Aramay Alan Stapf,2018-02-06 Aramay is defiant attractive and intelligent Shes an empath who feels peoples emotions Resiliency and strength are part of her nature as being an empath carries a burden In the silence of slumber she sometimes finds moments of peace in her dreams her paradise but when she awakes it is to the emotions of others at the mercy of their fears anger and arrogance She works for the Federation as a behaviourist although her associates consider her a lone wolf since Aramay holds very different views from theirs In the wilds of Siberia and Mongolia where their operation is played out they work together to capture or eliminate the natives and where their actions are broadcast to the Federation populations as a reality show Aramays views eventually lead to a clash of personalities in the midst of their mission She is set as an outcast by the majority because of her ethereal abilities especially when she becomes sympathetic towards the natives She begins to wonder if she is right and what is the truth Yet even Aramay with all her intuition and perception is unaware of the natives true potential and their extraordinary goal

Walking the Forest with Chico Mendes Gomercindo Rodrigues,2009-03-06 A close associate of Chico Mendes Gomercindo Rodrigues witnessed the struggle between Brazil s rubber tappers and local ranchers a struggle that led to the murder of Mendes Rodrigues s memoir of his years with Mendes has never before been translated into English from the Portuguese Now Walking the Forest with Chico Mendes makes this important work available to new audiences capturing the events and trends that shaped the lives of both men and the fragile system of public security and justice within which they lived and worked In a rare primary account of the celebrated labor organizer Rodrigues chronicles Mendes s innovative proposals as the Amazon faced wholesale deforestation As a labor unionist and an environmentalist Mendes believed that

rain forests could be preserved without ruining the lives of workers and that destroying forests to make way for cattle pastures threatened humanity in the long run *Walking the Forest with Chico Mendes* also brings to light the unexplained and uninvestigated events surrounding Mendes's murder Although many historians have written about the plantation systems of nineteenth century Brazil few eyewitnesses have captured the rich rural history of the twentieth century with such an intricate knowledge of history and folklore as Rodrigues The Pennsylvania Magazine of History and Biography ,1925
