Look And Explore Ready Set Go:

Ready, Set, Go! Pamela Greenbaum, Dr. Robert Wolf, 2021-09-24 Ready Set Go is the first book to expand on Abraham Maslow's Primary Needs. This book presents the seventeen Primary Needs each person has six to nine of them from the earliest stages of life and tackles how to get them filled. These needs include being valued, being visible, being secure, being independent, plus thirteen more. This book also describes how most people spend their lives being filled with Pseudo Fillers such as vacations, dining, social media, shopping, and so on. Only by discovering our Primary Needs can we live peaceful, rewarding, and satisfying lives and create New Beginnings resulting in a happy, healthy, and fulfilled life. **Ready, Set, Go!**

Sandra Rasmussen, 2015-02-10 This book is for people in recovery. We ask and answer basic questions about addiction, relapse, and recovery. We believe addiction is a primary chronic disease of brain reward, motivation, memory, and related circuitry, characterized by craving, loss of control, physical dependence, and tolerance. Genetics, together with bio, psycho, social, spiritual factors, account for the likelihood a person will develop an addiction or related disorder. Relapse happens: a return to drinking, using other addictive behavior, or an increase in harm from addiction. Yet recovery is an idea whose time has come. Recovery is a different, better way of life with purpose and meaning. We suggest addiction management as a way recovering people can maintain change, abstinence, or harm reduction, reduce risks for relapse, prevent relapse, develop a recovery lifestyle, confront relapse when necessary, and achieve well-being. Current research, recognized theories, and the lived experiences of hundreds of people in recovery ground and guide book content. The book has three parts and fifteen chapters. A person in recovery introduces each chapter. We show how to develop, implement, and evaluate addiction management plans. Each chapter ends with summary statements and addiction management applications. References and a list of websites complete the book. Family and friends of recovering people will find the material useful. Addiction professionals can use the book to help clients realize recovery and prevent relapse. Are you ready? Get set Go. City Dorothy debuted with the Graham Group in 1931 in *Primitive Mysteries* and was a company member and Graham's demonstrator until 1937. *Bird's Eye View* is a warm and human story that chronicles the early development of modern dance from a dancer's perspective. Dorothy Bird was the only dancer of her time to work with all the major choreographers in concert and on Broadway: George Balanchine, Agnes de Mille, Doris Humphrey, Helen Tamiris, Anna Sokolow, Herbert Ross, Jose Limon, and Jerome Robbins among others. She recounts fascinating theater experiences with such luminaries as Orson Welles, Gertrude Lawrence, Carol Channing, Danny Kaye, and Elia Kazan. Dorothy shares her methods and experiences as a teacher for Balanchine and her twenty-five year tenure at the Neighborhood Playhouse to highlight her philosophy of giving back to the next generation of performers. Of all the artists Dorothy Bird worked with, Martha Graham figures most strongly in the book and in her life. Her narrative about Graham's early creative process is a valuable addition to the literature, as is the story of her personal involvement with Graham. The reader gains an intimate insight into the love and fear instilled by Graham in her followers.
