Transcultural History Madeleine Herren, Martin Rüesch, Christiane Sibille, 2012-06-19 For the 21st century the often quoted citation past is prologue reads the other way around The global present lacks a historical narrative for the global past Focussing on a transcultural history this book questions the territoriality of historical concepts and offers a narrative which aims to overcome cultural essentialism by focussing on crossing borders of all kinds Transcultural History reflects critically on the way history is constructed asking who formed history in the past and who succeeded in shaping what we call the master narrative Although trained European historians the authors aim to present a useful approach to global history showing first of all how a Eurocentric but universal historiography removed or essentialised certain topics in Asian history As an empirical discipline history is based on source material analysed according to rules resulting from a strong methodological background This book accesses the global past after

World War I looking at the well known stage of the Paris Peace Conferences observing the multiplication of new borders and the variety of transgressing institutions concepts actors men and women inventing themselves as global subjects but sharing a bitter experience with almost all local societies at this time namely the awareness of having relatives buried in far distant places due to globalised wars *Great Britain* Richard S. Thompson,2014-05-14 An A Z reference guide to significant people ideas places and events in British history **Anglo-American Crossroads** Mark Clapson,2012-12-20 The postwar British city was been shaped by many international forces during the last century but American influences on British urban research and urban planning have been particularly significant Beginning with debates about reconstruction during the Second World War Anglo American Crossroads explores how Americanisation influenced key approaches to town planning from reconstruction after 1945 to the New Urbanism of the 1990s Clapson pays particular attention to the relationship between urban sociological research and planning issues since the 1950s He also addresses the ways in which American developers and planners of new communities looked to the British new towns and garden city movement for inspiration Using a wide range of sources from American Foundation Archives to town planning materials and urban sociologies Anglo American Crossroads shows that although some things went wrong in translation from the USA to Britain there were also some important successes within a transatlantic dialogue that was more nuanced than a one dimensional process of American hegemony **A History of Literary Criticism** M. A. R. Habib,2008-04-15 This comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements figures and texts of literary criticism as well as surveying their cultural historical and philosophical contexts Supplies the cultural historical and philosophical background to the literary criticism of each era Enables students to see the development of literary criticism in context Organised chronologically from classical literary criticism through to deconstruction Considers a wide range of thinkers and events from the French Revolution to Freud s views on civilization Can be used alongside any anthology of literary criticism or as a coherent stand alone introduction [The politics today companion to West European Politics](#) Geoffrey Roberts,Patricia Hogwood,2018-07-30 There is an urgent need for a book of this nature which provides students with all the essential information required and a full definition of terms A perfect companion to European politics today written by the same authors this book presents past events prominent personalities important dates organisations and electoral information in an accessible easy to read format The book is split into five sections for ease of use a dictionary of significant political events a chronology of major events in Europe since 1945 a biographical dictionary a dictionary of political organisations and electoral data In addition to being a comprehensive reference tool this book is intended to provide a sound historical background to the development of Western European politics An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence **Historical Research** Bill McDowell,2013-11-04 This is the first practical guide to cover the various stages of a history research project from the selection of the topic and the

organization and interpretation of source material through to the completion of the written up record Whether it is for a dissertation thesis article or indeed full length book Historical Research deals with the purpose of research and the implications limitations and benefits of different research methods as well as the effective presentation of the finished result
