Long Range Effects Of Early Childhood Sexual Experiences

Thomas K Hubbard, Beert Verstraete

Long Range Effects Of Early Childhood Sexual Experiences:

Long-range Effects of Child and Adolescent Sexual Experiences Allie C. Kilpatrick, 2014-06-03 Making a unique contribution of placing the current sexual exploitation of children and adolescents firmly in its historical context this book looks at the family's and society's roles in child and adolescent sex abuse Unlike most previous studies this study allows a range of responses from negative to positive and avoids the methodological problems inherent in many other studies Most studies combine the age groups of children and adolescents whereas this study separates these different age groups and compares the nature and outcome of sexual experiences of children with those of adolescents Utilizing sophisticated analytical measures the author's findings repudiate many commonly held assumptions and serve to calm current hysteria regarding sexual abuse of minors Written to disseminate findings that could be helpful in realistically confronting the phenomenon of human sexuality the results presented in this book dispel many current myths about early sexuality including ethnic differences The author wanted to separate scientific inquiry from the perpetration of pervading mores or social norms and identify the real menaces to healthy adult functioning

Ephross, 2005 Group Work with Populations at Risk 2nd Edition is a fundamental book aimed at social workers and other mental health professionals interested in at risk groups with specific populations Accessible and practical as well as scientifically and theoretically sound the text provides a set of guidelines for social workers who are called upon to work with groups of people facing such issues as cancer AIDS addiction head injury divorce mental illness and abuse The second edition expands the scope of the book to additionally address the significant world developments that have affected the

Child Maltreatment Dean D. Knudsen, 1992 With summaries review questions and suggested projects with each chapter and a broad and balanced view of the field Child Maltreatment makes a splendid text for courses in child abuse

Comprehensive Handbook of Psychopathology Henry E. Adams, Patricia B.

Sutker,2013-04-17 The first edition of Comprehensive Handbook of Psychopathology was published in 1984 almost a decade ago In the interim there has been an explosion of information in psychopathology Proliferation of knowledge has included a widening base of research data and changing or new concepts and theories regarding classification measurement methods and etiology of abnormal behaviors and mental disorders It has been an active and productive period for biological and behavioral scientists and clinicians particularly in terms of changing notions of the complex interaction of environmental and biological factors in many disorders For example with the classic disorders such as anxiety and dissociative disorders our understanding while far from perfect has been greatly enhanced in recent years Whereas there was almost a vacuum of empirical knowledge ten years ago about the personality disorders concentrated efforts have been undertaken to investigate classification comorbidities and expression of the personality disorders and variants in normal personality traits In addition scientific advances in the fields of behavioral medicine health psychology and neuropsychology have greatly contributed to our knowledge of psychopathology and the interplay of psychobiological factors It is now commonly acknowledged that psychopathology is not limited to the traditional mental illness categories it also plays a significant role in many physical illnesses such as cancer and AIDS With these developments it became clear that the first edition of this handbook was outdated and that a revision was needed

PTSD Research Quarterly ,1992 Adult Psychopathology and Diagnosis

Michel Hersen,Samuel M. Turner,Deborah C. Beidel,2007-03-22 The most up to date coverage on adult psychopathology Adult Psychopathology and Diagnosis Fifth Edition offers comprehensive coverage of the major psychological disorders and presents a balanced integration of empirical data and diagnostic criteria to demonstrate the basis for individual diagnoses The accessible format and case study approach provide the opportunity to understand how diagnoses are reached Updated to reflect the rapid developments in the field of psychopathology this Fifth Edition encompasses the most current research in the field including A thorough introduction to the principles of the DSM IV TR classification system and its application in clinical practice The biological and neurological foundations of disorders and the implications of psychopharmacology in treatment Illustrative case material as well as clinical discussions addressing specific disorders diagnostic criteria major theories of etiology and issues of assessment and measurement Coverage of the major diagnostic entities and problems seen in daily clinical work by those in hospitals clinics and private practice A new chapter on race and ethnicity by renowned expert Stanley Sue

Current Catalog National Library of Medicine (U.S.),1992-10

Sexual Development in Childhood

John Bancroft,2003-12-11 Approached with either indifference or panic in our culture discussion of childhood sexuality remains submerged within political and moral debates

that have historically impeded its understanding In contrast Sexual Development in Childhood brings together respected researchers and clinicians to assess the current state of knowledge about childhood sexuality The result is a comprehensive presentation of the latest research that is rational balanced and thorough The wide ranging essays in Sexual Development in Childhood seek collectively to answer many of the most vital questions in the field of childhood development What is childhood sexuality and why should it be studied How should it be measured and what research methods are most useful What are the current empirical results of research and in what direction do these studies intend to go in the future The essays offered in answer to these questions propose to help us understand both the normal range of sexual development in children and the consequences of abusive sexual experiences objectives that should make this volume an essential resource for teachers advocates and social policy professionals as well as for researchers and clinicians

Women Who Were Sexually Abused as Children Teresa Gil, 2018-08-24 Stories of mothers who survived sexual abuse as children reveal the struggles challenges and triumphs of this special group of women Unraveling the veil of silence and capturing the experiences of mothers who were sexually abused as children this book offers a first step in both supporting mothers and disrupting the cycle of intergenerational abuse that keeps these mothers isolated and alone in their mothering challenges and successes Each story reveals the concerns the needs the difficulties and the fears these mothers confront as they parent their children while struggling with their own past experiences By examining the therapeutic needs and concerns of mothers who have survived child sexual abuse Teresa Gil offers special insight into understanding and supporting these remarkable women At issue is understanding what helps women who were sexually abused as children to survive and to parent effectively Written for adult mothers who were victims of childhood sexual abuse as well as for helping professionals this book reveals the touching details of the pain and triumphs of mothering as a survivor and examines the protective factors that support resiliency and assist survivor mothers to overcome challenges and to provide safe environments for the next generation

Transforming Hate to Love Melvyn Rose, 2003-09-02 The Peper Harow residential community was founded in 1970 and gained international reputé for its pioneering work with disturbed adolescents For over 20 years this remarkable establishment provided a therapeutic environment for teenagers who had often suffered appalling abuse and yet for whom the state's only remedial provision until then had been in the punitive form of the approved schools In Transforming Hate to Love Melvyn Rose the community's founder assesses Peper Harow's success in managing disturbed behaviour and offers views on areas where the establishment could have responded more effectively to the needs of its residents His study is complemented by the testimony of ex residents helped by Peper Harow to overcome their fears and abandon their disruptive behaviour The overwhelmingly positive outcome indicates the need for a review of current social policy towards deviant youth and shows how society as a whole would benefit from a psychodynamic view of the causes of criminality and mental ill health among the young

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1992

Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists Censoring Sex Research Thomas K Hubbard, Beert Verstraete, 2016-06-16 This volume brings into daylight one of the most explosive episodes of censorship and censure of academic scholarship in recent decades presenting an extended version of Bruce Rind's suppressed essay on sexual relations between male adults and adolescents cross culturally accompanied by twelve essays arguing for or against Rind and analysing the controversy **The Sexual Abuse of Children** William T. O'Donohue, James H. Geer, 2014-01-02 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention

The Juvenile Sex Offender Howard E. Barbaree, William L. Marshall, 2008-06-19 From leading scientists and practitioners this authoritative work examines what is known about the nature and development of juvenile sexual offending the consequences for both victims and perpetrators and approaches to assessment intervention and relapse prevention Pathways of normal sexual development are described and the biological social and psychological processes that lead to sexual conduct problems are investigated The book explores how juvenile offenders are dealt with in the mental health and criminal justice systems reviews available psychological and pharmacological treatment approaches and provides research based recommendations for improving existing practices *Understanding Child Sexual Abuse* A. Jones, 2013-01-29 This book is the first comprehensive study of child sexual abuse in the Caribbean exploring issues such as the ontology of childhood links between slavery colonialism and present day gender based violence the impact of child sexual abuse on the brain and child protection after natural disasters *Deviant Behavior* Charles McCaghy, Timothy Capron, J.D. Jamieson, Sandra Harley Carey, 2016-01-08 Using the framework of interest group conflict this text combines a balanced comprehensive overview of the field of deviance with first hand expertise in the workings of the criminal justice system Deviant Behavior Seventh Edition surveys a wide range of topics from explanations regarding crime and criminal behavior measurement of crime violent crime and organizational deviance to sexual behavior mental health and substance abuse This new edition continues its tradition of applying time tested sociological theory to developing social concepts and emerging issues *Child Abuse: Short- and*
