Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history Nineteenth-century Russian Literature in English ,1990 Catalogs items published from the 1890s through 1986 covering both general topics and 69 writers The bibliographies of individual writers are divided into sections on translations and on criticism The translations include collected works other books and publications in anthologies and journals **Nineteenth-century Literature Criticism** Laurie Lanzen Harris,1981 Excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations *Anton Chekhov* Harold Bloom,Sterling Professor of Humanities Harold Bloom,2009 Presents a collection of critical essays on the works of Anton Chekhov **New Essays on Dostoyevsky** Malcolm V.
