constitution Benjamin Franklin James Madison and Thomas Jefferson on its way to becoming ruled by and for The Privileged Few *My Yesterdays* Mervin D. Sam O. White, Alaskan Jim Rearden,2014-04-04 This was an excellent book about a true pioneer A very interesting story about the life of an amazing man Sam was generous courageous and a friend to everyone who had the privilege of knowing him Sam O White was a tough deep voiced six foot tall two hundred pound former Maine lumberjack and guide From 1922 for half a century he crisscrossed wild Alaska by foot with packhorses dog teams canoe riverboat and airplane He helped map the Territory trap fur and became the world s first flying game warden White wrote exciting tales about his Alaska adventures and those writings make up the bulk of this volume In 1927 he arrived at

Fort Yukon as a game warden when millions of dollars worth of fine arctic furs annually arrived there The hardy frontier trappers considered the new game warden a joke but he quickly taught them to respect conservation laws He was frustrated by the impossibility of adequately patrolling thousands of square miles by dog team boat and on foot so with his own money he bought an airplane Pioneer pilots Noel and Ralph Wien taught him how to fly it White then startled remote trappers and others by suddenly arriving from the sky In 1941 lack of backing from Juneau headquarters caused him to resign as a wildlife agent At Fairbanks Noel Wien made him Chief Pilot for Wien Airlines For the next two decades White flew as an Alaskan bush pilot admired for his flying skill and the superior service he provided residents who flew with him and who depended upon him for receiving mail and supplies He had countless friends one hundred arrived for his seventieth birthday party His integrity and principles were of the highest Decades after his death he is still spoken of with awe by the long time Alaskans

The Human of All Ryan Parrett,2021-12-16 John Campbell was a an ordinary man until an improbable accident gave him superhuman abilities As he adapts to the remarkable changes his body has undergone John must rely on his friends family and his own self control to keep the accidents consequences a secret to protect those he loves A series a strange events test not only these new abilities but also the relationships of those he is relying on the most to try and stay human **Tans** Lou Riviezzo,2010-05-17 A standing riddle in the Air Force goes something like this Whats the difference between a fairy tale and a war story The answer is A fairy tale begins Once upon a time and a war story begins This aint no s Enter the world of TANS in which author Lou Riviezzo who spent twenty years working in munitions tiptoeing through bomb dumps and performing weapons maintenance draws upon his varied experiences in short stories about people places and events that span the globe In Buffs learn about the majestic B 52 the maintenance people who prepare the craft for flight and how pilots must navigate through deadly situations In How to Make an Impression on Those Around You discover whats involved in a quick turn when planes returning from a mission in a shooting war are refueled and rearmed fast In Truth Justice and the American Way discover why old stalwarts in the Air Force protect their own and the codes they follow There are many more stories in this collection that pay tribute to those who served Relive the 60s 70s and early 1980s in TANS Fantasy of Dreams Ali Jawad,2023-05-31 About the Book This book is volume 2 of Fantasy of Dreams and continuation of fantasy of dreams volume 1 in this volume the world is divided into four main territories are Americatica Europcatica Asiacatica and Africatica these four main territories were ruled and protected by great ruler named Gothdoris the God of All the Technologies GAT or the Universal God and his Army of Freedom that consisted from Human Humobotics half human and half robots and Robots from Xakarov the God of Black Digits GBD or the Skeleton Demon and his Skeletons Robotics Army were trying to conquer Gothdoris s four territories and because of that a fierce and extensive constant battles sparked between Gothdoris GAT and Xakarov GBD and their armies that extend all over the world About the Author Ali Jawad born and raised in Iraq gained a Bachelor s Degree in Dentistry from the University of Baghdad in Iraq at a young age He was granted his special immigrant

visa to travel to America for supporting the United States Army as a local translator in Iraq Ali Jawad moved down to Florida and worked three different jobs at the same time with plans to work on his dental degree Later on he joined the United States Army and served for a period of years with multiple combat tours and got out honorably The life path was not that easy for him in the USA He worked hard and continued to do so to establish a good living condition for his family from the ground however his limitless dream ambition dedication and love to help people had him to continue to seek a Bachelor s Degree in Interdisciplinary Studies at Keiser University to further his medical and dental career His passion about writing fictional stories started in early childhood however it grew when he joined the USA army He has so far written 35 fictional books that are part of this second book and the number continues to grow hoping one day all these books will be published so the readers will enjoy it **Catalog of Copyright Entries. LIFE ,1942-08-03 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Road & Rec** ,1989 **Aircraft** ,1910 The Penn of Denn Denn Guptill,2009-09 As a speaker and writer Denn has a rare gift He is able to find humanity and humour in even the most trying situations He uses the experiences of everyday life and everyday people to illustrate the true practical meaning of some of mankind s greatest teachings Steve Murphy Senior News Editor Anchor CTV News Animated Personalities David McGowan,2019-02-26 This pioneering book makes the case that iconic cartoon characters such as Mickey Mouse are legitimate cinematic stars just as popular human actors are Mickey Mouse Betty Boop Donald Duck Bugs Bunny Felix the Cat and other beloved cartoon characters have entertained media audiences for almost a century outliving the human stars who were once their contemporaries in studio era Hollywood In Animated Personalities David McGowan asserts that iconic American theatrical short cartoon characters should be legitimately regarded as stars equal to their live action counterparts not only because they have enjoyed long careers but also because their star personas have been created and marketed in ways also used for cinematic celebrities Drawing on detailed archival research McGowan analyzes how Hollywood studios constructed and manipulated the star personas of the animated characters they owned He shows how cartoon actors frequently kept pace with their human counterparts granting interviews allowing candid photographs endorsing products and generally behaving as actual actors did for example Donald Duck served his country during World War II and Mickey Mouse was even embroiled in scandal Challenging the notion that studios needed actors with physical bodies and real off screen lives to create stars McGowan demonstrates that media texts have successfully articulated an off screen existence for animated characters Following cartoon stars from silent movies to contemporary film and television this groundbreaking book broadens the scope of star studies to include animation concluding with provocative questions about the nature of stardom in an age of digitally enhanced filmmaking technologies

Animated Personalities is impressive for its lucid historical structure and exceptionally enjoyable content McGowan breathes life into celluloid figures giving readers a backstory for some of the most enduring iconic characters of screen history This is a truly gratifying book Choice Combining historical formal and theoretical modes of analysis Animated Personalities represents a vital contribution to both star studies and the study of animation in classical Hollywood and beyond By embracing a key problematic of the study of stardom the inability to take any element of its construction as authentic McGowan does not undermine the validity of this approach so much as craft a more honest and complete understanding of it Synoptique
