**Rupert and Polly** Jody Silver,1978      **Rupert, Polly, and Daisy** Jody Silver,1984 When Rupert seems to be paying more attention to Daisy the new fish Polly the bird decides to fly away      *The American Hereford Record, and Hereford Herd Book* ,1920      *Hand-Turned Tales* Jude Knight,2015-12-14 The stories in this book were written as Made to Order competition prizes The winner chose three characters or objects and a story trope What I did after that was up to me the raw material of these ideas turned on the lathe of my imagination The book contains three short stories and a novella I offer them as a sample of my writing style the stories I love to tell and the types of hero and heroine I love creating I hope you enjoy following my characters through the turns in their tales The Raven s Lady Felix returns home in disguise after thirteen years away from home He plans to catch a smuggler then take up his viscounty He does not expect the smuggler to be Joselyn his childhood sweetheart Short story All That Glisters The setting is New Zealand in the 1860s when gold miners poured into the fledgling settlement of Dunedin Rose is unhappy in the household of her fanatical uncle but Thomas a young merchant from Canada offers a glimpse of another possible life if she is brave enough to reach for it Short story Kidnapped to Freedom Stolen from the Georgian plantation just ahead of being sold down the river Phoebe faces the high seas to be reunited with her brother and sister and the master s son she once loved Why then are her dreams filled with the handsome masked pirate who captains her rescue ship Short story The Prisoners of Wyvern Castle Rupert has been imprisoned by his wicked sister and compelled to wed His new wife Madeline has likewise been threatened into saying her vows Forced into marriage they find love but can they find freedom before it is too late      **The American Hereford Record and Hereford Herd Book** American Hereford Cattle Breeders' Association,1922      **The Yellow Hunchback** Fergus Hume,1907      **Eulalie, Or, The Red and White Roses** William Stephens Hayward,1874      **Classic in the Barn** Amy Myers,2011-10-01 A 38 Lagonda is driving someone to murder in this lively fast paced mystery series debut featuring British classic car expert and detective Jack Colby Publishers Weekly When Jack Colby owner of Frogs Hill Classic Car Restorations stumbles upon a 1938 coup Lagonda V12 rusting away in a country barn in Kent he longs to bring it back to its former glory Jack also takes a shine to its owner the fetching widow Polly Davis Sadly his romantic pursuits cut short A few days later Polly is murdered just a few feet from the elegant machine Now Jack s curiosity about the car and the crime are kicking into high gear He knows that years ago Polly s late husband was found dead in the driver s seat And it s clear she had no interest in selling or restoring the Lagonda just hiding it But are the rumors about Polly s dicey past the key to it all or just a detour Convinced that the Lagonda is somehow involved especially when it disappears Jack is determined to uncover Polly s secrets and bring her killer to justice even at the risk of his own life      **A Question of Loyalties** Allan Massie,2010-07-01 A man returns to France to unravel the truth about his father s actions during WWII in a novel of scope substance and strength all too rare today Spectator Widely acclaimed as Allan Massie s finest novel **A Question of Loyalties** explores the complexities of loyalty

nationality and family legacy after the horrors of World War II Rife with the anguish of hindsight and the irony of circumstance this powerful book is addictively narrated Out of one broken man s story evolves the weighty history and treachery of a whole era The Times Etienne de Balafr half French half English and raised in South Africa returns to postwar France to unravel the tangled history of his father Was Lucien de Balafr a patriot who served his country as best he could in difficult times or a treacherous collaborator in the Vichy government I have no hesitation in calling it a major novel Massie here has vigorously pushed back the narrowing boundaries of English fiction Spectator
