Rural Community Decline and Revitalization Brenda L. Ekstrom, F. Larry Leistritz, 1988 The focus of this book is on socioeconomic consequences of economic decline in rural areas and strategies for the revitalization of the afffected communities The scope of the book has been further narrowed by examining problems of decline and revitalization only within the world's industrialized countries From introduction Managing Community Growth United States. Congress. House. Committee on Science, Space, and Technology. Subcommittee on Investigations and Oversight. 1994 Community Development Vol I Norman Walzer, Rhonda Phillips, Robert Blair, 2020-12-17 This 50th anniversary publication provides a comprehensive history of community development Beginning in 1970 with the advent of the Community Development Society and its journal shortly thereafter Community Development the editors have placed the chapters in major themed areas or issues pertinent to both research and practice of community development The evolution of community development as an area of scholarship and application and the subsequent founding of the discipline is vital to capture At the 50 year mark it is particularly relevant to revisit issues that reoccur throughout the last five decades and look at approaches to addressing them These include issues and themes around equity and inclusion collective impact leadership and policy development as well as resilience and sustainability Community change over time has much to teach us and this set will provide a foundation for fostering understanding of the history of community development and its focus on community change The chapters in this book were originally published in the journal Community Development Crisis Steve H Murdock, F. Larry Leistritz, F Larry Leistritz, 2019-06-04 After nearly a decade of prosperity rural America entered the 1980s with its agricultural base facing a severe financial crisis Land values export markets and the general demand for agricultural commodities were declining while the levels of indebtedness reached during the 1970s were becoming increasingly difficult to manage By the middle of the 1980s the existence of a crisis was apparent in farm failure rates that had reached levels that had not occurred since the 1930s and in the fact that large numbers of agricultural banks were failing and agencies that provide loans to farmers and ranchers were experiencing unprecedented losses Small towns in agriculturally dependent rural areas were losing businesses populations and related services and extremely high rates of socioemotional problems were noted among rural residents in agriculturally dependent areas of the nation Rural **Development Perspectives** ,1989 Bibliographies and Literature of Agriculture ,1989 Rural Sustainable Development in America Ivonne Audirac, 1997-04-04 A wide ranging exploration of the issues shaping development inrural North America for the years ahead This unique volume presents guidelines for dealing with the problems of development in rural areas with coverage thatencompasses theory strategic planning and policy implementation and practical experience It contains an in depth examination of the problems faced by rural American towns communities and families and it explores a range of innovative solutions based on the concepts of sustainable use of indigenous talents andresources Contributions by
