parchment fabric and metal that flourished in the period together signaling important changes taking place in early modern society Examining the marked body as a material object replete with varied meanings and uses Signing the Body Marks on Skin in Early Modern France shows how the skin itself became the register of the profound cultural and social transformations that characterized this era *My Old Man and the Sea* Daniel Hays,1995-01-01 Traces a father and son journey around South America in a tiny boat they built together *The Goodbye House* Lawrence Coates,2015-09-01 In the aftermath of the early 2000s dot com bust the people of San Jose California face a changing landscape of lost dreams and careers gone awry It s in this setting that Katherine Watson a forty seven year old event planner and mother of two moves back into her childhood home with her teenage son Carter They live with her aging father who is undergoing palliative care for prostate cancer Katherine s husband Scott has gone missing after his risky investments failed and they were forced to sell their dream home In this multigenerational family story Katherine Carter and Scott all try to navigate an evolving world in the Golden State that doesn t seem quite so golden any longer Scott returns and hopes to restore and recreate their past happiness Katherine contemplates divorce and explores new love along the way and Carter works to find a place for himself in a new school among classmates who are hostile to him The characters fervently chase their dreams across Silicon Valley and beyond from the gleaming office parks of Cupertino to a self help seminar on the Las Vegas Strip and an underfunded high school theater production of *The Tempest* The one element tying them all together is the house of the title a 1950s tract home that once represented happiness and now holds the family close in its protective embrace until in the end even this constant changes *The Leisure Hour Monthly Library* ,1853 *Medical News Letter* ,1966 **Dictionary of American Naval Fighting Ships** ,1968 *Dictionary of American Naval Fighting Ships* United States. Naval History Division,1968 An alphabetical arrangement of the ships of the continental and United States Navies with a historical sketch of each one **United States Navy Medical Newsletter** ,1966 **Sixty Years behind the Mast** Edward Carus,2021-08-03 Although the theme of *Sixty Years behind the Mast* is sailing blue water cruising in particular it is much more than just about sailing First it is hoped the book will be added to the libraries of many blue water sailors For example on the author s forty foot yacht *AEOLUS* its library included three or four dozen sailing books including Joshua Slocum s *Sailing Alone Around the World* 1894 and Richard Henry Dana s *Two Years Before the Mast* 1840 Dana s book is an excellent description of the eighty four foot Boston brig *PILGRIM* trading with the ranchers in Alta California in the 1830s A good library consisting of many other well known sailing adventure stories is essential on a cruising yacht Second *Sixty Years behind the Mast* also should be included in the libraries of armchair adventurers who dream of making voyages to the distant islands in the South Pacific The romantic South Pacific is famous for its out of the box authors artists beachcombers lone sailors and scallywags such as Robert Louis Stevenson In the South Seas James Michener Tales of the South Pacific impressionist painter Paul Gauguin who lived out his tragic life on Hiva Oa an island of the Marquesas Archipelago and American musician Eddie Lund and his

Tahitians sometimes referred to as the Irving Berlin of island music The Romance of the South Pacific was also well illustrated by famed film director John Ford s movie The Hurricane 1937 starring Dorothy Lamour and Jon Hall Third Sixty Years behind the Mast is a good reference manual for parents who have adolescent children Several weeks even just one week of blue water sailing on a small boat is an amazing way to help children successfully navigate the rite of passage from adolescence to adulthood Cruising motivates a person to become self reliant builds self confidence enhances compassion helps develop the skills required for effective teamwork and leadership and makes one more sensitive to nature and sympathetic to the environment The Leisure Hour ,1853 *The Shadows of Socrates* Matt Gatton,2024-02-06 The death of Socrates may be the most famous unsolved murder in history Set during the Peloponnesian War this narrative solves that mystery revealing for the first time how the philosopher was set up who did it and why The influence of the ancient Greek philosopher Socrates has been profound Even today over two thousand years after his death he remains one of the most renowned humans to have ever lived occupying a stratum with the likes of Buddha Jesus Muhammed Confucius and Moses It may not be too much to say that Socrates is the single most recognizable name in the history of all humanity The death of Socrates is in some ways the most famous unsolved murder mystery in history This book will solve the mystery revealing for the first time how he was set up who did it and why What follows is not a philosophical tract but something closer to a novel made all the more compelling because it s true This is a real life whodunit intertwined with a long running war rivalry sex addiction betrayal sedition starvation and epic bravery Socrates was the most rational of men living in the most irrational of times There is another side to this story impiety lack of reverence for the gods was a religious crime From the perspective of the religious authorities of the time the charge of impiety against Socrates was warranted his trial just and the penalty appropriate The priests did not tolerate scrutiny even in the form of philosophical critique To understand what happened and how it happened we have to come to terms with the motives of the priests and as importantly Socrates motives in provoking them His trial is perhaps first but not last great battle between philosophy and religion The repercussions of this ancient epic apply equally to the West today as Athens also endured pendulum swings between democracy and oligarchy always with bloodshed and never with Socrates s approval **Victorine** Catherine Texier,2007-12-18 In 1899 Victorine Texier abandons her small French village her husband and her two young children to follow her lover to Indochina She has fallen for Antoine her childhood sweetheart and when his work sends him to Asia she is compelled to go with him and to leave everything she knows behind Their five weeks together onboard the ship to Indochina are a kind of honeymoon a prelude to their liberation in a sultry new world of frangipani trees and monsoons Victorine gives herself over completely to this exhilarating new life of colonial extravagance that is until she encounters her youngest sister who has also been living in Hanoi and Saigon This reunion both joyous and tense reminds Victorine all too painfully of her life and family in France and forces her to confront exactly what she has done Vividly narrated through a series of flashbacks Victorine is a richly textured and passionate story
