Rural China Takes Off:

Rural China Takes Off Jean C. Oi, 1999-05-17 A distinctive and important contribution Thomas P Bernstein author of *Up to the Mountains and Down to the Villages* *Rural China Takes Off* Jean C. Oi, 1999-05-17 In this incisive analysis of one of the most spectacular economic breakthroughs in the Deng era Jean C Oi shows how and why Chinese rural based industry has become the fastest growing economic sector not just in China but in the world Oi argues that decollectivization and fiscal decentralization provided party officials of the localities counties townships and villages with the incentives to act as entrepreneurs and to promote rural industrialization in many areas of the Chinese countryside As a result the corporatism practiced by local officials has become effective enough to challenge the centrality of the national state Dealing not only with the political setting of rural industrial development Oi's original and strongly argued study also makes a broader contribution to conceptualizations of corporatism in political theory Oi writes provocatively about property rights and principal agent relationships and shows the complex financial incentives that underpin and strengthen the growth in local state corporatism and shape its evolution This book will be essential for those interested in Chinese politics comparative politics and communist and post communist systems

Bird in a Cage Stanley B. Lubman, 1999 This book analyzes the principal legal institutions that have emerged in China and considers implications for U S policy of the limits on China's ability to develop meaningful legal institutions

Dynamics of Local Governance in China During the Reform Era Tse-Kang Leng, Yun-han Chu, 2010-01-01 Since the Chinese economic reform was realized in the early 1990s a significant revolution has been launched socially economically and politically in China At present China is an indispensable actor in the international arena so that the transitions domestically bring about substantial influence on the whole world *Dynamics of Local Governance in China during the Reform* takes close look at China's current transformation and its broader implications Through their thought provoking essays the contributors to this volume dissect China's transformation by examining various topics in the field of contemporary China studies such as rural industrialization development of civic society socio economic transformation and local self governance

The Transformation of Rural China Jonathan Unger, 2002 Here Professor Unger presents a vivid picture of life in rural areas during the Maoist revolution and then after the post Mao disbandment of the collectives A story of unexpected continuities amidst great change Unger describes how rural administrations retain Maoist characteristics

The Transformation of Governance in Rural China An Chen, 2015 Explores the economic social and financial changes that have transformed China's rural governance over the past twenty years

Local Government and Politics in China Yang Zhong, 2015-02-18 After over a decade of administrative and economic reform in mainland China the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local

government and politics in China the author explores when and why local government officials comply with policy directives from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more

To Get Rich Is Glorious Jacques deLisle,Avery Goldstein,2019-09-24 In 1978 China launched economic reforms that have resulted in one of history s most dramatic national transformations The reforms removed bureaucratic obstacles to economic growth and tapped China s immense reserves of labor and entrepreneurial talent to unleash unparalleled economic growth in the country In the four decades since China has become the world s second largest economy after the United States and a leading force in international trade and investment As the contributors to this volume show China also faces daunting challenges in sustaining growth continuing its economic transformation addressing the adverse consequences of economic success and dealing with mounting suspicion from the United States and other trade and investment partners China also confronts risks stemming from the project to expand its influence across the globe through infrastructure investments and other projects under the Belt and Road Initiative At the same time China s current leader Xi Jinping appears determined to make his own lasting mark on the country and on China s use of its economic clout to shape the world around it

The Politics of Rural Reform in China Christian Göbel,2010-06-10 Based on a treasure trove of information collected through fieldwork interviews and painstaking documentary research through the Chinese and Western language presses this book analyzes one of the most important reforms implemented in China over the past decade the rural tax and fee reform also known as the Third Revolution in the Countryside The aim of the tax was to improve social stability in rural China which has become increasingly shaken by peasant protests many of them large scale and violent By examining the gap between the intentions of the reform and the eventual outcomes Göbel provides new insights into the nature of intergovernmental relations in China and highlights the ways in which the relationship between the state and the rural populace has fundamentally changed forever The Politics of Rural Reform in China will appeal to students and scholars of Chinese politics governance and development studies

Rural China Jie Fan,Thomas Heberer,Wolfgang Taubmann,2015-05-15 This book reports the findings of two field studies conducted between 1993 and 2001 in seven townships and six provinces in China The authors describe the process of rural urbanization and its related economic social and political changes by focusing mainly on the zhen town in addition to administrative offices and companies involved in the local economy and village committees The authors show that the social changes resulting from China s economic reforms are occurring mainly from below and that this process is also resulting in a weakening of the economic and political dominance of the central government Other changes discussed in this study include the development of new ownership structures and

the increasing dominance of the private sector a shift in the functions of administrative offices as the bureaucracy becomes increasingly business oriented the rise of a new local elite a rebirth of traditional social structures clans local associations and the emergence of new interest groups and institutions to represent their needs

Urbanization and Social Welfare in China Gordon G. Liu, 2018-01-18 China's urban population growth rate has doubled in the past 20 years and the Chinese government has made further urbanization a developmental priority How Chinese cities cope with such rapid population increases has become a question of critical concern This book provides an analysis of the welfare implications of China's urbanization the development of the labour market including migration between rural and urban sectors and natural and social environmental issues arising from urbanization The book covers both academic and policy perspectives and together with its sister volume *Urban Transformation in China* brings together a comprehensive and multi disciplinary overview of China's urbanization

China Briefing Jay D White, William A. Joseph, 2016-09-16 The chapters in this latest edition of *China Briefing* reflect broadly on China's transformation in the twentieth century The authors not only examine developments in China over the 1997-1999 period but also place these events in a wider historical perspective by addressing the following questions Where has China traveled over the course of the century To what extent has it been transformed and how What are the enduring themes or points of continuity even during a century of great change and transformation And what are China's prospects for the future

Grassroots Elections in China Kevin J. O'Brien, Suisheng Zhao, 2014-07-22 Twenty years after the launch of village elections the time is ripe to assess the progress and impact of China's most notable political reform Where have elections been conducted well and where have they been conducted poorly How have procedures changed over the years and have elections truly transformed how power is exercised in the countryside What methods are researchers employing to study elections and how have scholars from different disciplines contributed to our knowledge of grassroots politics in China This book carefully examines the implementation and effects of China's village township and people's congress elections both in terms of democratizing the polity and spurring other changes in state-society relations The chapters in this book have been published across several issues of the *Journal of Contemporary China*

Modern China Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In *Modern China* author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities

gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views

Elite Politics in Contemporary China Joseph Fewsmith,2015-04-15 A discussion of elite politics in contemporary China While a great deal of the text is descriptive much of the emphasis is on drawing out and abstracting the political dynamic at work The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America s postwar pre eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way

Social Protest and Contentious Authoritarianism in China Xi Chen,2012 Xi Chen explores the dramatic rise in and routinization of social protests in China since the early 1990s

The Chinese Communist Party and China's Capitalist Revolution Lance Gore,2010-11-08 The Chinese Communist Party and China s Capitalist Revolution examines issues of political change and development in China In the last 30 years China has experienced a profound political transformation and a degree of political progress but these are largely mired in the assumption that the free market is inherently incompatible with communism and the perceived lack of political reforms in China Indeed there has not been much in the sense of democratization multi party competition freedom of speech and association but as this book demonstrates political development is not limited to these factors Based on extensive empirical investigations of the impact of the market on the communist party with a particular focus on its grassroots organisations this book finds that the Chinese communist party is undergoing profound changes in a host of important areas By analyzing the impact of China s socioeconomic transformation on the CCP and the adaptations of the Party to the new environment the book takes stock of the nature and dynamics of political change underway in China The author concludes that the Chinese communist party we knew no longer exists it is evolving into something quite different which must have political implications for both China and the rest of the world Professor Lance L P Gore is a political scientist specializing in contemporary Chinese politics at The East Asian Institute National University of Singapore

Rural Politics in Contemporary China Emily T. Yeh,Kevin O'Brien,Jingzhong Ye,2016-01-22 This collection provides an overview of China s rural politics bringing scholarship on agrarian politics from various social science disciplines together in one place The twelve contributions spanning history anthropology sociology environmental studies political science and geography address enduring questions in peasant studies including the relationship between states and peasants taxation social movements rural urban linkages land rights and

struggles gender relations and environmental politics Taking rural politics as the power inflected processes and struggles that shape access and control over resources in the countryside as well as the values ideologies and discourses that shape those processes the volume brings research on China into conversation with the traditions and concerns of peasant studies scholarship It provides both an introduction to those unfamiliar with Chinese politics as well as in depth new research for experts in the field This book was published as a special issue of the Journal of Peasant Studies Historical Dictionary of the Chinese Economy Lawrence R. Sullivan, 2017-11-08 The Historical Dictionary of the Chinese Economy covers the world's second largest macro economy Extensive attention throughout the volume is given to the historical development of the Chinese economy since the establishment of the People's Republic of China PRC in 1949 Included is a review of developments during the period of central economic planning adopted from the Soviet Union 1953 1978 and in depth information and analysis on the various policies and fundamental changes brought about in China by the inauguration of economic reforms from 1978 1979 through 2016 This book contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on critical sectors of the economy including automobiles banking and finance national currency economic regulation trade and investment and important industries such as agriculture computers and electronics iron and steel real estate and shipping This book is an excellent resource for students researchers and anyone wanting to know more about China's economy *How Far Across the River?* Nicholas Hope, Dennis Yang, Mu Li, 2003-08-13 Gradual change has been a hallmark of the Chinese reform experience and China's success in its sequential approach makes it unique among the former command economies Since 1979 with the inception of the continuing era of reform the Chinese economy has flourished Growth has averaged nine percent a year and China is now a trillion dollar economy China has become a major trading power and the predominant target among developing countries for foreign direct investment Despite all this China remains poor and the reform process unfinished This book takes its defining theme from Deng Xiaoping's famous metaphor for gradual reform feeling the stones to cross the river How far has China progressed in fording the river The experts who contributed to this volume tackle many aspects of that question assessing Chinese progress in policy reform priorities for further reform and the research still needed to inform policymakers decisions

Rural China Takes Off Introduction

In today's digital age, the availability of Rural China Takes Off books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rural China Takes Off books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rural China Takes Off books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rural China Takes Off versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rural China Takes Off books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rural China Takes Off books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rural China Takes Off books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rural China Takes Off books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rural China Takes Off books and manuals for download and embark on your journey of knowledge?

FAQs About Rural China Takes Off Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rural China Takes Off is one of the best book in our library for free trial. We provide copy of Rural China Takes Off in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rural China Takes Off. Where to download Rural China Takes Off online for free? Are you looking for Rural China Takes Off PDF? This is definitely going to save you time and cash in something you should think about.
