weapon of mass destruction awaits you inside The Canterbury Tales Geoffrey Chaucer,2005-09-29 The most complete of all remaining surviving fragments sections of The Canterbury Tales the First Fragment contains some of Chaucer s most widely enjoyed work In The General Prologue Chaucer introduces his pilgrims through a set of speaking portraits drawn with a clarity that makes no attempt to conceal their peculiarities The four tales that follow those of the Knight Miller Reeve and Cook reveal a wide variety of human preoccupations whether chivalrous romantic or simply sexual Brilliantly bawdy and subtly complex each of these tales is alive with Chaucer s skills as a poet storyteller and creator of comedy The Jews in Britain R. Langham,2005-11-22 For nearly a thousand years there has been a Jewish presence in Britain Today the Jewish community although numbering less than 300 000 is widely seen as one of the most successful groups in Britain This unique book describes events in Britain concerning Jews in chronological order from ancient legend to the present times Telling Stories Cartledge Tony,Tony W. Cartledge,2008 In telling stories Jesus often used imagination and metaphor pulling attention grabbing stories and images from the air He asked his hearers to imagine someone who could examine a speck in another s eye while a plank protruded from his own or to visualize a great camel squeezing through the eye of a needle He spoke of a despised Samaritan who showed unexpected compassion and a bigger barn building landowner who thought only of himself Jesus hearers understood that the characters and events in those memorable stories didn t have to be real in order for the stories to be true In his preaching experience of nearly forty years Tony Cartledge like many other preachers has often told creative stories as an avenue for capturing the attention and engaging the minds of those listening to the message he was called upon to bring His latest book Telling Stories contains a smorgasbord of stories and scripts that range from the possible to the fantastic along with one that really happened They include original stories in folktale style and monologues or dialogues designed to illuminate biblical characters All of these stories are designed to inspire those who proclaim Christ to effectively utilize good stories in their own preaching *Sir Sergeant. A Story of Adventures that Ensued Upon "The '45."* W. L. Watson,1899 **Canterbury Tales** Geoffrey Chaucer,1928 Journeys from the Abyss Tony Kushner,2017-09-28 This is the first study to place Jewish refugee movements from Nazism into a wider framework of global forced migration from the late nineteenth through to the twenty first century *Tales of the Korean War: A Reminiscence* Percy Townsend,2023-12-21 Using a US Army infantry regiment as a backdrop tales are told of individual soldiers experiences during the Korean War They are tales of the dogfaces the grunts the foxhole men and the officers that led them This moving account takes you inside their hearts minds and souls When men depend on one another in battle a bond among them is created that can never be broken Etched in their minds are thoughts and memories that will remain as long as their lives endure Their tales speak of comradery bravery and cowardice They reveal the terror the sadness and the glory of battle War is exposed with all its horror misery and bloodshed by soldiers and innocent civilians alike The tales unveil soldiers atrocities committed to ensure their own survival These are stories of men far away from their homes and loved ones fighting to obtain

freedom for a people they would never know These are their stories stories not intended for the faint of heart **Fantastic Tales; Or, The Way to Attain--a Book Full of Pantagruelism Now for the First Time Done Into English** Béroalde de Verville,1923 **Stories, Storytellers, and Storytelling** Tom Vine,Sarah Richards,2022-12-15 This book advances social scientific interest in a field long dominated by the humanities stories and storytelling Stories are a whole lot more than entertainment oral narratives novels films and immersive video games all form part of the sociocultural discourses which we are enmeshed in and use to co construct our beliefs about the world around us Young children use them to learn about the world beyond their immediate sensory experience and even in an era of interactive electronic media the bedtime story remains a cherished part of most children s daily routine Storytelling is thus the first abstract formal learning method we encounter as human beings It is also probably transcultural perhaps even an immanent part of the human condition Narratives are at heart sequences of events and presuppose and reinforce particular cause and effect relationships Inevitably they also construct unconscious biases prejudices and discriminatory attitudes Storying a term we use in this book to encompass stories storytellers and storytelling is complex and this book seeks to make sense of it *Kissing the Hand of the Dead* Wayne T. Williams,2013-02-08 Dr Wayne Williams a Botanist and conservationist travelled the world over a forty year period mostly in third world countries in Latin America eastern Europe and central Asia where he worked for sixteen years in international development Dealing with the omnipresence of five bloody wars on numerous assignments as an environmental and agricultural scientist this present volume *Kissing the Hand of the Dead* creates an indefatigable confidence that solutions to war and violence are possible The answer is within a massive appreciation and defense of Nature and those around us This action lies within the paradigm to remember and honor our ancestors learning from their historical experience His descriptions of the joy humor and pathos of cultural behavior are intriguing and mysterious leading to a new means of ending war and finding new paths to peace and security **Edinburgh Companion to Modern Jewish Fiction** David Brauner,2015-06-07 Provides critical overviews of the main writers and key themes of Anglophone Jewish fiction This collection of essays represents a new departure for and a potentially re defining moment in literary Jewish Studies It is the first volume to bring together essays covering a wide range of American British South African Canadian and Australian Jewish fiction Moreover it complicates all these terms emphasising the porousness between different national traditions and moving beyond traditional definitions of Jewishness For the sake of structural clarity the volume is divided into three parts American Jewish Fiction British Jewish Fiction and International and Transnational Anglophone Jewish Fiction but many of the essays cross over these boundaries and speak to each other implicitly as well as on occasion explicitly Extending and redefining the canon of modern Jewish fiction the volume juxtaposes major authors with more marginal figures revising and recuperating individual reputations rediscovering forgotten and discovering new work and in the process remapping the whole terrain This volume opens windows onto vistas that previously had been obscured and opens doors for the next
