Longing For A Child:

Longing for a Child Kathe Wunnenberg, 2005 My story is different from yours but the pages of our lives share a common theme Silent suffering The longing for a child Think of my book as your companion of hope a ray of sunshine to shine truth encouragement and perspective on your situation Kathe Wunnenberg Infertility is a deeply private pain that is often misunderstood by those who have not experienced its seasons of longing and loss Whether you recently tried to have a child or have struggled for years to conceive Longing for a Child is a compassionate companion full of hope healing and practical help Offering biblical perspectives and moving stories of others who have struggled with infertility sixty heartfelt devotions connect you securely to God during this time of waiting heartbreak and questioning Each devotion contains a Scripture short thematic story prayer reflective questions and a space for journaling Meditations for special occasions such as Mother's Day are also included An encouraging devotional companion that can be used by individuals couples or groups Longing for a Child speaks directly to the heart meeting you wherever you are on your journey through infertility Autism and Neurotypicality Ingrid Manogg, 2024-08-21 As humans we connect What role do inner images and emotions play in this Which sensory systems do we use are we hostile to thinking What seems beautiful to us what do we perceive as a reward What are favourite children what is the significance of feelings such as envy what functions do pride and shame have What are the differences between autistic people and neurotypes in all this We ask about deep structures and conditions of origin and look at how the neurotypical patterns interact with our social system A psycho logical analysis with new approaches
