Thompson,1990 Russia and the Soviet Union ,1965 **A History of the Soviet Union from the Beginning to the End** Peter Kenez,1999-03-13 Kenez envisions that revolution as a crisis of authority that posed the question Who shall govern Russia This question was resolved with the creation of the Soviet Union **Russia and the Soviet Union** Bartlett Warren Walsh,1958 **Rulers and Victims** Geoffrey Hosking,2006-01-01 Many westerners used to call the Soviet Union Russia Russians too regarded it as their country but that did not mean they were entirely happy with it In the end in fact Russia actually destroyed the Soviet Union How did this happen and what kind of Russia emerged In this illuminating book Geoffrey Hosking explores what the Soviet experience meant for Russians One of the keys lies in messianism the idea rooted in Russian Orthodoxy that the Russians were a chosen people The communists reshaped this notion into messianic socialism in which the Soviet order would lead the world in a new direction Neither vision however fit the community spirit of the Russian people and the resulting clash defined the Soviet world Hosking analyzes how the Soviet state molded Russian identity beginning with the impact of the Bolshevik Revolution and civil war He discusses the severe dislocations resulting from collectivization and industrialization the relationship between ethnic Russians and other Soviet peoples the dramatic effects of World War II on ideas of homeland and patriotism the separation of Russian and Soviet culture leadership and the cult of personality and the importance of technology in the Soviet world view At the heart of this penetrating work is the fundamental question of what happens to a people who place their nationhood at the service of empire There is no surer guide than Geoffrey Hosking to reveal the historical forces forging Russian identity in the post communist world *Russia and the Soviet Union* John M Thompson,Taylor & Francis Group,2021-02-27 This book is a brief lucid account of Russian and Soviet history from ancient Kievan Rus to the present day Equal attention is paid to the early and the modern periods of Russian history The author has revised this new edition to include the dramatic changes in the Soviet Union and its foreign policy during Gorbachev s first five years in office The text is supplemented with maps and illustrations and includes bibliographies at the end of each chapter Designed for use by students in either a one or two semester introductory course in Russian history Russia and the Soviet Union will also be valuable to any reader seeking to become acquainted with the story of the Russian people their tribulations and courage tragedies and triumphs and their remarkable contribution to world culture **Jews and Jewish Life in Russia and the Soviet Union** Yaacov
