Running Dog Maintenance Penny Taylor, 2012-10 Lurchers and sighthounds have seen a huge rise in popularity over the past 40 years and where once the lurcher was the shadowy unseen tool of the poacher it now enjoys a more legitimate role as a modern day pest control aid as well as being valued as a companion and family pet The pure sighthound breeds have always had their aficionados whether as workers pets or show and racing dogs this book is written with all running dogs in mind the term by which the author refers to lurchers and sighthounds alike in this book Running dogs are athletes which need committed care and understanding if they are to remain sound and healthy in their work and the author has drawn upon her many years experience with working lurchers in order to compile a useful reference book for fellow owners Written in a down to earth style this manual explains how to rear feed and prepare the running dog for a healthy life whether that involves strenuous work competition or as a companion animal how to avoid injury where possible and how to recognise specific types of injury when they do occur how to treat them yourself and when to see the vet

A Cop Walks Down Memory Lane...! K. Manickavasagam, 2020-05-26 All the memories of a man in his life whether it might be of

heart warming or heart breaking should not go buried along with his last breath but should leave some inputs to his family members relatives and friends to make them aware of his past life track for their future guidance At the same time if the same man happens to be a person who had served in any public service organization then his memories should not go vanished away along with his soul However such memories should necessarily leave a lesson to his successors and all the common public to learn the morals and to realize the things as to how the problems are raised in societies and how the same could be prevented Unlike the other departmental officials of the government services the police officials would not have an opportunity of second innings to continue their services in any other sector after their retirement as the police service is entirely different from other services of the governing bodies like technical educational medical and commercial services Because of this most of the retired police officials would feel themselves isolated and spend the remaining part of their lifetime in a lackadaisical manner Under such circumstances it is my son Arulmurugan and my daughter Sivasakthi who are now living respectively in Michigan and Arizona States of USA have suggested me to write some useful articles in blog a kind of website to share my thoughts in good faith with hundreds and thousands of readers over the months and years My children s encouragement and guidance empowered me to enter into such blog writings and publish the same in my blog site As far as the police department is concerned in olden days our traditional practice was to write everything manually by our own hand for all kinds of script works until the police department was modernized As I had been accustomed for a long time only to such manual writings I gradually learned the system related works and started to login into my blog site and write the articles directly in my blog after my superannuation Initially I was writing on some social issues in my blog Then a spark came in my mind as to why should not I write short stories in my blog based on the cruxes of some past occurrences that came across in my police service Since I had been in the regular habit of preparing my case diaries and the investigation reports in my own handwriting throughout my service it was easy for me to recollect some past occurrences and shape up the same in the form of short stories adding some spicy essence to pep up the style of writing While writing such short stories I shaped up the same with an object of giving some moral messages thrill fun and some social thoughts to every reader without touching the sentiments of anyone The names of the characters in the short stories and the articles have been changed I have spent almost all the days after my superannuation in writing fifty five episodes most of which are short stories and few are satirical article to poke fun at some social evils and injustice with a narrative style of a professional storyteller At this moment I would like to make a self explanation Yes Some may think as to why this Policeman has written this book in English First I would like to state that I love my mother tongue Tamil the most ancient of all other languages Anyhow I had a little passion of learning one more language in addition to my mother tongue because of which I had a brief interest in grooming the English language in me I have written this book in English with an idea of conveying my short stories and thoughts to all the people irrespective of linguistic variations and regional differences K Manickavasagam Dy Superintendent

Hunting Dogs Oliver Hartley, 2022-09-16 In Hunting Dogs by Oliver Hartley the reader is taken on a journey through the obscure world of underground dog fighting in rural America Hartley's gritty and raw writing style brings to light the brutality and desperation of the characters involved in this illegal and inhumane sport The book seamlessly blends elements of crime fiction with a social commentary on the ethical treatment of animals leaving the reader questioning the depths of human depravity Hartley's writing is reminiscent of Truman Capote's In Cold Blood with its unflinching look at a dark and hidden subculture The vivid imagery and vivid characterizations make Hunting Dogs a gripping and unsettling read that will stay with the reader long

after finishing the last page Oliver Hartley's background as a journalist covering crime and animal rights issues provides insight into the motivations behind writing a book that exposes the harsh realities of dog fighting The author's dedication to shedding light on such a controversial topic makes *Hunting Dogs* a must read for those interested in thought provoking and impactful literature
