**Social Science Research Council (U.S.)**

## **Rural England A Study Of Socia:**

**Rural England, 1086-1135** Reginald Lennard, 1966      **Rural Social Work in the UK** Colin Turbett, Jane Pye, 2024-04-30 This book draws together writers from various backgrounds to discuss issues that affect those working in rural social work settings on themes ranging from current issues that are common to rural localities including those arising from the Covid 19 pandemic to future challenges Common themes that run through all the chapters and hold them together include community and place stigma and alienation inequality and social justice and the environment Several of the chapters include a strong user voice and challenge cis heteronormative and other stereotypes of rural life by celebrating diversity in these communities The book will therefore be invaluable to rural practitioners students studying to work in rural settings and their educators as well as rural sociologists and policy makers      **The English Rural Poor, 1850-1914 Vol 1** Mark Freeman, 2021-12-16 Drawing on the difficult to access pamphlets reports periodical literature and political tracts this five volume set reproduces in facsimile a large number of neglected sources relating to rural life in the latter half of the nineteenth century It is of interest to scholars in nineteenth century studies and to all social historians      **Social Research** Matthew David, Carole D Sutton, 2011-01-19 The perfect book for any student taking a research methods course for the first time The new edition of David and Sutton's text provides those new to social research with a comprehensive introduction to the theory logic and practical methods of qualitative quantitative and mixed methods research Covering all aspects of research design data collection data analysis and writing up Social Research An Introduction is the essential companion for all undergraduate and postgraduate students embarking on a methods course or social research project The second edition features Brand new chapters on visual methods case study methods internet research mixed methods and grounded theory Updated chapters on interviews questionnaire design surveys and focus groups Improved coverage of qualitative and quantitative methods of data analysis including practical instruction on the latest versions of software packages NVivo 8 and SPSS 18 An attractive new layout which aids navigability and enhances the book's student learning features A companion website [www.uk.sagepub.com/david](http://www.uk.sagepub.com/david) with PowerPoint slides and links to useful websites Many more practical examples helping bring theory to life Designed for social science students with no previous experience this book provides a balanced foundation in the principles and practices of social research      **Research in the Social Scientific Study of Religion, Volume 11** Joanne Marie Greer, David O. Moberg, 2021-11-22 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social

sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research **Routledge International**

**Handbook of Rural Studies** Mark Shucksmith, David L. Brown, 2016-05-20 Rural societies around the world are changing in fundamental ways both at their own initiative and in response to external forces The Routledge International Handbook of Rural Studies examines the organisation and transformation of rural society in more developed regions of the world taking an interdisciplinary and problem focused approach Written by leading social scientists from many countries it addresses emerging issues and challenges in innovative and provocative ways to inform future policy This volume is organised around eight emerging social economic and environmental challenges Demographic change Economic transformations Food systems and land Environment and resources Changing configurations of gender and rural society Social and economic equality Social dynamics and institutional capacity Power and governance Cross cutting these challenges are the growing interdependence of rural and urban the rise in inequality within and between places the impact of fiscal crisis on rural societies neoliberalism power and agency and rural areas as potential sites of resistance The Routledge International

**Handbook of Rural Studies** is required reading for anyone concerned with the future of rural areas **Rural Ageing** Norah C Keating, 2008-05-14 In western countries our knowledge of ageing has been developed primarily through an urban lens with rural issues typically considered in relation to urban research policy and programme outcomes This title provides a much needed corrective by focusing on diversity among rural communities **Interpreting Rurality** Gary Bosworth, Peter Somerville, 2013-10-15 The British countryside is a national institution most people aspire to live there many people use it for leisure and recreation and we can all watch rural life played out on our television screen read about it in novels or consume its imagery in art and cinematography The aim of this book is to explore the way that these aspirations and perceptions influence the way that the term rural is interpreted across different academic disciplines Definitions of rural are not exact leaving room for these interpretations to have a significant impact on the meanings conveyed in different areas of research and across different economic social and spatial contexts In this book contributors present research across a range of subjects allowing critical reflections upon their personal and disciplinary interpretations of rural This resulting volume is a collection of diverse chapters that gives an emergent sense of how the notion of rural changes and blurs as the disciplinary lens is adjusted In drawing together these strands it becomes clear that human relations with rural space morph materiality into highly complex representations wherein both disadvantage and social exclusion persist within a rurality that is also commodified consumed and cherished **Market Towns** Neil Powe, 2007-11-08 Original and insightful this volume giving in depth consideration to the key issues affecting the future of market towns provides readers with a framework for evaluating policy initiatives and progress in market towns Through a detailed analysis of the characteristics of over 200 towns and in

depth studies of eleven towns in different parts of E

**Research in the Social Scientific Study of Religion** Joanne Marie Greer, David O. Moberg, 2001-04 Various articles are presented covering psychological sociological and cross cultural topics or relevance to religious spiritual researchers and academics *Research in the Social Scientific Study of Religion, Volume 7*, 2021-11-22 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research

**Sport and Social Exclusion** Michael Collins, Mike Collins, Tess Kay, 2014-06-20 Tackling social exclusion should be a central aim of any civilised social policy In this meticulously revised and updated new edition of his groundbreaking study *Sport and Social Exclusion* Mike Collins has assembled a vast array of new evidence from a range of global sources to demonstrate how the effects of social exclusion are as evident in sport as they are in any area of society The book uses sport as an important sphere for critical reflection on existing social policy and explores sport's role as a source of initiatives for tackling exclusion It examines key topics such as What is meant by social exclusion How social exclusion affects citizenship and the chance to play sport How exclusion from sport is linked to poverty class age gender ethnicity disability and involvement in youth delinquency and living in towns or countryside How exclusion is linked to concepts of personal and communal social capital It uses four revised and five new major case studies as detailed illustrations notably Be Active Birmingham the national PE and Youth School Sport strategy Positive Futures and Street Games *Sport and Social Exclusion* features a wealth of original research data including new and previously unpublished material as well as important new studies of social exclusion policy and practice in the UK and elsewhere This revised edition surveys all the most important changes in the policy landscape since first publication in 2002 and explores the likely impact of the London Olympic Games on sport policy in the UK The book concludes with some typically forthright commendations and critiques from the author regarding the success of existing policies and the best way to tackle exclusion from sport and society in the future By relating current policy to new research the book provides an essential guidebook for students academics and policy makers working in sport policy and development

*A Threatened Rural Idyll? Informal social control, exclusion and the resistance to change in the English countryside* Nathan Aaron Kerrigan, 2018-09-30 Issues concerning globalisation protection of identity and resistance to change at the national level e.g. Brexit have been the cause of much

public and scholarly debate With this in mind this book demonstrates how these national and indeed global narratives have impacted on and are influenced by going on in local contexts By situating these national narratives within a rural context Kerrigan expertly explores through ethnographic research how similar consequences of informal social control and exclusion are maintained in rural England in order to protect rural identity from social and infrastructural change Drawing on observation participant observation and in depth interviews *A Threatened Rural Idyll* illustrates how residents from a small but developing rural town in the South of England perceived changes associated with globalisation such as population growth inappropriate building developments and the influx of service industries For many of the residents particularly those of middle class status and long standing in the town these changes were seen as a direct threat to the rural character of the town The investigation highlights how community dynamics and socio spatial organisation of daily life work to protect the rural traditions inherent in the social and spatial landscape of the town and to maintain the dominance of its largely white middle class character As a result Kerrigan contends that the resistance to change has the consequence of constructing a social identity that attempts to reinforce the notions of a rural idyll to the exclusion of processes and people seen as representing different values and ideals *Handbook of Rural Studies* Paul Cloke, Terry Marsden, Patrick

Mooney, 2006-01-26 This is a unique interpretation of rural issues that will become essential reference for students scholars politicians developers and rural activists Imre Kovach President European Society for Rural Sociology Research director Institute for Political Sciences Budapest **Tackling Poverty and Social Exclusion** John H. Pierson, 2016-04-20 In our highly unequal Britain poverty and social exclusion continue to dominate the lives of users of social work and social care services At the same time spending cuts and welfare reform have changed the context within which services are delivered The third edition of this unique textbook seeks to capture the complexity and diversity of practice relating to social exclusion as social workers adapt to this challenging environment *Tackling Poverty and Social Exclusion* prepares practitioners to engage directly with the social and personal circumstances facing excluded individuals and their families The volume Explains the development of the concept of social exclusion as a framework for understanding the impact of poverty and other deprivations on users lives and outlines five building blocks for combating exclusion in practice Locates practice within social work values of fairness and social justice while acknowledging the many challenges to those values Includes individual chapters on excluded children and families young people and adults with chapters also on practice in disadvantaged neighbourhoods and rural communities Discusses inclusionary practice in relation to racism as well as refugees and asylum seekers Throughout the book encourages students and practitioners to think through the range of approaches perspectives and value choices they face To facilitate engagement each chapter includes up to date practice examples case studies and specific questions for readers to reflect on **Research in the Social Scientific Study of Religion, Volume 26**

, 2015-08-25 This volume includes a wide range of papers that explore individual and institutional aspects of religion from a

social science perspective The special section has articles from research groups in Europe the USA and Australia on clergy work related psychological health stress burnout and coping strategies The general papers include studies on coping strategies among Buddhists gender differences in response to church decline teenage participation in religion social capital among Friends of Cathedrals psychological profiles of clergy education effects on Roman Catholic deacons and an analysis of prayer requests Together these papers form a valuable collection indicating the depth and vibrancy of research in these fields Contributors are Tania Ap Sion Rachel Blouin Christine Brewster the late Deborah Bruce Cheng Clara Michelle Giuseppe Crea Benjamin Doolittle Joseph Ferrari Leslie J Francis Philip Hughes Patrick Laycock Steve McMullin Judith Muskett Gemma Penny Russell Phillips Rae Jean Proeschold Bell Kelvin Randall Mandy Robbins Jenny Rolph Paul Rolph Greg Smith Sam Sterland Andrew Village Kay William Cynthia Woolever and Keith Wulff     Annual Report - Social Science Research Council Social Science Research Council (U.S.),1927     *Columbia Studies in the Social Sciences* ,1899

*Columbia University Studies in the Social Sciences* ,1899     Social Work in the British Isles Malcolm Payne,Steven Shardlow,2002 This ground breaking book provides invaluable insight into the diverse nature of social work practice within the British Isles The contributors explore key differences in social work s role and character and the legal systems and organisational structures in which it operates in the different regions
