The Flowers of the Forest Trevor Royle, 2011-08-01 The author of *Culloden* details the effects of World War I on Scotland On the brink of the First World War Scotland was regarded throughout the British Isles as the workshop of the Empire Not only were Clyde built ships known the world over Scotland produced half of Britain's total production of railway equipment and the cotton and jute industries flourished in

Paisley and Dundee In addition Scots were a hugely important source of manpower for the colonies Yet after the war Scotland became an industrial and financial backwater Emigration increased as morale slumped in the face of economic stagnation and decline The country had paid a disproportionately high price in casualties a result of huge numbers of volunteers and the use of Scottish battalions as shock troops in the fighting on the Western Front and Gallipoli young men whom the novelist Ian Hay called the vanished generation In this book Trevor Royle provides the first full account of how the war changed Scotland irrevocably by exploring a wide range of themes the overwhelming response to the call for volunteers the performance of Scottish military formations in 1915 and 1916 the militarization of the Scottish homeland the resistance to war in Glasgow and the west of Scotland and the boom in the heavy industries and the strengthening of women's role in society following on from wartime employment Royle has done First World War History a great service Gary Sheffield military historian His exceptional talents at narration produce a work that is both through provoking and engaging A vivid solidly written book International Review of Scottish Studies Connecting Cultures Rebecca L. Thomas, 1996-01-30 A comprehensive guide to multicultural literature for children this valuable resource features more than 1 600 titles including fiction folktales poetry and song books that focus on diverse cultural groups The selected titles published between the 1970s and 1990s are suitable for use with preschoolers through sixth graders and are likely to be found on the shelves of school and public libraries Topics are timely with an emphasis on books that reflect the needs and interests of today's children Each detailed entry includes bibliographic information Use level is also included as are cultural designation subjects and a summary The invaluable Subject Access section incorporates use level culture information **A Survival Guide for Bronze Sculptors** Gabe Gabel, 2008-07-31 Gabe Gabel has written the book she wishes she had been able to find when she started her professional career thirty years ago It is really a two part book One part concentrates on the bronze sculpture Art collectors will find the step by step explanation of the casting process extremely educational Artists who wish to learn more about doing a bronze sculpture will not only like that part but the complete how to do it discussion will cover everything they need to know about taking a sculpture all the way through It starts with the placement of the armature and finishes with the decision of the number of the limited edition they choose to cast The information is all there the basic tools the different choices they have in methods and materials and why Gabe prefers the ones she does There are sources and expenses and many ways to save money that she has learned over the years Many options are discussed there are suggestions for solving problems that can occur and attention is paid to safety concerns that artists face that are rarely mentioned Nearly any bronze sculptor is likely to learn some tips that they will appreciate no matter how experienced they are Don't look for how to create your art The reader has to bring his or her own artistic ability to the sculpture table This is not the book to show you how to do a horse sculpture though the book does follow one horse original from armature to bronze This is a book to show you how to bring your own creations to casting ready sculpture But if you do want to sculpt a horse you will come out with some great

ideas to make yours even better For artists who use other media there is a great deal of wonderful information on all aspects of marketing and managing your art business It is a business and Gabe feels that it must be treated as such if an artist wants to make a profit and to make a living selling their work It is all there how to start and utilize a mailing list there is a discussion on show vehicles and various art displays with information on building your own show clothing and manners types of shows galleries your home office and computer Look for letters to Dear Aunt Gabby and her often rather pointed advice Aunt Gabby has heard it all from artists and buyers to show promoters Aunt Gabby is not an art critic she thinks there are enough of those but she can be highly critical of artists and their behaviors In short this is a book by an artist for artists though Gabe does hope that art collectors will find it irresistible too Please visit her personal web site gabegabel.com to enjoy her work in full color see her show schedule and read her newsletters She also welcomes comments through e mail at gabegabel@hotmail.com

U.S. History Through Children's Literature Wanda Miller, 1997-03-15 Allow students to step back in time to experience the thoughts feelings dilemmas and actions of people from history For each history topic Miller suggests two titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history meaningful to students and helps them retain historical details and facts
