**Emile de Antonio** Emile De Antonio, Douglas Kellner, Dan Streible, 2000 Innovative documentary filmmaker friend of Andy Warhol John Cage Jasper Johns Robert Rauschenberg and other leading figures of the New York art world radical leftist critic of the Establishment and legendary bon vivant Emile de Antonio 1919 1989 was a larger than life personality and a key figure in the development of post war American cinema The films de Antonio made between 1963 and 1989 including Point of Order Rush to Judgment In the Year of the Pig Painters Painting and Millhouse A White Comedy revolutionized the documentary format and inspired a generation of artists and filmmakers A decade after his death his cinematic legacy ranging from the brilliantly edited compilation of the 1954 Army McCarthy hearings that helped construct Senator Joseph McCarthy's reputation as a rogue demagogue Point of Order to a meditative juxtaposition of documents about F B I director J Edgar Hoover and intimate footage drawn from the filmmaker's own life Mr Hoover and I remains unparalleled in American documentary film Emile de Antonio A Reader is the first full length volume devoted to this major American filmmaker It collects interviews with and writings by de Antonio reviews and other critical material that detail the genesis production history and reception of his films a comprehensive filmography and an in depth biographical essay Offering a long overdue assessment of de Antonio's career this indispensable book also makes a significant contribution to our understanding of American independent cinema at its most politically engaged *Rush to Judgment* Mark Lane, 1975 New introduction by Mark Lane A Dell Book Includes bibliographical references *The Channeled Image* Erica Levin, 2022-11-25 Introduction Tuning In Network Media TV Nation Movement Media War on Television We Interrupt this Program Public Television Nervous System Conclusion TV Now **Reclaiming History** Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F. Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F. Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling Outrage Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one

imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi's irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense
