Long Time To Hate:

Rhodesville Ronnie L Richards, 2024-01-15 Lee Burrows thought he had the trauma of his childhood behind him After high school Lee moved to Boston from his tiny hometown of Rhodesville located in the far northwest corner of Alabama Over the years he buried those terrible childhood memories When the invite came his wife urged him to attend his thirtieth high school reunion Fearing he may have to face his past Lee reluctantly agreed to attend the reunion As soon as Lee stepped out of his car in Rhodesville the memories roared back The secret he held inside exposed itself A secret he had told no one about not even his wife The secret that explained how one of his closest childhood friends had died They were only eleven years old and camping alone when the unthinkable happened What young Lee told everyone about his friend s death was not the truth Lee came face to face with the truth soon after his arrival for the class reunion

Hate and Reconciliation Guido Cuyvers, 2022-11-29 Every day the media confront us with the many forms and excesses of hatred cyber hatred hate speech bullying hate groups religiously inspired violence against dissidents and genocides Hatred is human and current It is an intrinsic part of what can happen between people Personal experiences can lead people to hate someone In society and even on a global level hatred is again and again the motor of misunderstanding and often also of violence between people Sometimes hate smoulders almost unconsciously at other times he is furious and serves as a flag for serious violence Hatred has many faces and seems omnipresent that much is clear The term Erida complex after the Greek goddess of hate symbolizes the common and deeply rooted nature of hatred Hatred is mighty as a destructive force He knows how to motivate individuals and large groups of people to bring out the worst in themselves He turns life among people into a desert However he cannot compete with Irene the goddess and the symbol of peace After all he is unable to correct what went wrong Nor is it a ground for building a peaceful society At the same time hatred is impotent against the positive freedom of people to transcend the negative Those who are open to this will see many connecting and therefore Irenian initiatives Hatred does not and should not have the last word Opposite the well of Erida is the Irenian the way to peace After examining the nature of hate this book focuses a wide angle lens on its many faces in individuals and groups as well as peoples Facing the negativity of hatred this book presents constructive approaches to fostering relationships between people and peace

How I Learned to Hate in Ohio David Stuart MacLean, 2021-01-19 A brilliant hilarious and ultimately devastating debut novel about how racial discord grows in America In late 1980s rural Ohio bright but mostly friendless Barry Nadler begins his freshman year of high school with the goal of going unnoticed as much as possible But his world is upended by the arrival of Gurbaksh Gary for short a Sikh teenager who moves to his small town and instantly befriends Barry and in Gatsbyesque fashion pulls him into a series of increasingly unlikely adventures As their friendship deepens Barry s world begins to unravel and his classmates and neighbors react to the presence of a family so different from theirs Through darkly comic and bitingly intelligent asides and wry observations Barry reveals how the seeds of xenophobia and racism find fertile soil in this

insular community and in an easy graceless unintentional slide tragedy unfolds How I Learned to Hate in Ohio shines an uncomfortable light on the roots of white middle American discontent and the beginnings of the current cultural war It is at once bracingly funny dark and surprisingly moving an undeniably resonant debut novel for our divided world The Time Mom Met Hitler, Frost Came to Dinner, and I Heard the Greatest Story Ever Told Dikkon Eberhart, 2015 He was predestined for literary greatness If only his father hadn't used up all the words As the son of the Pulitzer Prize winning poet Richard Eberhart Dikkon Eberhart grew up surrounded by literary giants Dinner guests included among others Robert Frost Dylan Thomas Allen Ginsberg W H Auden and T S Eliot all of whom flocked to the Eberhart house to discuss debate and dissect the poetry of the day To the world they were literary icons To Dikkon they were friends who read him bedtime stories gave him advice and on one particularly memorable occasion helped him with his English homework Anxious to escape his famous father's shadow Dikkon struggled for decades to forge an identity of his own first in writing and then on the stage before inadvertently stumbling upon the answer he'd been looking for all along in the most unlikely of places Brimming with unforgettable stories featuring some of the most colorful characters of the Beat Generation The Time Mom Met Hitler Frost Came to Dinner and I Heard the Greatest Story Ever Told is a winsome coming of age story about one man's search for identity and what happens when he finally finds it The Francine Rivers Contemporary Collection: Leota's Garden / And the Shofar Blew Francine Rivers, 2016-04-01 This collection bundles two contemporary Christian novels by the New York Times bestselling author of Redeeming Love and The Masterpiece Leota's Garden plus And the Shofar Blew are combined into one e book for a great value Leota's Garden An emotionally compelling story Library Journal about the devastation secrets can unleash on a family and the power of grace to bring second chances Leota's garden was once a place of beauty where flowers bloomed and hope thrived Now eighty four year old Leota Reinhardt is alone her beloved garden in ruins All her efforts to reconcile with her adult children have been fruitless and she voices her despair to a loving Father her only friend Then God brings a wind of change through unlikely means Rivers is a master gardener using poignant humor and bittersweet revelation to open hearts to reconciliation Romantic Times And the Shofar Blew He seemed like the perfect pastor to lead Centerville Christian Church She was the perfect pastor's wife When Paul Hudson accepted the call to pastor the struggling church he had no idea what to expect But it didn't take long for Paul to turn Centerville Christian Church around Attendance was up way up Everything was going so well If only his wife could see it that way Still he tried not to let her quiet presence disturb him She knew something wasn't right and it hadn't been for a long time Eunice closed the bedroom door quietly and knelt beside her bed I'm drowning God I've never felt so alone Who can I turn to but you Lord Where else does a pastor's wife go for help when her marriage is failing and her life is out of control Who can I trust with my anguish Lord Who but you This book is a powerful and almost prophetic statement of the church in America And the Shofar Blew is a must read Anne Graham Lotz bestselling author and speaker The Gold Girl James Beardsley Hendryx, 1920
