Runaway Slaves John Hope Franklin, Loren Schweninger, 2000-07-20 This bold and precedent setting study details numerous slave rebellions against white masters drawn from planters records government petitions newspapers and other documents The reactions of white slave owners are also documented 15 halftones **Kayla O'Brian and the Runaway Orphans** Hilda Stahl, 1991 The Larsens have never celebrated Christmas on their Nebraska mule farm but this year with the arrival of two Christian orphans from the orphan train seems meant to be different **The Charleston Orphan House** John E. Murray, 2024-05-31 The first public orphanage in America the Charleston Orphan House saw to the welfare and education of thousands of children from poor white families in the urban South From wealthy benefactors to the families who sought its assistance to the artisans and merchants who relied on its charges as apprentices the Orphan House was a critical component of the city s social fabric By bringing together white citizens from all levels of society it also played a powerful political role in maintaining the prevailing social order John E Murray tells the story of the Charleston Orphan House for the first time through the words of those who lived there or had family members who did Through their letters and petitions the book follows the families from the events and decisions that led them to the Charleston Orphan House through the children s time spent there to in a few cases their later adult lives What these accounts reveal are families struggling to maintain ties after catastrophic loss and to preserve bonds with children who no longer lived under their roofs An intimate glimpse into the lives of the white poor in early American history The Charleston Orphan House is moreover an illuminating look at social welfare provision in the antebellum South *An Orphan in New York City* Seymour Siegel, 2000-08-14 An Orphan in New York City is about survival During the Great Depression families who suffered loss of income loss of health and loss of life sought frantically for ways to survive Social Security Housing and Urban Development Public Assistance and Public Health programs available today were limited or non existent back then All extended family members helped out as much as they could When this was not enough the only choice was to break up the family Benevolent Jews had established orphanages to care for children left homeless or in poverty The largest of these orphanages was the Hebrew Orphan Asylum better known as the HOA or The Home located between 136th to 138th Streets on Amsterdam Avenue across from the Lewisohn Stadium of the City College of New York City From 1929 to 1939 the HOA housed more than one thousand boys and girls at a time The Hebrew Orphan Asylum was referred to as a city within a city as it was basically self contained Not only where there the essentials of residential life dormitories a kitchen a dining room an infirmary a dental clinic and a laundry but also a public school 192 a synagogue and a religious school Then too there were a bakery a shoe shop a tailor shop a barber shop a clothing store a candy store a woodworking room a sewing room a photography studio and darkroom a boys scout room a band room a choir room athletic fields and playgrounds There was a Reception House the Main Building the Warner Brothers Gymnasium state of the art at that time and buildings for boilers for heating It had its own transportation system and a fire

engine There were military bands and drill squads fraternities and sororities as well as baseball basketball and football teams that competed with other orphanages and the junior varsity at City College Orphans half orphans and children from broken families began their shared institutional lives at the Reception House where they were isolated for two weeks to assure they did not bring any contagious disease or illness into the institution The author was one of those with a family destroyed by alcoholism and poverty who had to leave his family at the age of nine and begin an orphan s life He writes Having seen from my top floor perch in the Reception House children who were playing on the huge field below and having listened to the marching band and watched the military drills I was looking forward to moving to the Main Building But when I finally got there I felt lost in the labyrinth of hallways and doorways and among the masses of children who were coming and going Outside in the courtyard were more than 100 children talking shouting and playing together One of my first memories there is of hearing a short rotund man suddenly shout above that babble of voices All Steeeeeeeeeeeel All Still What that meant only became clear when as I watched most of the children froze in their places and stopped talking One child did not freeze The man with the powerful voice strode over to him and slapped him so hard across the face that the child fell down In the years that I would be in the orphanage that and similar examples made me obey the All Still and always appear to be following commands rules and regulations even when I wasn t obeying What I witnessed there day after day also reinforced my hopeless and helpless feeling that there were immense forces beyond my control my father s rage my separation my placement in an institutional environment and the subsequent abuse in that environment I wept within myself and there was no adult at the institution to comfort me not the first day nor the last For his own healing Dr Siegel has written a book about his decade during the depression years in the Hebrew Orphan Asylum **New York Magazine** ,1985-02-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Shadows of Foxworth V.C.** Andrews,2020-06-30 Forbidden passions have been the hallmark of the Dollanganger clan since Flowers in the Attic debuted more than forty years ago In this third book of a new related trilogy witness the birth of the Dollanganger curse as Corrine Foxworth s children learn that family is but destiny by another crueller name As a young girl in France Marlana Hunter s life was a fairy tale She had a talented artist for a father a doting mother and a brother she couldn t be closer to She loved her family she just didn t know what her family actually was When a car crash kills their parents Marlana and Yvon lose not only France but also their identity Sent to Richmond Virginia they arrive at the home of two aunts they ve never met before who tell them that their true last name is Dawson that their father had fled the family years back and that now the family is calling in the debt Trapped in a mansion with as many secrets as rooms Marlana yearns for escape But in America you can

either make friends or make profit and Yvon suddenly seems much more interested in the latter While he is free to leave the house Marlena is left to avoid lecherous tutors and the secretary to wife track expected of a woman Caught between mastering the game to escape it and falling prey to its allure she needs to learn fast for Malcolm Foxworth has cast his eye in her direction And no family name can protect her from the twisted roots of the Dollanganger family tree **Petals on the Wind** V.C. When Troll Son runs away from home he decides to leave the Shadow Forest behind and move in with his idol Samuel Blink. Samuel isn't thrilled with the idea of hiding a runaway troll, especially one who copies everything he does even using his toothbrush. But should Samuel return Troll Son to the Shadow Forest? After all, he's running from something, what danger still lurks there? This engaging adventure showcases Matt Haig's wry sense of humor, drawing readers deeper into the imaginative world introduced in *Samuel Blink and the Forbidden Forest*. Bruce Springsteen, Cultural Studies and the Runaway American Dream Kenneth Womack, J. Jerome Zolten, Mark Bernhard, 2012. By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena, this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music. **Anna; or, The little runaway, from the Germ., by E.J.S. [Followed by] Meta Frantz; or, A Sunday at Lucerne** Anna (fict. name.), 1876 **Slavery in America** Kenneth Morgan, 2005. Designed specially for undergraduate course use, this new textbook is both an introduction to the study of American slavery and a reader of core texts on the subject. No other volume that combines both primary and secondary readings covers such a span of time from the early seventeenth century to the Civil War. The book begins with a substantial introduction to the entire volume that gives an overview of slavery in North America. Each of the twelve chapters that follow has an introduction that discusses the leading secondary books and articles on the topic in question, followed by an essay and three primary documents. Questions for further study and discussion are included in the chapter introduction, while further readings are suggested in the chapter bibliography. Topics covered include slave culture, the slave-based economy, slavery and the law, slave resistance, pro-slavery ideology, abolition and emancipation. The essays, by such eminent historians as Drew Gilpin Faust, Don E. Fehrenbacher, Eric Foner, John Hope Franklin, and Sylvia R. Frey, have been selected for their teaching value and ability to provoke discussion. Drawing on black and white male and female experiences, the primary documents come from a wide variety of sources: diaries, letters, laws, debates, oral testimonies, travelers' accounts, inventories, journals, autobiographies, petitions, and novels. Brooke V.C. Andrews, 2011-02-08. All she wanted was a mother's warm embrace. Brooke was an orphan abandoned long ago by a mother she barely knew. And though her new family seemed to offer the promise of a new beginning, a dark voice in her heart told her that she was now more alone than ever. **New York Magazine**, 1968-09-16. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. Crystal V.C. Andrews, 2011-02-08. All she wanted was a family she could call her own. As an orphan girl, Crystal was one of many and utterly alone. But she still dreamed of a shining life of love and happiness and freedom from the dark legacy
