your life are emotional reflections of yourself Would you see them differently In Betsy Otter Thompson s *The Mirror Theory* a mysterious stranger shows up at a critical time in her life to tell her the stories of Jesus family members Through these stories you will see how one of the greatest masters who ever lived learned from the reflection of those around him and they learned from him Each family member takes on a central characteristic envy blame humility anger jealousy etc What emerges is a method for personal growth and improving relationships by accepting responsibility for one s own life and creation We are either drawn to or repelled by the people who reflect the things we like or dislike about ourselves Just as if we re looking into a mirror that reflects back our innermost emotions and beliefs This fascinating book is not only a chronicle of Jesus life but a spiritual journey into your own heart whether or not you believe he had brothers or sisters Here is a proven program for taking back your personal power There are questions and exercises for using *The Mirror Theory* to help you apply the lessons taught in the book Never has the message Love one another been so clearly explained **NEW**

TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One *The Gifts of Lent* Donald Neidigk, 1999 This book was written for busy pastors and lay leaders who want to provide their congregations with a biblical informative and motivational monologue series for the Lenten season Each monologue features a Bible character who gave something to Jesus during Holy Week and one who had nothing to give A children s sermon accompanies each monologue Donald Neidigk is a gifted communicator who brings the Passion Story to life through the eyes of eight personalities Through creatively burrowing into the minds of those touched by Jesus the author brings fresh convincing perspectives to the week that changed the world Paul L Maier Ph D Department of History Western Michigan University Kalamazoo Michigan Here is the ancient story of Holy Week retold in colorful and vivid detail With a sure hand Pastor Neidigk draws us into the spiritual depths of the Lenten season and snaps on a string of revealing lights Neidigk is a story teller revisiting people and places from the greatest story ever told Bruce L Shelley Senior Professor Denver Seminary author of *Church History In Plain Language* The texts read very well but they are obviously meant to be spoken Like the scriptures they are far more powerful when presented orally it is likely that those listening will find themselves being drawn into the setting and becoming part of the event Erich E Helge Ed D Donald H

Neidigk earned his B S degree from New Mexico State University and his M Div degree from the Denver Seminary He completed additional graduate study at Concordia Theological Seminary in Fort Wayne Indiana Pastor Neidigk currently serves Calvary Lutheran Church in Rio Rancho New Mexico In His Footsteps Gabby Heusser,2014 A journey through fear to freedom Cover *Solving the God Problem* Brian K. Smith,2015-06-05 Solving the God Problem is a commentary on the gospel of John designed for those with little or no Biblical background The vocabulary Brian uses is that of everyday English Technical terms and phrases have been avoided The sentence structure is simple rather than complex thus making for ease of reading and understanding The overall style is conversational All imagery and illustration by way of commentary comes from present day culture Former theological students of Brian may remember this in its original form Xerox Equation Andrew Gamman and Caroline Bindon of Kereru Publishing have both used the commentary in various ministry settings and are excited to publish it and make it available for wide use While those who are involved in ministry will find it useful it is also easily accessible for Christians of every stage of faith and explains profoundly and simply the Good News
